1 - Christmas in kohona

Zaku stayed down. "Please?" Shadow started to cry. "YES YES!!" She hugged him. "Of course!" Zaku hugged back. "Thank you...so much..." Shadow's tear's ran down Zaku's shirt. "I wanted you to ask...I waited ever since that first kiss...." Zaku cried. Dosu put his head against a tree. Tear's fell. "I love you Shadow..." Zaku said inbetween tear's and trying not choke on them. "I love you to...."

~1 week later...~

kin stood up. "Okay...Welcome to this year's Sound christmas party!" She shouted. "Cheer's to the new couple as well!" Shadow sat on Zaku's lap. They both turned red and laughed. Dosu laughed. "May i add something Kin?" Zaku asked. "Sure Zaku..." Zaku began. "Did anybody know?" He took a pause. "That i love this girl?" Shadow whacked him in the head, "Ow baby..." Shadow kissed his head. "Sorry...." Dosu smiled. Zaku looked at him. "Well...Dad..." Dosu looked (*well it is true he is...My...Son in law...*) Zaku smiled. "Shadow?" She turned her head from kin who was talking. "Yes?" Zaku took a quick glance at Dosu and Smiled. "You wanna have kid's in a year or two?" Dosu's eye's widened. Zaku winked at him. Shadow smiled. "Of course..." Dosu smiled then he turned his head to kin. "Well since it's christmas eve everybody will open one present!" They all sat by the tree. Shadow pulled a santa hat over Zaku's head. She laughed. "Zaku you look good..." Dosu laughed. Zaku laughed. Dosu crossed his leg's. (*I think Shadow's healthy for him...He's laughing, Smiling he's playing around more...He's not as stubborn...That's what i call a change....*) "Here dad..." Shadow sat a box in her dad's arm's. He looked at the box. "Uh...Thank you..." He took off the ribbon, And the top...Inside was a book, He took it out and moved the box. He opened the cover. "Awww...". On the first page was a picture. It was of Shadow and Dosu, He had Shadow in a headlock and was Rubbing her head. Shadow was smiling, Laughing. "It's a bookj of everything you missed...." Dosu turned the page. The next picture was of Four year old Shadow and Zaku. Shadow was smiling and pulling at Zaku's shirt pulling him. Zaku had his arm's crossed, And had a look that told all, He looked like he was saying: "Get that camera away!!" but Shadow's look was saying. "Come on Zaku we'll have fun!!" Dosu laughed. Zaku put a box next to Shadow. "Open it!" Shadow pulled off the top. "[Awww...ZAKU!!!](#)" She hugged him. Zaku thought... (*So this is what Chistmas is like in Kohona...*)

2 - Drowning...The death of Kinata

Shadow crawled onto a branch. Leaving herself so she wouldn't fall... "There we go..." She slinked across the branch like a cat. Her mission? To stalk an intruder... He father was covering other base's why she covered her own area. She spotted the intruder, She looked though some leaves on a branch. She saw a flash of green and he was gone. Shadow was hit in the back, She hit the ground struggle with the intruder. "Stalker!" The stranger was pinned. "I AM NOT A STALKER!" Shadow said struggling, The stranger stopped. "Shadow-chan?" Shadow halted to her name she was straddled over her target. She blinked. The intruder lifted there head. The pale moonlight showing his face. "Lee!!" Shadow pummed him down. She hugged him. The sound nin's regrouped it was dawn a little later than that, Shadow cleaned her face, The freezing water ran down her. Lee squatted down. "Nice river..." Shadow laughed. "Yea..." Dosu sat by a tree two yard's away. He was flipping though a book. "i need to get the second book..." He thumbed thought the page's. "I've read it only a thousand million time's..." Shadow stood up. Lee did the same. "You really grew up Shadow-chan!" Lee laughed at walked the opposite direction, He tripped and fell into the river. The current pushed him out farther. He bobbed up. "SHADOW-CHAN!!! CAN'T SWIM!!!" He went under, And Shadow went in. "LEE!!" Dosu got up. "SHADOW YOU CAN'T SWIM EITHER!!!" He jumped in. Shadow came up with Lee, Dosu tried to grab Shadow. "No... Save him!" Shadow pushed Lee's body to Dosu he took it, And Shadow went under... Dosu put Lee on land then turned around. "SHADOW!?!..." No response... "SHADOW!!!" Dosu went under. Lee regained consciousness. He spit up water. "Shadow..." Dosu came back up he coughed then went back down. Lee clenched the edge of the bank. "Please..." He pleaded. Dosu came up something in his arm's. It was a body... Shadow's body... He swam onto the shore, Lee was stunned. What just happened? Dosu layed down Shadow's body, He put his head on her chest. Lee's eye's got wide. "OH NO!!" Dosu cried. "NO!!" Lee looked down, Dosu hugged her body, "She's dead... She's dead!" Dosu cried harder. "SHADOW DON'T LEAVE!" Lee cried. Dosu picked up his child's body. "She's only 15..." He stood up. Shadow's leg's dangled down. Lee looked up. "You can't have anymore kid's.. Now the one you had is dead..." Lee said crying.

