1 - Chapter 1

A new authoress and pranks.
Beyblade

Hello and welcome to my first fan fiction here on fanart-central.net and in this fic I am going to introduce myself to the Bladebreakers and I will make sure that they will remember me.

Like every TV chef you ever have seen on TV I have prepared everything in detail and all you have to do is to get a really comfy chair, grab some chips or anything else that is chewable and enjoy.

Disclaimer: I don't and will never own anything someone else already own in this fic like the Bladebreakers, but I do own my OC's.

HELLO BLADE BREAKERS!!!

It's a perfectly normal day outside Tyson's dojo and the time is, grabs a big clock shaped like a muffin, 6 am. Like you all can see, zoom with the camera, I have put up some traps and stuff for the guys and Hilary of course. (A/N It's season 2 V-force you know and they all live with Ty and his grandpa). But now I think we should move on to the kitchen.

Okay I am now hiding in the ceiling over the kitchen and to all the other people reading this I must say this warning.

DON'T YOU EVER HIDE IN A CEILING IT'S FILTHY AND YOU DON'T HAVE ANY ROOM FOR YOUR LEGS. Anyway look.

Takes the camera and zooms in.

Ray enters the room and sleepy as he is he doesn't notice the trap I put over the fridge. And he walks to it and... A loud thud is heard followed by a scream.

Ray: TYSON, MAX WHERE ARE YOU. I AM SO GOING TO GET YOU FOR THIS!!! Then he storms out to find his victims, good thing I put a camera in there to.

Meantime Sapphire Angels Devil (me) almost dies because of all the laughs.

Me: Oh that was so fun. Most look at it again. I rewind the tape and watch it again.

Ray goes to the fridge and when he opens it all the milk falls and lands on him, then the chain reaction starts and the tread I tied to the handle makes the flour fall all over him and since I thought. Hey all you need now is eggs and you can make a big pancake so, I also got some eggs to fall down on his head.

Now all you can see is a really pissed off neko-jin covered in all the stuff you need to make a pancake screaming at the ones he thinks are responsible for all the mess in the kitchen. End of the tape.

Max: Ray what's wrong and why are you covered in gook, and why are you looking at us like that?

Me: I gotta see this.

I take up the little LCD screen from my pocket and then pick my tiny little remote control and switch channel to the room they all are in.

Meanwhile in the sleeping room

Kai is leaning against the wall looking at Max and Tyson who desperately tries to run away from the really, and I mean REALLY pissed off long-haired Chinese boy.

Tyson: Ahh Ray it wasn't us I promise we had nothing to do with your pancake hair.

Max: No and even if it was us didn't you think we would do that to Kai not you.

Ray is still angry and won't listen to them so the chase goes on till he finally got them and then he... Well you can guess can't you?

Meanwhile I have moved from the ceiling because I thought, a bit too late but still, that it was better to watch from my high-tech spy room with many big TV-screens taping everything, for future reference.

Me: Why didn't I think of this before I got up in the ceiling I think I saw a big rat there.

???: Maybe because you are stupid.

Me: I am not stupid were are you?

???: Right there.

Me: Ah it's you Kat (short for Katharina and by the way she is one of my OC's She is like a normal person but sometimes she gets a bit dark in her mood).

Kat: And I am just the way you created me so don't blame me for my bad habits and besides it was your idea to do this not mine.

Me: Yeah, yeah on with this fic, oh look Kai is moving, and yes he goes out. Did you prepare the trap?

Kat: Of course, what did you expect from me and as a bonus I also tied up little Tiilia and I can tell you she wasn't too happy about it.

Me: (Another of my OC's she is kind of like Max but a bit worse on the hyperness side and she just adores Kat like she was her elder sister or something, and that sometimes makes Kat uumm frustrated)

Kat: And it was easy actually I mean come on all I had to do was showing them a picture of him, point out the direction and watch out so I didn't get crushed, when they ran away.

Me: Good, evil laugh. Muhahahahahahahahahahahahahahahahahahah

What is going to happen to Kai what more have I in mind for the Bladebreaker and do you want to join the madness so I can replace Kat with you.

Kat: No they don't want you to kick me out, they want to see what I am going to do with Tiilia and

theyalso wants to know who your third OC is.

Me: Youdon't know that. R&R. And if you have pranks give it to me and I might add it in.

Rememberfolks this is my first fan fiction so no flamies okkie.

Bye for now Sapphire Angels Devil.

2 - Chapter 2

Hello and welcome to chapter 2 in A NEW AUTHORESS AND PRANKS. And now I am going to describe my two OC's to you.

Kat: But start then.

Me: Alright, I will.

