1 - The start

Tw was a bright and sunny day. The air was fresh and birds sung their hearts out. Even the kids, who were excited for the coming of christmas cheered with joy. It seemed that EVERYBODY was happy. Everybody except one small girl. This girl was sitting all alone. Crouched in a ball, she sat still, not moving nor cheering with joy. As the day past, she become more and more curled into a small ball. Until the sun set and the moon rose, shining a small light in the dark sky, did she move.

After a minute or two, she stood and started to slowly walk away. As she walked, her hair blew gently in soft breeze which caused bitter coldness to the night. She looked as if she never had a bath for years. Her eyes glew red in the night. Her hair, black as the night itself, was dull and tangeled. She wore a black chocker with a red shining jewel in it. Her shirt, connected to the chocker, was as red as blood. She showed little features of her belly. She had black pants and a belt that matched her chocker. At that very moment, at the other side of the street, a man was following her...

"This SUCKS! I wish I had never went for a walk" Said a black hedgehog. "Man if it weren't for Sonic telling me that I was under too much stress I would've NEVER gotten Lost." He sighed and put his hand on his forehead and slowly walked down the street. "Maybe someone can tell me which way to go." Thats when, he heard an ear percing scream. 'WHAT WAS THAT!' He said aloud while covering his ears. "THAT could've made me deaf!"

"HEEEEEEEEEEEEEEEEEELP!"

"SOUNDS LIKE SOMEONES IN TROUBLE!" He said aloud. Then as he uncovered his ears, he ran into action! He slowly started to speed walk, then got into a running pace. "HELP ME! SOMEONE PLEASE" Screamed the girl. "NO ONE CAN HEAR YOU!"

"WHO ARE YOU! W-what do you WANT from me?" The girl slowly backed into the wall. Sweat ran down her face and her heart pounded fast. Thump Thump. It boomed. Thump Thump. She had a petrified look on her face and her eyes widened. Soon, the man grabbed hold of her and slammed her against the other wall. "GIVE ME YOUR MONEY!" He screamed into her face. She was so scared that she couldn't speak. "Well, Where IS it?" This time he pushed against her. She then screamed loudly and tried to kick the man away. It was no use. The man had her pinned to the ground. Soon, she became tired and gave up. "Last chance," He said. A grin slowly grew across his face. "Give me your money."

"W-what do you mean sir, i'm as broke as a hobo!"

"DON'T YOU LIE TO ME!" His grin soon disapeared.

But then, it came back. "Fine." He said reaching into his pocket with his right hand. "Lets play a little game." After realizing a knife was in his pocket, she kicked and bellowed trying to break free. "No use fighting. I'm to strong for you." Finally, she gave up and cried slowly. "Now, see this kife?" She nodded, tears still streaming down her face to the ground. It was over. Her eyes closed shut and she sat still waiting for the blow. "HEY CREEP!"

"WHAT DO YOU WANT!" The man slowly got off the girl and stood up. "Didn't you know it isn't nice to hurt people." The black hedgehog jerked his neck to one side, then to the other. "What do you care. I can do whatever I want!" The girl stood confused thinking wether or not to run. "Bring it on" The hedgehogs eyes stared into the mans and stood in a fighting pose.

The girl slowly murmured some words and looked as if she was praying. Then suddenly, the man ran toward the hedgehog, raising the knife ready to stab his. The hedgehog dodged and grabbed his arm which held the weapon. "GIVE UP! This fight is already OVER!" The man tried to punch him but the hedgehog grabbed that hand too. It seemed like they were evenly matched. No one was going to win at this rate. Then the man dropped the knife. "I'm done with these games." He jerked his hand back and took out a shotgun in his pocket. 'OH shoot!" Said the hedgehog. He then noticed that the man wasn't aiming at him, instead he was aiming AT THE GIRL! Quickly the hedgehog ran toward the girl, grabbed her and jumped SUPRISINGLY onto the roof top. "GET BACK HE~E~E~R~E~!" Screamed the man. Right now, the hedgehog didn't care about the girl. But soon he'd realize that she's more than what meets the eye.

