1 - The New Girl

Ok. I have a headache and a fever and I'm feeling kinda dizzy, but when I was trying to go to sleep last night, I thought of this story. A Tokyo Mew Mew story!

Oh yeah, disclaimer: I don't own Tokyo Mew Mew. Or Sesame Street (EWWWW) or Teletubbies (EWW again) Full House, or Sailor Moon (though I wish I did own that) I did, however, make up Kiwi. 'thoughts', [actions], (author's notes)

Ichigo: Hey, there's a new girl! Let's meet her! [walks over to the new girl with the other Mew Mews following] Hi, I'm Ichigo.

Mint: I'm Mint.

Lettuce: I'm Lettuce. [adjusts her glasses, blushing]

Pudding: I'm Pudding, na no da? (I don't even know what that means, but I have seen from other fanfics that she says that at the end of every sentence)

Zakuro: I'm Zakuro. [says in a snobby way, though the new girl doesn't notice]

New Girl: Hi everybody! I just moved here. My name is Kiwi. (stupid name, but the names are all food, I think, so I just picked a random one)

Off at Café Mew Mew

Ryou: I have perfected the formula to make the Mew Mews stronger! Mwahahaha!

Keiichiro: [comes in] I thought it was for a good cause!

Ryou: Of course it is! What do you think I am, a mad scientist? I've always wanted to do that laugh...

Keiichiro: [sweatdrops] (you don't know how many times I've seen that in Sailor Moon... I love it!)

Ryou: [puts it in machine, then presses a button] Dang it, I missed!

Back with the Mew Mews...

Ichigo: [stumbles as earthquake starts] An earthquake!

Zakuro: [manages to keep her balance] This is NO normal earthquake. Remember the one at the museum?

All except Kiwi: [stare at Kiwi, who has fainted]

Pudding: [gets a good grip on the ground as the earthquake stops] Wow...

Mint: We better get Kiwi home.

Lettuce: But we have no idea where she lives!

Ichigo: Well, let's take her to Café Mew Mew! [all run to Café Mew Mew]

When they get there...

Lettuce: Let's take her to Ryou! Maybe he can help! [all rush to Ryou's room, then Ichigo knocks]

Ryou: [opens the door] Well, it seems we have a visitor!

Mint: I have a feeling you had something to do with this!

Ryou: Yes, I did.

Pudding: What did you do????

Bloopers:

Director: Formula, Take One!

Ryou: I have perfected the formula to make the Mew Mews stronger! Mwahahaha!

Keiichiro: [comes in] I thought it was for a good cause!

Ryou: Why would it be? Mwahahaha! I will make them stronger, and control their minds at the same time to make them evil!

Keiichiro: O.o

Director: Earthquake, Take One!

Ichigo: [stumbles as earthquake starts] An earthquake!

Zakuro: [manages to keep her balance] This is NO normal earthquake. Remember the one at the museum? Where we turned into Mew Mews?

Kiwi: O.O I know your secret! I know your secret! :-P

Director: Ryou's Room, Take One!

Lettuce: Let's take her to Ryou! Maybe he can help! [all rush to Ryou's room, then Ichigo knocks]

Ryou: [opens the door] Well, it seems we have a visitor!

Mint: I have a feeling you had something to do with this!

Ryou: Yes, I did.

Mint: O.o I was joking...

Director: Ryou's Room, Take Two!

Lettuce: Let's take her to Ryou! Maybe he can help! [all rush to Ryou's room, then Ichigo barges in, seeing Ryou without his shirt]

Ichigo: O.O [turns around, embarrassed]

Director: Ryou's Room, Take Three! And get it right this time, peoples!

Lettuce: Let's take her to Ryou! Maybe he can help! [all rush to Ryou's room, then Ichigo knocks]

Ryou: [opens the door] Sunny day, sweeping the clouds away. On my way, to where the air is sweet! Can you tell me how to get, how to get to Sesame Street?

All: O.O That was SOO random!

Director: Ryou's Room, Take Four! Really, peoples, I don't have all day!

Lettuce: Let's take her to Ryou! Maybe he can help! [all rush to Ryou's room, then Ichigo knocks]

Ryou: [opens the door] Teletubbies... Teletubbies! Sayhello! (He's singing the theme song from Teletubbies, if you don't recognize it. I have to live with this everyday, since I have a 3-year-old sister and we only have one working TV...one broke)

All: O.O

Director: Ryou's Room, Take Five! Now get it right!

Lettuce: Let's take her to Ryou! Maybe he can help! [all rush to Ryou's room, then Ichigo knocks]

Ryou: [opens the door] Well, it seems that...I have forgotten my line!

All: u.u

Director: Ryou's Room, Take Six!