Ps. You don't have to read it if you don't want to but I just wrote it so you would know how they looked like. And I am going to put up pictures of them here on FAC. Ds

Kat, short for Katharina, she is as tall as Ray is, she has black hair which she keeps in two ponytails one each side of her head. The hair in the ponytails is a bit spiky and she has some hair going out in her face in a bang, plus one at each side of her head, and she has hazelnut brown eyes.

She wears black pants and has a dark blue top that fits with them. She always wears a necklace and that thing is the most important thing in her life so a great tip if you want to get her mad is to take it.

Me: But I am not recommending it. Next we have.

Tiilia, she is a little bit longer than Kenny so you can say she is short. She can transform and become a cat whenever she wants to. She has ocean blue eyes and long blond hair and in my original drawings she also has cat ears but in this fanfiction she has normal human ears.

Tiilia usually wears a white sweater and green pants. She is very happy all the time but she is still serious and loves to joke around. She sees Kat like an elder sister.

Chapter 2

Let the fun begin

When we last saw the team. Ray was mad, Tyson & Max was injured and Kai went out the door but what will he find there? Dum dum dum...

Kai walks out from the dojo only to fall into a giant hole someone had dug outside the front door and in the hole was Kai's biggest nightmare.

Fangirls: HI KAI!!!

Kai: O.O

Fang1: I want his scarf.

Fang2: No I saw it first it's mine.

Fang1: You can have his shoe.

Fang2: What I don't want his shoe I want his scarf.

Fang1: But now it's mine.

The rest of the fangirls: Noooooooooo...

Meanwhile Kai is trying to escape from the hole of Fangirl. But smart as I am.

Kat: You're kidding right.

Me: No why do you ask.

Kat: Nothing

Saph *glares*

Me: As I was saying. Smart as I am having Tiiliaat the hole and her only job is to shout to the fangirls when Kai tries to escape.

Kat: Do you think she can remember to do it.

Me: Dunno. But we can bet.

Kat: Okay, flashing 10 dollar, I think she don't remember what she is suppose to do.

Me: And I think she is going to hug Kai and steal his shoes then she is going to eat them.

Kat: O.O What?!?!?

Me: Nothing ^-^, so is it a bet.

Kat: It is a bet.

Me: Good.

Back at the hole with crazy fangirls.

Kai has finally manage to crawl out of the hole when.

?: Hey girls he is getting away.

Fangirls: Huh, what? Wait Kai.

The crazy fangirls starts to run after Kai who runs away with clothes who now is very ummm, what is the word oh yeah shredded.

Me: Looks like we both lost.

Kat: Yeah.

?: Sorry I'm late but now I'm here.

Me: It's okay Sinja better late then never.

Sinja: Oh yeah and Kat.

Kat: Yeah.

Sinja: I found something I think belongs to you.

Kat: What?

Sinja: Only this. Sinja takes a step to the right and behind her is, yeah you guessed right.

Tiilia: Hi Kat why did you tie me to apole. Teary eyes. Don't you like me anymore?

Kat: O.O Ops I think I forgot her.

Me: You think.

Well no more chit chat lets see what the rest of the gang is up to

Ray is up taking a shower to get all the pancake stuff out of his hair and Tyson and Max is trying to figure out who did it.

Max: I didn't do it did you?

Tyson: Nope.

Max: But who did it then.

Tyson: All I know is that I'm starting to get hungry.

Max: Well we could eat...

And faster than you can say X-mas Tyson had already ran away to the kitchen.

... Breakfast.

In the Kitchen

Tyson: I'm starving what should we have.

Me: (In the high-tech TV room) Please take the cereals, please take the cereals.

Max: Cereals.

Me: Yes (raises fist in victory).

They take the cereals and prepare their meal but what they don't know is that I have done more things in the kitchen than just Ray's pancake hair.

Stay tuned for more and in the next chapter I'm going to describe Sinja for you. Please R&R.

Sinja: Yeah please do, she really needs some reviews.

Tiilia: Bye ^_____^

Me: Okay now you are starting to scare me. "-" Bye ^-^.

3 - Chapter 3

Hi and welcome to chapter 3.

I got to tell you guys that this story well I made it up in about 3 sek so if it isn't so good I blame it all on that but seriously I really need prank tips because my head is totally empty but now meet Sinja.

Sinja she is like a normal person but a bit clumsy and she always follows her instincts. She has chocolate brown eyes and her hair is. Okay this is complicated but here we go. Her hair is like orange red and if we take Tyson's hairstyle and work with that I can say that her ponytail is like Salima's but it's shorter and a little bit pointier. And she has a curly bang in front of her face.

She has beige pants and her t-shirt is white with a Chinese sign as a print. The t-shirt is armless. Sinja was my first OC and that's why I am going to use her much in all my ficci's except for my Sing Along Songs story.

Chapter 3

Hey what's wrong with the food?