-To be continued in Chapter 2: Bonding...

2 - Bonding

"you ok?" The black hedgehog was jumping roof top to roof top looking at the girls frightened gaze.

"yes...why did you-"

"You did cry for help, didn't you?"

"well yes but..."

"Say...whats your name? I'll tell you mine."

"Shade...my name is Shade." The hedgehog looked deeply into Shade's eyes and lost track of where he was jumping. "Look out!" quickly jerking his head, the hedgehog soon realized that instead on landing on a roof top, he was jumping toward a pole! "CRAP!" Soon he slowly closed his eyes awaiting the quick pain of the hard pole hitting his face, instead he felt a small brush of fur in his face. "Mister...you ok?" They were on the ground. Somehow they managed to miss the pole to only land on a soft pile of colthes.

"Yeah i'm fine."

"You still never told me your name." She slowly helped him up but she sliped forwards and fell straight into his arms. "WHOOOPS! Sorry..."

"jeez, you need to be more careful, oh and by the way...the names Shadow."

As soon as shade was about to speak a loud BANG was heard across the allyway.

"What was that?" Trembling, Shade holds onto Shadow for comfort. Soon, footsteps were heard. As they got closer Shade clutched onto Shadow more, finally they stopped and a black figure was seen right before their eyes.

"HIYA SHADOW!" It was none other than Sonic himself.

"SONIC YOU DAMN HEDGEHOG!"

"Wow, man what a nice way of saying hello..." Finally sonic noticed Shade unclinging to Shadows arm.

"Say, who's this Shadow? Your girlfriend?"

"What? NO!"

"Ok, say whats your name?"

"...shade..."

"Say, wanna come over to my place sometime?"

"SONIC YOU PERVE!"

"Uhhh..." Shade is sitting there blushing and watching as Shadow and Sonic argue....alot....

To be continues...

3 - Trust

"Can we please not fight!" Sonic said with a sigh. "It's pointless."

"YOUR POINTLESS!"

"WOULD YOU QUIT IT WITH YOUR TEMPER!"

"TEMPER...TEMPER! LOOK WHOS TALKIN' YA PERVE!"

"PERVE!?! THATS IT! TIME FOR A BEATING!" A battle was about to start. Sonic and Shadow seemed pumped up and ready to rumble! Sonic launched off and Shadow had his fists ready to punch...

"PLEASE! STOP FIGHTING!" Quickly Shade ran into the fight and was quickly shot down with sonics stomache punch! "OH shoot!" Quickly realizing what he had done, Sonic jumped back in suprise. "Are you alright?"

"LOOK WHAT YOU DID!"

"IT WASN'T MY FAULT, I DIDN'T MEAN IT!"

"its ok...im fine... X___x " Slowly getting up, Shade bled horrinly from the waist down. "Your hurt." Sonic said finally. "I'm sorry, i didn't-"

"Its ok...it doesn't hurt that much..."

"We need to take you to a hospitle..." Finally, picking the poor girl up, Shadow and Sonic run back home...

setting: Sonic's house

"Thanks, i feel much better now ^^ "

"Say i'm terribly sorry for what I did...how can I make it up to you?"

"Its ok there nothing really i'm just glad the fighting stopped..."

"Say...where DO you live exactly?" No reply. It seemede as if Shade couldn't speak a single word, all she did was sit there. In silence.

"What? Is it something i said?"

"i...don't have a home..."

"WHAT!?! " Suprised Sonic fell of the couch right onto the floor.

"HOW CAN YOU HAVE NO HOME? where do you sleep?"

"in a dumpster"

"You must feel so lonley sleeping by yourself" (wuh oh pervertedness at 10 oclock XD)

"Yeah...my mother... *sigh*"

"say its alright...i know how it feels" Slowly Sonic sits next to shade and puts his arm around her. She then lays her head against him feeling comfored by him. Thats when the fight begins...

