1 - From Hate to Love

Day by day
i want to say
how much i hate the world
it stabs you in the back
and makes you slack
but now i have a way to say
how much i hate the world
but now instead of hate
i feel love
i have met you
and i am set on you
to change my words
to change my pain
to change me perspective
on this world
on my pain
on my feelings
for the one i love