Okay when we last saw the guys they were going to have some breakfast.

Max went to go get the milk and was tiptoeing over the mess Ray or actually I had caused. When Tyson took the cereal box, some bowls and spoons. But we all know Tyson so let's say he didn't want to wait on the milk he just took the cereal box opened his mouth and ate almost all the cereals.

Me: Come on Tyson not even you can eat that without...

Tyson: Gaahhh!!!

Me: I thought so.

Max: Tyson what's wrong.

But before he can get an answer from Tyson, the blue haired boy starts to run to his American friend, but in the shape he is in well, we can say that he forgot Ray's little pancake accident.

Tyson: Ahhhh

And trip, slide and strike. Tyson and Max are now on the floor rolling around in the mess. Max is trying to get up but all Tyson wants is the milk.

Me: GoodTyson take the milk that's good.

Sinja: What exactly did you do with the cereals?

Me: Well technically what Tyson ate was not cereals it was just paper who hadetook a bath in spices.

Kat: And what's wrong with the milk.

Me: Nothing special.

Tiilia: She held some Tabasco in it.

Kat: How much?

Me: Only five...

Sinja: Drops?

Me: Bottles.

Sinja & Kat: O.O

Sinja: That's what I call hot.

Tiilia: What, you can't be serious I ate that all thetime and its jummy.

Me: What? Kat I told you that she is your responsibility and you feed her withthat.

Kat: What? I haven't feed her in days it's got to be someone ells.

Me: But...

Sinja: Look Tyson got the milk.

Andinstantly all the eyes are back on the monitor, not literally but youunderstand right?

Max: Heyyou could have saved some milk for me to.

And right inthat second Kai is back.

Tiilia:Five

Kat: Four

Sinja: Three

Me: Two

Tiilia, Sinja & Kat: One

Me: Incoming.

And ThenTyson starts to breath fire and since Kai are in the way.

Me: Hey do anyone want some roasted Kai.

Kat: No thanks

Sinja: I pass

Tiilia. Sure

S, K & Me: O.O

Me: You are weird.

Tiilia: What? Can't you guys take a joke ^_^

Me: Okaythat's all for now but review what punishment you think Tyshould get. Bye.

Disclaimer:I don't own anything except for my OC's and me andthis is for the whole story, just because I forgot to do one in the first chappie. Please R&R and allwho review gets... um a picture of the roasted Kai and a picture of Ray in allhis pancakieness.

Sinja: Saph I don't think that pancakienessis an actual word.

Me: This is my ficcy and I decide if pancakieness is a word. Bye ^-^ Remember to R&R.

4 - Chapter 4

A New Authoress AndPranks

Chapter 4

Fire and Water

In the last episode Ray is still in the shower, Max have pancake on him to, Tyson burned Kai and Kai is mad at him.

Kai: Ttttttttttyyyyyyyyyyyyyyyyysssssssssssssssssoooooooooooooooooonnnnnnnnnnnnnn!!!!!!

Tyson: Water I need water.

Tyson starts to crawl to the sink so he can get some water, but is stopped by Kai.

Kai: I have been torn apart by crazy fangirls, hunt through the whole town, lost my scarf to a crazy girl called Evezzz(^-^), and now this. Tyson you are so going to pay for this.

Tyson: Please water.

Kai: You want water okay I am going to give you water.

Kai walks outside and after a while he comes back with a hose.

Me: "munches on some chips". This could be interesting.

When Kai comes back he takes the hose and puts it in Tyson's mouth and then he runs outside to turn on the water then, he runs back to see the show.

Me: Good thing I thought about that to.

Kat: And what did you do to the hose.

Tiilia: Hey don't you touch my fiancé.

Me: Who?

Tiilia: The hose of course.

Me: Kat can you please hold her.

Kat: Whatever.

Me: Tiilia first I have to say this your fiancé is not a living thing, second you are only thirteen years old you are too young and last I did something with the hose. I change the water in it so now the water Tyson is going to drink is saltwater.

Tiilia: No, you have killed my beloved one, Hosie.

Me: I think you can let go now Kat.

Kat: Good.

Tiilia whispers: Did I do my part well.

Me: Ssschh they can still hear you.

Tiilia: Oopps.

Kat: Sigh.

Fangirl1: Where is Kai?

Fang. 3: Maybe he got away.

Fang. 2: No. And I still wanted a lock from his hair.

Fang. 187: Me to.

(A/N Kai has many fangirls out there my only problem with this is. How did they fit into the hole? Kat: Maybe they went after some friends after they had checked so I didn't lie to them. Me: Maybe.)

Fang 5: Good thing I took my dog with me he can trace Kai and then he is going to be mine.

Fang 2: You are just dreaming he doesn't want you, he wants me.

Fang 5: No.

Fang 2: Yes.

