*Kinda a little idea for a story I have floating about my head.*

**Chapter 1 - Reverberate 3(3)**

**2**

## 1 - Reverberate 3(3)

Reverberate 3(3)

Dust kick this cloudy day  
Open range, I'm on my way  
To the unknown  
To join against that which tore this planet

Race against the death machine  
Head out to carry on  
I'm not sure I can make it  
Please, just hold on

What is this?  
You're not human  
You're not this  
You can't get that chance!

Jetison, I'll set this place up and ablaze  
Get out! You won't get your way  
Your lovely little flower holds a secret  
And it's bound to be found out

Take the leak as evidence  
I'm tired of all of this  
I'm tired of this war  
I just won't stand anymore

Come on, it's right in our targets!  
It's up to the unworthy  
Find a place in the heart of the monster  
Can you hear it beating?

It's what drives the fate of your world  
It will come crashing down  
Let the islands fall below  
This will be ceased by my hand

This last chance I was given  
I proved something right  
I showed them I could do it  
But I'm not coming home
