Chapter 1 - Angela

1 - Angela

Angela

To The Mouse Avenger

Every time I viddy her face
I viddy a part that's missing from me
She was the light in my dark night
She was from heaven, an angel to be

Her eyes were like crystals, her hair was of gold
She fell from the sky and into my heart
Tortured and raped by the devil incarnate
I saved her and knew we'd never be apart

She pulled me from hell, into another place
Our own little paradise, laden with beauty
She was a saint, a gentle soul
Sent to do her good duty

But, she was taken all too soon
Stabbed through the heart by a disgusting fiend
I lost her and I lost myself
I lost everything that was special to me

Every time I viddy her face
I viddy a part that's missing from me
She was the light in my dark night
She was from heaven, an angel to be...
She will always be a part of me

Je T'aime, My sweet Angela...
Love, Alex
