Just a poem I wrote a few minutes ago cause I felt crappy and had to get emotions out.

Chapter 0 - Cause..

0 - Cause..

I pray aloud to the world
To the powers that are around us
I pray for a while
And I pray for you

Lie in comfort not in pain
know you are loved
Live for the moment and not for the fears
Life for love and live for us

I ask for nothing but hope
I beg for life and another year

all I can do is pray
and hope death feels sympathy just once

If the clock's run out
know that I prayed
Know that I prayed until my blood ran cold.
Know that I love you and always will

Please come home safe
cause I prayed
please don't go
cause I prayed

I already lost one
so you can't leave
cause I prayed.
