

Of Medics and Insomnia

By Ruroni_Otaku

Submitted: November 1, 2006

Updated: November 1, 2006

I couldn't sleep, and had taken a couple Benadryl for allergies...I got soooo freaking drowsy, but couldn't sleep...so I wrote.

**Chapter 1 - Birth of Rapid Decrease of Normal
Thought Patterns**

2

1 - Birth of Rapid Decrease of Normal Thought Patterns

Of Medics and Insomnia Birth Rapid Decrease in Normal Thought Patterns

Tingling under the dermal segment
Deep inside the visceral components
Caused by these healing pods

Over and over, your stain steps me down
And I'll run out of ink
I'll leave this final letter to myself

No, this isn't the manual return of my gift
I like my temple how it is
Gotta find an excuse for evacuation
Mecha jet streams, my eyes closed

I can't believe this hour lasted so long
God, I want to be free, is Adam there?
Don't, misunderstand me, as stated before
I'll enjoy my time with gratitude

Tell him he screwed up, I'm tired of this

But now, I question sleep....
