Updated: July 7, 2025

Tile can absolutely boost home value, especially in kitchens, bathrooms, and entryways—areas where durability and style both matter. Neutral-toned porcelain or ceramic tiles are particularly appealing to buyers because they’re easy to maintain and look modern. Dream House Tile <https://dreamhousetile.ca/> has handled many value-focused renovations like this.

Tile <https://dreamhousetile.ca/> has handled many value-focused renovations like this. Their tile installation service in Toronto and the GTA can guide you on what works best in your market. Even adding a tile backsplash or updating a dated floor can give your space that polished, move-in-ready vibe buyers love.