And so it goes on till they decide that the one who can solve this is Kai, and the search starts again.

Sinja: Why are they not going to the same place where they found him in the first place.

Me: Dunno. Maybe they are just plain stupid, but I am going to help them.

Kat: Why?

Me: Because I can and it is funny to see Kai run for his life.

What are going to happen? Will the fangirls ever find Kai? What happened with Tyson and when is Ray going out of the shower. Stay tuned for more.

5 - Chapter 5

Me: Hi I am back.

Readers: Yay.

Me: It feels good to be loved.

Tiilia: Yeah, but why did you then have to bribe them to say yay?

Me: What, I am not bribing them, right readers.

Readers: ...

Me: Hey that was not what I paid you for, ops... Eh lovely weather don't you think, ah. Saph is running away, screaming. Why don't you love me anymore?!

Kat: Good readers now here is your cookies and remember not a word.

Readers: Munches on the cookies. No we won't.

A New Authoress And Pranks.

Chapter 5

Me: Those fangirls are desperately in need of some help.

Sahara dessert

Fang 7: Are you sure he is here.

Fang 5: Of course I am. My dog is never wrong.

Back to the control room

Sinja: Well we only know these were his fangirls but I think we should have forced them to do an IQ test before.

(A/N Sorry if you are a Kai fangirl and not stupid but I think I only got the stupid.)

Kat: Do you have to do like that.

Me: Like what?

Kat: Put in stupid author's note all the time.

A/N: Kat is stupid.

Kat: Stop that or I will not help you anymore.

A/N: Let methink about it... No I won't stop and besides you can't quit I owe you.

Kat: Crap.

A/N: Backto the story.

Me: Now whoshould I send after those fangirls?

Tiilia:Oh, oh I know.

Me: Whothen?

Tiilia:Me.

Me: Aww, you are so sweet but I don't think so, I think I amgoing to pull a name instead. A giant hatcomes into the tiny room.

Sinja: Uhm Saph can you make it smallerI like oxygen.

Me: Surewhy not. The hat shrinks, duh.

Me: Let'ssee, oh.

Sinja: Whois it?

Me: LadyStardust.

Kat: Shecan't she is on vacation. (Plus the fact that she is a song)

Me: Oh, buthow about this one. Sinja glances at thepaper.

Sinja: NopePikachu is in another anime show and this is not acrossover.

Me: Onemore try then... And Ghost is our man eh I'm mean girlno I mean thing no, who is she?

Tiilia: Is jumping up and down. Oh I know whoshe is and I love her stories.

Me: Goodthen you don't mind go and give her the mission.

Tiilia: Yay. Is jumping awayto go give the mission to Ghost.

Me: Finallysome peace and quiet.

Sinja: Um, Saph.

Me: Not nowI am resting.

Sinja: Theyhave company.

Me: What?

Kat: Shemeans that Kenny and Hilary have come.

Me: Oh Iknow that I just acted like I was stupid.

Kat: Youdon't need to act.

Me: Whatdid you say?

Kat:Nothing, but what are you going to do?

Me:Nothing.

Sinja: Whatyou can't stop now. You haven't even mention the real stars in this fanfiction.

Me: I knowbut I had to do this chapter like this because my readers won't understand therest if I didn't and if you want to help Ghost, say it in a review. Or justreview.

Sinja: Thischapter has the same status as piece of crap has.

Me: Go andwash your mouth and I agree so I better do it to.

Kat: Sweet drop. R&Ror I think she is going to be insaine.

Me: I heardyou and you are not getting away with it.

Kat: Oooppsss, note to myself, stop totalk so loud that Saph can hear you. Ahhh!!! Kat isrunning away from the crazy authoress with a toilet as weapon.

Me: Gah this thing is heavy bye.

6 - Chapter 6

Me: Hello I am back again and ready for action, but now on to the story.

Kat: Thank God.

Me: What?

Kat: Nothing.

Summary: Ray is in the shower, Tyson is filled like a water balloon, Kai and Max are watching, Hilary and Kenny has arrived and me the authoress is soon going to get insane.

Kat: She can't become something she already is.

Me: What do you mean with that?

Kat: Nothing.

Me: You are not getting away with nothing anymore, gah! Saph is aiming at Kat.

Kat: The story must begin.

Me: Okay I will get you after this.

Chapter 6

Bathroom nightmares and so much more

Max watched the whole fill up Tyson till he explodes scene but then felt he was a bit hungry. And we all know our happy hyper Max so he went to the sugar.

Kat: Please tell me you didn't that trick is sooooo old.

Tiilia: What?

Kat: She has changed the content in the sugar and salt bowls.

Sinja: That is like the oldest trick in the book.

Me: Maybe but I never get bored of it.

