# 1 - Rain

Rain

Rain...

The storms are powerful.

How I wish to be out there.

To let it over power thee.

Then you would see.

That all the hatred is on me.

Hurricanes are all wonderful.

Without them, life would be dull.

And just like a friend.

You lose them at the end.

Or in my life.

It'll cut like a knife.

I don't care if I'm killed at the end.

If you even care.

Your hearts will mend.

See through the fog.

There you'll find the key.

Hearts that are broken

Will surround me.

The annual thrill.

Will come in for a kill.

With all the cutting.

Blood is my deal.

For me to have a life.

I have to pay my debt.

And that is that I lose my blood.

And all that I kept....

Will just stay there.

Even with me dying.

No one can restore my soul.

Sing at my funeral.

For I'll need you there.

Cause I'll be gone.

Thanks to a dare.

And I'll lay in a box.

Soon thrown into the dirt.

Covered with rocks.

Will you still care?

Rain...

The storms are powerful.

How I wish to be out there.

To let it over power thee.  
Then you would see.  
That all the hatred is on me.