Lettuce: Let's take her to Ryou! Maybe he can help! [all rush towards room, and Ichigo barges in]

Keiichiro: Everywhere you look, Everywhere you look. There's someone who loves you. When you're lost out there, and you're all alone, there's a light out there that'll carry you home. Everywhere you look (Full House theme song) Hey, you've got the wrong room! I'm on a coffee break!

Lettuce: o.o;

Alright, the chapter has ended. I like bloopers! :-) Bloopers at the end of each chapter, I promise!

2 - Kiwi's Transformation

Hi peoples!

Disclaimer: I don't own Tokyo Mew Mew. I made up Kiwi.

Ryou: I was trying to make you stronger, but I missed! I think I hit her instead. Let's see... [dumps bucket of ice-cold water on Kiwi's head]

Kiwi: Wha-? HEY!!!!!!

Ryou: At the earthquake, what happened just before you fainted?

Kiwi: Well, the surroundings seemed to disappear, and a fox appeared before me, and seemed to merge into me!

Ryou: Well, what's your name?

Kiwi: My name's Kiwi!

Ryou: Well, Kiwi, put this on. You will now work at Café Mew Mew for 10\$ an hour. [gives her uniform]

Kiwi: Ok! [goes to change, then comes back]

Zakuro: Wow, you look good in that uniform!

Kiwi: Thanx! I want to be a model when I get older.

Later...

Ichigo: Pudding, can you help the next customer?

Pudding: Sure, I c-whoops! [has dropped plates]

Kiwi: I'll clean it up! [takes out a broom and dustpan]

Zakuro: Wow, she's been really on top of things here!

Lettuce: Yeah, she's been doing as well as you, Zakuro!

Random customer: Aagh!

Mint: [rushes over to see what's wrong] A kirema anima! Mew Mew Mint Metamorphosis!

Ichigo: Mew Mew Strawberry Metamorphosis!

Lettuce: Mew Mew Lettuce Metamorphosis!

Pudding: Mew Mew Pudding Metamorphosis!

Zakuro: Mew Mew Zakuro Metamorphosis!

Ryou: Kiwi, say 'Mew Mew Kiwi Metamorphosis!'

Kiwi: Mew Mew Kiwi Metamorphosis! [the Mew Mews stop to watch her transform]

Ichigo: Another Mew Mew? Don't worry, Kiwi, the words will come to you! For your evil actions, we will make you pay!

Kiwi: Kiwi Rod! [a teal rod appears in her hand] Ribbon Kiwi Shock! [kirema anima is defeated] Wow, did I just do that?

Ichigo: Yeah, that was you!

Bloopers:

Director: Kirema Anima Appearance, take one!

Random customer: Aagh!

Mint: [rushes over to see what's wrong] What's wrong?

Random customer: That girl with the pink hair has something in her teeth!

Mint: [looks at Ichigo] Aagh! [faints]

Director: Kiwi's Attack, take one!

Kiwi: Kiwi Rod! [a teal rod appears in her hand] Ribbon Kiwi Shock! [Kirema's anima is defeated] Wow, did I just do that?

Ichigo: No, that was someone else.

Kiwi: Ichigo, of course that was me, that was a rhetorical question!

Ichigo: What does rhetorical mean?

All but Ichigo: O.o

I know, I know, there were only two bloopers, but I don't feel like writing something funny today. I swear, I'll write next chapter when I'm hyper, and it will be funnier. I am not hyper right now. I am hot. It is 80 degrees up here, and the AC hasn't kicked in yet. When I first got home, the keyboard was burning hot. Oh well!

3 - Kiwi's Sister

Hi again!

'thoughts', [actions], (author's notes)

Kiwi: [detransforms] Wow, I can't believe I just did that!

Zakuro: Yeah, you get that feeling when you first transform. By the way, how old are you?

Kiwi: I'm 11.

Zakuro: Well, Pudding's 11, Ichigo, Mint, and Lettuce are 12, and I'm 14. (I actually don't know how old they are, so I just made that up)

Kiwi: Cool!

Ryou: [walks in] Well, I just figured it out. Kiwi, you are merged with the DNA of an endangered fox.

Kiwi: That's cool. [a girl looking about 6 walks in]

Girl: Kiwi, hi! I didn't know you worked here!

Kiwi: Oh, hi, Candy! Why are you here? Is Mom outside?

Candy: Yeah, Mom is. Who are these people?

Kiwi: Candy, this is Ryou, Ichigo, Mint, Lettuce, Pudding, and Zakuro. You guys, this is my 6-year-old sister Candy.

Ichigo: Hi, Candy! So you're Kiwi's sister?

Candy: [nods shyly, then wraps herself around Kiwi's leg]

Kiwi: Well, I guess I need to go. Bye guys! [leaves with Candy]

Ryou: There's something about that girl...