Max reaches down to take the sugar and in the same way as Tyson eat the cereals he ate the sugar. Max face turned green and some strange noises could be heard from the American boy. And then he, yes you guessed right he ran to get the water in the hose. So sorry but Tyson did not blow up this time, but maybe next time. But since it was saltwater in it all it gave him was more salt and then he and Tyson ran up the stairs to get to the bathroom and the water there.

Me: Why did they not take the sink in the kitchen I had a little surprise for them there.

Meanwhile in the garden

Hilary and Kenny is outside and when they was about to go in they saw something in the grass.

Kenny: What? Tyson awww he is so irresponsible.

Hilary: What is it Kenny.

Kenny: Tyson left his Beyblade out where anybody could steal it.

Me: No hedid not and not anybody. Heh, heh veryevil grin coming true.

Hilary:Well pick it up so I can have it as proof when I am yelling at Tyson.

Kenny: Doyou really need proof to do that?

Hilary: Nobut it is easier and more fun.

Kenny givesaway a big sigh before he picks the blade up and.

Me: Theyare in my fishnet.

Kat: Couldyou not find anything better?

Me: Umsoundproof fishnet?

Kat: Forgetit.

Me: Okay.

In thebathroom

Ourfavourite neko-jin was finally done in the shower andhe did not look like a raisin, unbelievable it is like a miracle.

Sinja:Halleluiah.

Me: We arefrom Sweden and we do say Amen in times like this.

Kat: Butthere are no times like this so you could not really know that.

Me: Back tothe shower.

But whenRay is he is dressed just so you knowgoing to open the door the door opens him. Tyson and Max isrunning in like there was a fire in their pants but when they got there Maxtripped on Ray who noe was on the floor and pushedTyson who fell because of a...

Sinja:What?

Me: A soupand I did not put it there.

Tyson fallsand lands with his head first in the toilet.

Me: I don'tknow does that hurt or is it just disgusting?

Sinja: Itis both.

Me: Thoughtso.

In thesleeping room

Kai has got new clothes on and now I know whathappened to the scarf and why he did change his outfit.

Sinja: Whybecause when he first met Hilary he just tried his new clothes then when I gotthere he had his old clothes on but they got torn to pieces and the Evezzz got his scarf and he could not find a new one beforeit was time for the third season.

Tiilia: Oooowww.

Me: I havefound out the mystery someone open a bottle with Champagne.

Tiilia:Okay. She takes the bottle and opens itin the way so the cork is flying around and it hit me.

Kat: Yesshe has passed out.

Sinja: Whydo you say yes she is the only reason for our lives and if she is not here soonwe will disappear to.

Tiilia:Look.

And guesswhose back the fangirls.

All the fangirls: Hi Kai did you miss us?

Kai: O,o Help.

Ray: Hello

Me: Hi I come from nsdvjknvslvkknk may I ask a few questions?

Ray: Sure but where were you from.

Me: Vnijvsomjstvnc

Ray: Never heard of that before.

Me: Well we are new.

Ray: What did you want to ask me?

Me: Bad Ray, bad.

Kat: He don't know

Me: Yeah but still.

Sinja: But why do you end it now?

Me: Because I want my dear reviewers to send in some insane questions I can ask Ray, and I don't care what the questions are about as long as they are fun and without a meaning.

Sinja: But it is okay to send in questions with a meaning to.

Me: Yeah just as long as you give me some to the next chapter I think I shall call Crazy Questions or just how to ask questions that can drive a person insane. Just press the purple little button on your left side and send it in and yes that means you have to review but I like reviews so it is okay. And don't forget to answer my question, the more questions you give me the faster I can update and the funnier will the next chapter be.

(Ps. This story is complete so you don't have to review in questions but it would be nice if you reviewed.
Ds)

8 - Chapter 8

Hi and welcome to chapter 8 and thank you for your questions you have given me they are really going to help me drive him insane. Saph is now smiling a very, VERY evil grin.

Kat: Don't encourage her she has a room to clean.

Me: It is clean sort of looks at her room witch has clothes all around it spread out and all the presents in the corner. PRESENTS! Oh I almost forgot my presents.

Sinja: You forgot that points at three bags full of Christmas presents.

Me: Well I have had so much to do and besides not all of them are mine. You'll see that my mother is going insane during Christmas and she has to clean the house and she don't know where to put the presents so in some way they always ends up with me.

Tiilia: Yay presents!!!

Saph holds Tiilia who tries to get to the presents.

Me: They are not for you.

Tiilia: Sob, But I want them.

Me: I think we should start this.

Sinja: Probably.

Chapter 8

How to Drive Someone Insane

Summary: We left Ray with me at the door and the other is outside somewhere.

Me: Okay first question, what is your name?

Ray: Ray Kon.

Witch gender is you?

