Super Smash Bros. Melee by ShadowLink_350in:Ch. 1 "Team Anti" The day is peaceful around this time of year in the spring in the world of Smash City. Fox is cruising in the mother ship along with White Bomber above the city. White Bomber: Can I drive now Fox? Fox: Dream on kid. Now why would I let you take the wheel? W. Bomber: I'm a great driver. See? (*Takes the steering wheel from Fox) Fox: Hey! W. Bomber: Let go of me! (*They continued fighting over the wheel) Fox: You're gonna make us crash! Fox and W. Bomber: Aaaaahhhh! [enter Falco] Falco: Just what in the world is going on here Fox?! Fox: Falco, take the other wheel and help me get us out of this! (Falco rushes to grab the wheel and pulls down with all his might) Fox: White Bomber, if we make it out of this alive, I'm going to!-----Everyone: Ahhhaaa! The Great Fox does multi flips and turns until they smash right into the computerized firewall surrounding the city. *Note: By firewall I mean the computer term "firewall" In the world of melee, all characters are in one big computerized game! (Literally) Citizens: (Gasp!) Average Citizen: Oh no! The firewall is pierced! Now we are defenseless! (The whole city goes into panic) Fox, W. Bomber, and Falco get out of the Great Fox bruised and tattered. W. Bomber: (*coughs) I guess I need more practice. Heh heh. Everyone stares at White Bomber angrily End of Part A