To be continued...

9 - Shadow's secret (part 1)

As the days past, shade and shadow stayed happily together, poor sonic...well he got over it XD !!! after two years they had a family consisting of 3 kids. One was a small boy around the age of 9. He had red eyes with black fur and red highlights on his bangs and spines. Another was a tad bit smaller, around the age of 7. She also had red eyes and black fur. only the red streaks was only on her bangs. the last was a small blue and black hedgehog (hmmm blue O_o) she was around 1 years old. The names of the children from oldest to youngest was Shane, Shana, and Kichi. Together, the happy couple became married and lived happily, free of any trouble....that was until....

Shane: Hey dad! You promised me that I could train wit you today!! Can I huh? PLEEEEEEASE!

shadow chuckled and nodded holding onto his sons hand as the two ran off.

Shade: BE CAREFUL! ...*sigh*

Shana: Mom? Why is it always Shane and dad always leave us behind?

Shade: *sigh* I don't know...

shana: oh...*craddles kichi*

Shade: Honey, why don't you go outside and play. I'll take care of Kichi.

Shana: Are you sure?

Shade nodded and the girl ran off after handing Kichi to her.

Shade Cradled Kichi until she fell asleep. Putting her to bed, Shade walked back downstairs to hear shana scream! Shade ran outside to see one of eggmans robots holding her youngling. Shade stood there in awe.

eggman: well hello Shade...wait? *looks at Shana then Shade* two? *laughs* looks like someone got busy!

Shade: SHUT UP AND LET MY DAUGHTER GO!

Eggman: whats it in for me then?

Shade: ...You can take me instead...

Eggman looked puzzled at first then thought. Finally, witht he snap of his fingers he released Shana.

eggman: Come along...

Shade hugged Shana and whispered into her ear:

Shade: tell your father, and be a good girl ok?

Shana: yes mom...

Shade got up and followed eggman without glimpsing back at her crying daughter...Shana ran back into the house tears streaming down her face...Both never stared back.

10 - Shadow's little secret (part 2)

After Shade left with eggman, Shana ran out of the house screaming for her father and brother. She finally caught up to them as they were walking home. She told them the whole story and both were in awe.

Shadow: Alright you two, stay in the house!

Shane: but dad! I want to come with you!

Shadow: No Shane! It's too dangerous. Stay with your sisters.

Shane pouted at the idea and walked Shana back into the house. Shadow ran off to eggman's base. Inside Shade sat silently in a cell. waiting...hoping...that she would be saved.

eggman: Shade, has Shadow ever told you a lie before?

Shade: no! He wouldn't do anything like that!

Eggman: how do YOU know?

eggman grinned.

Eggman: This might sound strange but, have you ever noticed that shadow never ages? (ages is sega backwards lol)

Shade: Whats your point?

She stared angrily at Eggman. Eggman chuckled.

eggman: Maybe he isn't what you expected him to be...maybe he is a, oh how do I put this...a clone?

Shade: That's nonsense! Shadow would have told me that. He doesn't hide secrets!

Eggman: why don't you ask him yourself?

Staring at a monitor he laughed and looked at the door. Just then, Shadow bashed the door open. His eyes burned a dark red and he clenched his fist as he entered the room.

Eggman: Ah Shadow! Since your here, why don't you tell Shade your little SECRET.

Shadow: WHATS THAT SUPPOSED TO MEAN!

Shade: Shadow! Man, this guy really is a looney. He was telling me that your a clone! How stupid does

he think I am?! Besides, even if that was true you would have told me already...right?

shadow: ...listen...Shade...

Shade: You...you mean...HOW COULD YOU! GOING BACK ON YOUR WORD!

Shade started to cry and her eyes grew a dark red. eggman opened the cell and Shade ran out shoving Shadow away. Shadow was about to run after her when he felt something under his foot. He lifted it to see a small ring. It was there engagement ring.

