Chapter 1 - My Love

2

1 - My Love

The cold envelopes me
The dark comes down
With a wrath
I scream in pain
My heart cries out
With a passion
I lift my head
And look around
But naught lies
Here but darkness
I yell for help
But none are listening
I lover my head
And close my eyes
And cry cold dark tears
The dark
O' the dark
I can't escape
I can't runaway
I look in every direction
But no light
Is to be seen
This is my love
This has been my love
For nine long days
He left me behind
He left me for her
He left me to die that night
He never looked back
He never called
He never really loved me
How can i saw
That he was mine
When I
Was not his
I am in the dark
This cold dark place
This is my heart
This is my world
And this
Is my grave
He called me last night

To say he was sorry
I did not give my forgiveness
I had died once
Because of him
I do not
Want to die again
I stay in the dark
This cold dark place
This is my heart
This is my world
And this
Is my grave
