Life

Life is a game we all must play

It makes us pray to live another day

It keeps us awake every night

Makes us think what will happen next light

In this night it makes me think should I loose this game of life Today

Will I be alive tomorrow

Or will I end up in a world of pain and sorrow

Will god lead me to the source of light

Or will Satan fill my world with fright

I may have to start a new game of Life tomorrow
