1 - Restless night

awoke to the sound of glass breaking on the floor [what was that sound.] I said to myself as I got out of bed to find out where that noise came from. As Maria walked down the hall way her long blonde hair tickled her cheek as she walked down the hall to her brother's room. When she opened the door she saw her brother Aaron with a baseball bat and him swinging it with his head phones on and turned up all the way. ["Aaron what are you doing."] She said taking the bat away and removing his headphones to. [Hey sis sorry I was practicing for tomorrow did I wake you.] He said looking at her seeing her giving him the evil look that every one knows she give when she is mad. [... I'm sorry Maria I'll go back to bed ok.] [You better and if you wake me again I'll tell mom k.] she said as she turned away to go back to bed and shut her door. Sleep finally came and so did her painful dreams. [No you liar you never cared for me.] She said [of course I cared for you Maria or I would not brought you here to Kohana village.] Daigo said taking a step towards her as he pressed her against the wall and lifted his hand to lift her cheek to kiss her on her neck to. [Get AWAY."] She yells and fights him off only to be pinned harder and started to her clothes and all she did was begin to cry. The next time she woke up it was because Aaron was shaking her arm really hard and yelling [Maria it's just a dream wake up.] [What do you think your doing Aaron?] She said hitting her brother's hand off his shoulder.

2 - Summer begins and Worlds end

She got up and got dressed in her fav blue dress and under it was a spaghetti strapped shirt it was the first day of Summer on Hope Island and she was ready to see her friends again. When she finished getting dressed Maria ran outside and started to run to a spot on the beach. As she got to the waters edge Klye came up behind her and hugged her and spun around. "let me go and out me down." Maria yelled as she started kicking and screaming. "Maria its just Klye." Aaron said walking up to them and stub there watching them "man Aaron you just had to tell her." Kyle said putting Maria down and turned to her brother. "jkyle dont hurt him or you have to deal with me you got." she said as she got in front of Aaron. "ok Maria calm down." he said then looked at the sky and saw a dark cloud take over the sky "hey whats that black thing in the sky." Kyle said and pointed towards the sky just as Saya and Tye ran up to them. "Huh.... we need to go now." Saya said breathing hard. "wheres Rhea." Maria asked as she looked around but couldn't find her. "i'm going to find Rhea ok." Maria said as she took off for a little piece of land just off shore. There she found

Rhea and told Rhea to come with her but all Rhea said was "the darkness will win no matter where we go." as Rhea finished saying that a swirl of darkness came over her and all she did was hold out her hand to Maria, and Maria taking a step forward got caught to and reached for Rhea, but just as fast as it appeared it went away leaving a strange weapon in Maria's hand "what is it" she said holding it up to the light. "Maria help." Aaron yelled running to her and hugged her legs. "Aaron get behind me k." she said leaping forward swinging the weapon at the weird creature. "Aaron wheres Saya, Tye, and Kyle at." she said taking her brother's hand and ran towards the beach. "there gone i cant find them." Aaron said as tears filled his eyes, but right when he said it a beam of energy hit them separating the two. Maria was teleported to Destiny Island where Riku, Sora, Kairi, and Klide were. Maria fell from the sky and hit the water only to be saved by Riku and taken back to the beach

3 - The greeting on the island

the next time Maria woke up it was to the sound of familiar ocean waves. "where am i." Maria said as she started to sit up only to be carefully lower back down. "who are and why did you do that." Maria yelled fighting who ever was pulling her down. "calm down my name is Riku and your on Destiny Island with my friends Sora, Kairi, and Klide." Riku said as he let her go and pointed to the far side of the beach. "i'm sorry Riku it's just i lost my little brother and my friends and i have this weird weapon and everything is so wrong righ now." sah said starting to cry. "its ok i know how you feel i once lost my friends to." Riku said hugging her to make her feel better. "thanks and my name is Maria." she said hugging Riku back, lost in the moment Riku leaned in to kiss Maria but before he could kiss her Sora ran up and said "is she ok Riku." Sora said. Riku just noticeing Sora was near him jumped and said "ya Maria will be ok." Riku said looking to see if any one else noticed him trying to kiss her. Maria still on the ground blushed and said hi to Sora. Later that day Maria had a place to stay it was near Rikus place and also near the beach to. Maria still in a daze about what happened, took a shower and went to her room to get dressed when she saw a pic of her her brother and her friends, when she heard the bedroom door close. "my brother and our friends lived on an island like this one." she said looking to see Riku shirtless. "me and my friends lived here all oour lives." Riku said walking towards her and sits on teh bed lefting her chin and kissed her. Maria kissed back she felt his hands grab her towel and pull it off.

TO BE CONTIUED!!!!!!!!!!!!!!!!!!!!

4 - The unforgettable night

As Riku pulled her towel off she looked up into his eyes and saw something she never saw before. She saw want, need for her, she felt something that she had never felt before until now. When Riku took off her towel to show her tone body he felt down it she lost in his eyes kissed him passionately and nipped on his neck. He noticed her nipping on his neck and let her cause he was more focused on her amazing tone body and how he wanted her m ore and more. Maria so happy started to sing and she moved to where she was on top of him then she when to her dresser and grad her bikini and walked out and said "you coming Riku." she said as she got dressed and walk to the beach. When Riku got there he saw her dancing in the water and all he did was stare at her and when he saw her look at him he turned away and blushed. "hey Riku come on in." she said

5 - The evil prank

Later that morning they were fast asleep in each others arms. Sora and Klide were first up and went to the spar, but when they got to the beach they saw Riku and Maria together and decided to play a prank on them. Sora told Klide to take Riku's arm and put it on his head and to grab Maria's hand while he grabbed her feet, then they yelled "1, 2, 3." And just then they let her go and she fell in the water and screamed and started to get mad.

Startled by the scream Riku woke up and looked around to see Maria pissed at Sora and Klide but instead of fighting he watched her yell at them. "OH MY GOD you two are so dead when I get you." She yelled as she started to chase them but just as she did her mystery weapon appeared again in her hand and she stopped. "What is this thing?" She said so everyone could hear her. Riku and Sora realizing what she was holding said it's a keyblade. "A key blade what's that." She said giving them a confused look. "It's a powerful weapon that can save or destroy the world." Riku said taking a seat by her, as he summoned his keyblade to his hand. "Wow so im not the only one who has one." She said as she looked at his keyblade amazed at how it looked.

"Maria whats the naem of your keyblade." Sora looking at it and not ever seeing it before. "I think I will call it Double Edge." Maria said looking at noticing it had three sharp points and one small point. "Thats a cool name." Riku said looking at her as he started to blush. Just then Maria remembered what happened earlier and started to chase Klide nad Sora. "I'm sorry Maria." Klide said as he ran away and dodged her by side stepping and leaping out of the way. "If your sorry now ait till i get you." she said giving him and evil look. Riku sitting on the sidelines started to laugh at Sora and Klide and yelled to them "You should have done that to begin with." Riku yelled falling backwards laughing.