Don't you see that?

What gender are you? I am sounding really annoyed.

Male

Thank you, and what is your biggest fear?

What I am not telling you that!

Sir it was not I who created these questions, so please just answer.

Nhmmmmh

What?

I am afraid that a giant ball of yarn will hunt me down and then eat me, satisfied?

Even though he gave that answer Saph is still holding her laugh back.

Why do you live?

What! What kind of question is that?

Please answer.

I don't know.

Are you sure?

Yes.

Don't even have a little theory?

I am here because my mother and father loved each other very much, now there is your answer.

Are you angry?

What?

Are you angry?

I am starting to get.

Why?

Because of these questions.

Do you like me?

What does that have to do with all this?

Nothing I am just curious.

I think you are okay but I don't like the questions.

Is it true that you have Sesquipedalophobia? (Fear of long words)

Huh, what is that Ray starts to think

Does it hurt?

What?

To think.

No of course not.

Is it true that you enjoy going around in girl clothes?

What, that is ridiculous I have never done such thing.

But why do we have it on tape then?

You have it on tape?

Sir, I am the one who gives the questions not the other way around.

Hah one more chapter done!

Sinja: But you are not done with the questions yet.

Me: I know but now I want questions to everybody in the team and I take whatever I can get so just send it in. BYE Saph waves and Sinja & Kat looks at her with faces that shows how annoyed they are.

9 - Chapter 9

Me: Aaaahhhhhh my foot is sleeping!!!

Sinja:What?

Me: I saidMY FOOT IS SLEEPING!!! What's wrong with you can't you speak English?

Kat: Shemeant, what has this story have to do with the fact that your foot is sleeping?

Me: Oh,nothing I just wanted to tell you that and, hey my foot is awake.

Sinja &Kat: Sweat drop good for you.

Me: But nowto the story.

The crazy authoress isin da house

(Run when you stillcan)

Summary: Weleft me and Ray at the door

Me: Is ittrue that you enjoy going around in girl clothes?

Ray: What,that is ridicules I have never done such thing.

Me: But whydo we have it on tape then?

Ray: Youhave it on tape?

Max: Who isshe?

Me: I am here to ask a few questions.

Max: Fun.

Me: I thinkso.

Ray &Max: What?

Me:Nothing, what a great house but don't you think it misses some furniture's.

In the other end of the town.

Kat: Comeand buy furniture's really sheep furniture's.

Tiilia:It is Tyson the world champs furniture's. And with that said all the people who was going to buy the stuff is backing away. Katholds her hand in front of Tiilias mouth and in thepurpose to make Tiilias little mistake go away shesays.

Kat: Kaiand Ray have been touching them to.

Someone:What about Max

Kat: We arealso selling some of Max candy just follow Tiilia.

And thenfaster than you can say I am a little teapot everything is gone.

Back in thehouse

Me: So is it okay if I ask you all some questions?

Ray: I don't...

Max: Sure why not?

Me: Thank you but where is Tyson? I say this and am starting to look around after him.

Ray: Max did you forget him?

Max: No I did not but he was not there when I ran outside.

Outside

Fang 45: Kill him girls!

Fang 89: You are not getting away from us Tyson.

Fang 5: Where did you hide Kai, and why are you always so mean to him?

Tyson: Help!

Hilary: Tyson!

Tyson wonders who said that and stupid as he is he stops and gets crushed by the fangirls who was running after him. The fangirls notice this and smile before they walk away to find Kai.

Hilary: Tyson you're idiot!

Kenny: Hilary that will not help him.

Hilary: But he did not have to be crushed by Kai's fangirls, because now he can't help us down this stupid tree.

Kenny draws a big sigh and looks at Tyson who is now lying on the ground. "I don't think he could have helped us anyways"

Hilary: You have probably right.

With my OC's

Kat: We made a big profit on this maybe we should do it again soon.

Tillia: I want sugar.

Kat: But go and buy some then.

Tillia: Okay.

Kat: I swear some day she will be my death -.- .

Sinja: Kat can you hear me?

Kat: Yeah, what's up?

Sinja: Saph is in the house, get your stuffs and come here quickly you got to hear this.

Kat: I am coming. Tillia we got to go.

Tiilia:Okay.

10 - Chapter 10

Hi I am back and I want to thank one of my readers for her suggestions they maybe got some wheels to spin in my head.

Kat: So you admit that it is empty then.

Me: What! No!

Kat: Well you said that you had room for wheels so then it must be some sort of empty.

Me: Really funny, now all you have to do is take that chewing gum out from your head.

Kat: What! Is starting to search thru her head.

Me: Psyched!

Sinja: That was so lame.

Tiilia: No that this.

Sinja: What! Uack!!! Grosse!

Tiilia: What it is just a giant snail.

