S: Lets here it.

Ro: Were going CAMPING!!!

S: Sure, lets go get eaten by a bear why don't we...

Ro: Come on show a little courage, look...Ruby's GREAT with scary stories, Blueberry and Cream can cook with Amy watching them, me sonic can place up tents *winks at him*, Knux and Ra can patrol the area were no bears or any other dangers are and help find that spot, Diamond and Ophelia can clean the place and throw out pincones and rocks, and last Shadow can...uh...be the lifeguard! See it'll be fun! I've got it all planned out so everyone start packin'...

S: Mwa, putting up tents? I don't think so...

Ro: Well you could always be the lifeguard and swim to save us...

S: NEVER MIND!!! *grumbles*

Ru: This should be fun!

Bl: Hey Ruby? *Tugs her coat* Can you tell funny stories too? I don't want to get nightmares...

Ru: Sure I know a bunch!

Bl: Thanks =3 your the best!

Across on there journey they run into Sally and her son Jack whose almost 2 years old

Sa: ...When he went into the woods to look for the sound he never came BACK! I-i'm just so worried about him...*sobs*

Ro: I'm sure he's fine we'll find him...

Jo: 'fraid so...come on...

Ki: B-but it's getting dark!

Ro: Yeah, lets set up and choose three of us to go and search...

After setting up camp, our heroes chose Sonic, Ophelia, and Shadow to search

Sh: Stay close Ophelia, I don't want you to get hurt...

O: Ok...

The three friends walk through the woods, each step took them deeper and deeper, then Sonic stopped

S: Hear that?

O: No...

Sh: What is it?

S: Shhh...

Out in the darkness comes two blazing red eyes, full of hatred, anger, and pain

O: Hello?

O: Papa, what happened?

?: I was robotized by Eggman, he found the robotizer and...robotized your mom and me... I fought free and remained a robot no longer in his control while your mother...she couldn't fight it and died...

Along time ago...in this very woods there was a young boy and a young girl who went camping here they heard legends about a ghost roming around, the boy blew it off but the girl shivered with fear...knowing something was wrong the boy played a trick that night he hid behind a tree and scared the little girl...the next night the boy wondered if the girl was outside ready to scare him, he walked out the tent...

Blueberry: Oh no!

ahem As I was saying, the boy walked out of his tent, a cold chill filled the air, and in seconds the boy heard a scream...from not any girl but from the girl camping WITH him. The boy ran for his life, passing trees, bushes, and rocks, he then tripped...the foot steps came closer....closer.....CLOSER....then he saw IT, Red blazing bloody wholes for eyes black lips dry and green skin, and in it's hands was the hand of the girl...then the boy screamed, the police checked everywhere but, all they found was a piece of the boys clothing, and the two kids were never seen again. BUT some say IT still lives and IT was hungry and now IT is wandering around looking for a prey to eat.....The End

Every1: O_o
