# 1 - Untitled

He's not like the other ninjas, he noticed that from the start.

But he doesn't let that stand in his way.

He's working as hard as the other ninjas if not harder.

But pushing himself until he can't push any more.

He's not giving up and that is for sure.

But still he cries himself to sleep.

He's tired of being different, being alone.

But what is he suppose to do?

He's sick of being called names everywhere he goes.

But he knows that the names are true.

He's gonna make a difference in this world.

But how is the part he can't figure out yet.