Me: You do know that lame and slow is not the same thing.

Tiilia: It isn't?

Me: No it is not!

Tiilia: Okay, come Snaily we are going to visit Tyson.

Me: Am I dreaming she is going to do something right!?

Tiilia: Tyson are you hungry!?

Me: Maybe not. Remember sometimes in the sentences I am thinking in or doing anything and that part is in italic.

Chapter 10

The BladeBreakers: Why us?

Summary: I am in the house, Tyson is lying in the mud, Hilary and Kenny are still in the tree and my OC's are taping everything. Oh joy happy joy.

Me: All your names please.

Ray: sigh, Ray Kon, male.

At his comment Kai and Max are looking really surprised at Ray.

Max: Ray are you okay? I think she can see that you are a male.

Ray: I'm fine blush she asked me before and then she asked if I was a male or a female.

Me: I did not! Don't you think I can see that? I blush and hide my face in my block and when they can't see me I smile a very evil grin.

Ray: What but before...

Max: Ray, calm down.

Me: And the rest of you?

Max: I am Max Tate and Mister Sourpuss over there is Kai Hiwatari.

Me: Okay next question, civil stand?

Max:Single.

Me: Are you sure?

Max: Of course am I sure if I have a girlfriend or not.

Me: Don't be upset, Ray how about you?

Ray:Single. (Say hurray all Ray worshipers he is single!) What was that sound?

Me: I did not hear anything, except for all of Ray's fangirls. And what about you Kai?

Kai: You have nothing to do with that.

Max: Kai, come on it is just for fun.

Kai: Fine, grumble, single. Yay!!!

Me: Really?

Kai: ...

Me: Okay but doesn't some other guy live here to Tyfoon or something.

Max: Oh you mean Tyson, well I don't know where he is...

In the garden

Hilary:Tyson wake up!!!

Tyson: Huhoh Hilary what are you and Kenny doing in my tree?

Hilary:Admiring the view of course what do you think we are doing here?

Tyson: I don't know.

Hilary: Get us down now!

Tyson:Okay, okay stop shouting I will.

Tiilia:Hilary and Kenny is falling down, falling down, falling down. Hilary and Kenny are falling down, down from the tree.

Kat: Except for the singing are you right.

Tiilia: Yay. Big smile

Sinja: Kat should we call in the fangirls again?

Kat: I don't think so I say we let Saph do this on her own.

Sinja:Okay, but you are the one who is going to take the hit if she fails.

In the house again (Man I have many cameras taping this)

Me: So you say you don't know where he is then.

Max: Right.

Me: Okay, next question. What are your biggest fears?

Ray: Not again, I have already told you...

Max: You told her your biggest fear? Max and Kai look really surprised at Ray who is squirming like a worm on the hook.

Ray: Yeah...

Max: Tell us we want to know.

Ray: Noway!

Me: Aww come on Ray it was not so bad, I have had people saying that their biggest fear is that they are afraid of their own shadows or that they are scared because they believe that a giant polar bear is going to eat them in their sleep.

To be continued...

11 - Chapter 11 The End

A New Authoress And Pranks

Chapter 11

When things just goes wrong
Or The End Of This Story

Summary: I am in the house talking to Kai, Max and Ray. Tyson is outside with Hilary and Kenny who has coming down from the tree and my OC's are doing something else.

Max: You told her your biggest fear?!

Ray: ... looks down on the ground

Max: Well what is it?

Ray: I am not telling you that!

Me: Well uhm I have an idea. You can all tell your biggest fear then no one will be ashamed for telling them. They would if they knew I was taping this

Max: That is a good idea.

Me: So who is going first?

It gets dead quiet in the room and after a while I have three pairs of eyes staring at me.

Me: Fine I go first. My biggest fear is...

In the garden

Hilary: Kenny don't you think that it is strange that we got caught in that net.

Kenny: Yes but I just thought that it was one of Tyson's bad jokes.

Hilary: I don't think so because he has never succeeded in any of his last ones.

Kenny: You have right do you remember when Tyson did that lame joke about that he was not hungry. It only lasted 5 minutes before he sneaked to the kitchen and started to eat everything in the fridge.

Hilary: -.-U Yeah. What if this is someone else's work...

Kenny: We should go in and talk with the rest of the guys, come and help me to carry Tyson.

Hilary and Kenny start to drag Tyson in to the house but they don't know that my OC's have covered the Kai fangirl hole and lucky for me they fall right into it.

Fang 5: Kai is here Yay!!! Come on Voffis I want to get a lock from his hair.

Apparently was Kai's fangirls plan to find him again to wait in the same place they found him in the last time.