Mint: You mean Kiwi?

Ryou: No, Kiwi's sister, Candy. Something different, but I can't figure out what it is.

Later at Kiwi's house...

[Kiwi and Candy are playing in their bedroom]

Kiwi: So, maybe you can come see the café that I work at, get to know my friends?

Candy: Ooh! Ooh! I'd love to! [bounces up and down on the bed, and all of a sudden, ears and a tail pop out. Candy keeps bouncing, oblivious to what was going on]

Kiwi: Uh, Candy?

Candy: Yes? [stops bouncing and her ears and tail retract]

Kiwi: Do that again, and look at yourself in the mirror.

Candy: Ok! [bounces up and down, getting excited again, then looks in a mirror] Cool! I have cat ears and a tail!

Kiwi: 'But I thought it was only us! That's all Ryou said... Wait a minute... Maybe when it hit me, it hit Candy, too!' Candy, did you feel an earthquake this morning?

Candy: Yeah!

Kiwi: Well, what happened?

Candy: Well, there was an earthquake, and all of a sudden, a cute cat appeared, and when I picked it up, it came into me!

Kiwi: Well, come with me. [leads her to the Café]

At the Cafe

Ichigo: Mint, come on, help out!

Mint: You know that I have my afternoon tea about now!

Ichigo: Well-[is interrupted by Kiwi pulling Candy over to Ryou]

Kiwi: Ryou, we need to talk. WITH Candy there,too. [pulls Ryou into a room] Ryou,are you sure that you only injected me with DNA?

Ryou: Yeah, 99% sure.

Kiwi: Well, then 1% is right! You hit Candy too!

Ryou: What? I did?

Kiwi: Candy, get excited orwhatever.

Candy: Okey-dokey! [gets excited and cat ears and a tail pop out]

Ryou: Okay, so I hit Candy. The problem is, she can't work here. She's only six.

Random loud voice: ROAR!

Ryou: [looks out window] KiremaAnima! Go tell the others! Candy, say Mew Mew Candy Metamorphosis!

Candy: Mew Mew Candy Metamorphosis! [transforms] Wow! [runsoutside with the others]

All: For your evil actions, we will make you pay!

Candy: Candy Ribbons! RibbonCandy Encircle! (I know it sounds like Sailor Venus's Venus Love ChainEncircle, but oh well, I'm addicted to Sailor Moon)

Ichigo: Ribbon Strawberry Check!

Mint: Ribbon Mint Echo!

Lettuce: Ribbon Lettuce Rush!

Pudding: Pudding Ring Inferno!

Zakuro: Ribbon Zakuro Pure!

Kiwi: Ribbon Kiwi Shock! [kiremaanima is defeated]

Kiwi: Shush, Candy. It will be all right. Just wait, we'llthink of a way to get out of here. [rips off apiece of her outfit and wipes away Candy's tears]

Candy: Really?

Kiwi: Yes. You just have to believe in yourself, and you'll haveenough confidence.

Candy: Ok. [scrunchesup her face, concentrating very hard. All of a sudden, the Mew Mew'sweapons are disappearing]

Ichigo: Wha-? My bell-bell!

Mint: My...uh...whatever I have! (i forget)

Ichigo: All of our weapons are disappearing! Not coming into me, like last time, but going into...

Candy: What's happening? I'm feeling power! [all of a sudden her ribbons appear in her hand again, but bigger, and there were more of them] Cool! I get different ribbons! [words come into her head] Ribbon Candy Encircle Healing! (I couldn't come up with anything better) [kirema animas disappear, leaving regular animals and the alien thingies]

Kiwi: Candy, you did it! Now if only we had a trampoline, since we're falling from 50 feet up...

All: AAAAHHHHHH!!!!!!!!!!!!!!!!!!!!!!!!!!!! [all of a sudden Candy's ribbons shoot out from her hand and expand on the ground to make a soft landing for all of them]

Kiwi: Cool, Candy!

Bloopers:

Director: Ages, take one!

Candy: Ooh! Ooh! I'd love to! [bounces up and down on the bed, and all of a sudden, ears and a tail pop out. Candy keeps bouncing, oblivious to what was going on]

Kiwi: Uh, Candy? You have cat ears and a tail!

Candy: Oh, that? That happens sometimes, and I can fight evil, too, as Mew Candy!

Kiwi: Uh, Candy, you're not supposed to know that!

Candy: I'm not? Help me out here, people, I'm only 6!

Director: Telling Ryou, take one!

Kiwi: Ryou, we need to talk. WITH Candy there, too. [pulls Ryou into a room]

Random man: Aah!

Sailor Silver Sky: Yes, and she is also being called MewKarina! Although I'm still here! So basically, there are two of us!

Everyone else: Yay!
