1 - Bought by Blood

Bought by Blood

What happened that day left a scar
Who will come figure me out?
I've spent day and night in mourning
Oh, come and rescue me

I still see him waving, a warning it might be?
He wants me to look there
I look, but all that I can see
Is a concrete foundation,
Its deal signed in blood
A soul has been sold
In a direction pointing good

Significance of what lies in my dreams
Still has me gripping grief
Your sixth sense detector can catch it
I only want peace,
Please can't you bring me?

Let's run to this meeting place
For the last time, I saw your face
You shined down and said,
"Welcome back, you're no longer dead"

At last my blood's been paid for
And now we'll see how this goes
That night under the lamp post
Cleared my conscience and my soul