Fang 168: Hey none of you are Kai stops drag in Tyson's hair

Fang 17: It's Tyson! (Apparently they ignored the other two)

Fang 92: Kill him!!! (Yay)

Meanwhile when the fangirls are kicking Tyson's butt Hilary and Kenny managed to crawl out from the hole and got into the house.

Kenny: Wemade it and we are still alive.
Hilary:Kenny listen is that not Max talking...
Tyson:Help!
Hilary: Ssschh quiet Tyson

Max: Raywhat a silly worst fear.
Ray isblushing but that can't Kenny and Hilary see.
Ray: Wellthen tell your biggest fear if you're not a chicken.
And outsidethe house Tyson is screaming: Chicken!!!
Apparentlyhas Tyson developed a really good hearing when it comes to food.But since he screamed chicken the fangirls thoughtthat Tyson meant that they were afraid, bad luck for Tyson because they had gottired at punching and kicking him but with that "insult" they got more power tocontinue their beat up Party. (Anyone who want to join theParty? "Evil grin")
Max: No lam not!
Me: But sayit then you have heard mine and Ray's.
Max: Okay...
Me: Wedon't have the whole day.
Max: I amafraid that all the candy and sugar that exists in the world would disappearand be replaced with Brussels sprouts and broccoli and that I would actuallylike to eat it.
Me: O.o Is that your biggest fear?
Max isnodding
Me: Wellthat was not so bad... I think.
Max: Andthat I would like the vegetables so much that I would marry one.
At that pointhas everybody who could hear this including Kai dropped their jaws to theground. (O.o You are weirdMax)
Hilary:Kenny did you hear that...? Kenny?
But Kennyis rolling around on the floor trying to not laugh out loud.
Hilary:-.-U Get a grip, will you.

Now folkstake a deep breath and laugh at Max biggest fear, do it with me. Ha ha ha haha ha haha aha ha...

Me: So Kaiwhat is your biggest fear then?
Kai: Idon't have one
Me:Everyone is afraid of something
Kai: I amnot.
Max: Comeon Kai we told our biggest fears and you listened you have to tell yours.
Kai:...
Me: Wecould guess.
Ray: Whatdo you mean?
Me: You'llsee. I go first. Okay I think Kai's biggest fear is that his boxer shorts willget a life and then haunt him true town while he has to scream mash potatoes,mash potatoes to get it to disappear. (As you can guess, I was bored when Iwrote this part)
Max: Oh Iget it. Let me try.

Me: The scene is yours.

Max: Okay I think Kai's biggest fear would be to get sugar high.

Me & Ray; -. -U

Me: No Max that is your biggest dream not his biggest fear.

Max: I thought that what you said was your biggest dream.

Me: MAX!!! "I am now blushing and so is Kai Ray is rolling around on the floor laughing like there was no tomorrow"

Max: What?

Me: Sigh, Do another try.

Max: Okay "Big sunny smile"

Me: This is a lost case.

Ray: let me try.

Me: Sure.

Ray: Okay I think Kai's biggest fear would be to lose in a Beyblade battle against a newbie.

Me: Has that not already happen I mean Tyson won over him. (Gggggrrrrr how could he do that? Really Kai is the best and I don't want to hear a protest)

Ray: Yes but I think...

Kai: Shut up!

Me: Wow you can actually speak.

Kai: Of course I can.

Me: Then tell us or hear our ideas get you insane.

Max: Oh so that was what we were supposed to do.

Me: Uuhhh yeah and annoy him to, thanks Ray. So tell us.

But before he starts to talk is another voice heard.

Fang 17: Come back here Tyson we have not given you enough for that insult yet. But Tyson is not listening oh no he runs in to the house instead.

Fang 79: Look it's Kai!!!

Fang 1-12543 squeals.

Kai: Oh no they are back. O.o

And then he starts to run.

Fang 5: And Ray!!!

Now a some of the fangirls fainting and the; We Love Ray fangirls is running in to the house. (Some one of the Kai fangirls must have told the Ray fangirls)

Me: I would now guess that, THAT would be his biggest fear. Kat who told you to bring in the fangirls?

All the bladers in the room: WHAT!?!?

Me: Uhm ops. Saph is now backing away out from the room.

Ray: Was this day your idea.

Me: No it was Kat's

Kat's voice can be heard (Don't ask me how I am still trying to figure that out)

Kat: It was her idea.

Me: Traitor. Uhm we can talk about it, aaaaaaaaaaaaaahhhhhhhhhhhhhhh!!!! Saph is now running for her life and after her is a long tail with the bladers, the fangirls, Kenny and Hilary who also got pissed off because of the hanging in a tree part.

My Oc's are watching me run for my life.

Kat: I got the torches! Is running after me and my "tail" with them.

Sinja & Tiilia; -. -U "Sweat drop"

Tiilia: BYE!!! "Big huge sugar sweat scary smile"