11 - Enter: Pyremerald

Shade continued running. Tears streaming down her face. As she ran, she bumped into someone. The impact was so strong that both of them fall down.

Pyremerald: *Holding head* OW! *Gasps* SHADE! What are you doing out here?

shade continued crying so Pyremerald hugged shade trying to calm her down.

Pyremerald: SHHHH stop crying.

shade slowly stopped crying and glanced upward. Her eyes still a tad dark red.

Pyremerald: What happened?

Shade: *Sniff* Well, Shadow and I agreed not to lie to each other when we engaged...and... *siff* he...he just kept hiding a secret to me like it was nothing! I bet he's hiding more then one...

Pyremerald: HE WHAT?!

Shade continued to explain what had happened. Listening carefully, Pyremerald nodded his head as he listened.

Pyremerald: Well, if you need a place to stay, besides over there with Shadow, then stay at my house for awhile, we have an extra bedroom.

Shade: *Crying* Thank you, Py. *Hugs him*

As it was raining, the two friends walked to Pyemeralds house. He told a couple of jokes and finally got Shade to laugh.

----- meanwhile Xb -----

Shadow: ...Shade...i'm...i'm sorry

Shadow picked up the ring and clutched it in his hand. He turned around agrily and pointed at the doctor.

Shadow: THIS IS YOUR FAULT! EVERYTHING WAS PERFECT UNTIL YUO SHOWED!

Eggman only chuckled, confusing the angered hedgehog.

Eggman: You should have never kept secrets Shadow.

Shadow grew madder and rushed outside in the cold damp rain.

12 - The curse is unleashed: Mephiles BIG mistake!

Shadow screamed out for Shade as he ran around the town. Finally he stopped by to hear a familiar giggle. He looked inside the window to spot Shade and Py's family in the living room. Shadow sighed with relief and rushed in. Shade was in awe, but then she stood up and walked over to Shadow.

Shadow: Oh shade, I missed you!

shadow went in expecting a hug but instead he felt a searing pain in his right cheek. He touched his cheek and pulled it back. It was bleeding. Shade had slapped him. (POWNED...sorry ^^;) The room was silent. everyone looked in awe as they watched Shade sit back down. She acted as if nothing had happend.

Shadow: WHAT WAS THAT FOR!

He stomped over to Shade. Shade simply stood up and faced Shadow.

Shade: It serves you right!

Shadow: LISTEN I'M SORRY!

(temper temper....SORRY AGAIN *slaps self* oh now I see lolz)

Shadow went to punched Shade, but quickly stoped himself.

Shade: I don't think you are! YOUR NEVER SORRY YOU LAZY SLOB!

(GO SHADE! lol)

Shadow quickly slapped shade hard causing her to fall. Shade got back up and glared at Shadow. Her eyes were a shade of dark red.

Shadow: shade I-

shade slowly walked out into the rain. Pyremerald walked infront of shadow.

Py: SHADOW! WHAT WERE YOU THINKING YOU JERK!

Krystal: WHAT IS WRONG WITH YOU?!

Venus: YEAH!

Brute: That was SO not cool Shad.

Shadow: Just get out of my way...

Py: So you can torment her some more?

All of them heard a scream and everyone rushed out to see a figure just like Shadow. Shade was beaten up terribly and they heard a maniacal laugh.

Shadow: MEPHILES! I thought I took care of you!

Mephiles: I guess you were wrong...

He stepped on the helpless hedgehog. but was quickly toppled over. Mephiles stared in shock as shade glared at him. She had a dark look on her face as she screamed in pain. Soon wings grew. Blood was everywhere. But it wasn't red...it was black. In only seconds Shade was no longer Shade. She was a dragon. everyone was wide-eyed.

Shadow: ...Shade no!

Only Shadow knew what would happen...

-----flashy back YAY-----

Shadow: So this...Dragon?! What would happen if it was released?

Shade: *placing his breakfast down* well....if I stay in that form to long....

Shadow: go on...