~2 painfull day's later....

Dosu flinced blood bleeding from his wrist. He let it bleed. "MY DAUGHTER IS DEAD! HER MARRIGE IS INVAILD!!!" Dosu put his head against the wall, "I am slowly killing my self...." Dosu looked up. "Kill.... OCHIMARU!!!" Dosu would take Shadow to Ochimaru!!! And he did so.... Dosu looked. "Bring her back...." Ochimaru smiled. "Commit a sin..." Dosu looked at his Daughter's body. "What?" Ochimaru smiled. "You have to...." Dosu screamed. "WHAT THE HELL!?!? NO!! NO!! NO!!" Ochimaru looked away. "Then let your daughter remain dead..." Dosu shook. "Okay...." He left. "I have to kill Shadow's mother... Just great!" He started walking. "But where are you Sora Uchia?"

3 - Shad is back!

Ochimaru got down. "Well child..." He put his hand under Shadow's back and raised her up, Ochimaru put his other hand five inches from his mouth. He moved his fingers, out of his mouth was this purple mist type cloud, it came out. He moved his hand over to Shadow. The mist went through her mouth. Ochimaru layed her back down. "Life transfer jutsu...." He did hand seals. "Come alive my soldier!" There was a moment of silence, then Shadow started to cough. "Da.... Dad... Daddy...." Ochimaru coaxed her. "Now now Daddy's not here," Shadow coughed more. "Where is he?" She was tired, dazed and confused. "He'll be back...." Ochimaru picked Shadow up. "Your going to the hospital...." Shadow looked up, Ochimaru chuckled. "Look at that... You don't have blue eyes anymore.... You have black..." Shadow turned her head, she put it against Ochimaru. "Dad... Where... Ar-are.... Y-you?" Shadow blacked out. Shadow heard voices. "I can't believe this... SHE WAS SUPPOSED TO BE DEAD!!" Now now there must be some reason... I-"WHAT SHE'S A ZOMBIE!?!?" Shadow opened her eyes. "Owww... "She was in a bed. Next to the bed was Temari and Kankuro. Kankuro screamed. "THE ZOMBIE'S AWAKE!" Temari hit him. "Shhhh... She has to explain..." Kankuro glared. "You hit too hard...." Shadow sat up. Temari pushed her back down, "Listen... Garra told u-" Shadow was surprised. "Garra?" Temari nodded. "Yea... He wanted us to guard you.... Till Lee came...." Lee appeared in the window. "Did you say my Name? Garra said he had a surprise-" Lee stopped in mid sentence. "SHADOW!!!" He hugged her. "Thank goodness Garra told me I didn't believe him at all!" Dosu slowly walked. "This sucks..." "I have to kill my Love child's mother.... My life definitely sucks..." He pulled out a map. "She's over here in Wind Village..." Dosu walked. "She won't be happy to see me..." Dosu hesitated before knocking on a door. A girl answered. "Sora Uchia?" The girl turned her head. "MOM!" Dosu was shocked. She had a family and left Shadow a poor defenseless child to die then start her own family! A blonde answered the door. "Oh... Hi Dosu..." Dosu grunted. "Listen!" Dosu said sharply. "How could you start a family!?" Sora smiled. "Well... i...." Dosu sighed. "Then to leave my child.. My child to die!" Sora rolled her eyes, "Yea okay...." Dosu's amplifier switched on by itself. Sora shut the door. Dosu growled. He hopped on a pole. "I'll watch then..." They were at a table two kids a man and her. "Heartless slut..." Dosu crossed his arms. "Why did she throw Shadow aside... But spare her own children!" Dosu curled up. "If I didn't find her... She would have died...." He waited till night, then he would strike! He did it why Sora was asleep. Before she died... She told Dosu why... "I Hate that little brat of your's!" Those words lingered as Dosu walked away blood stained clothes and a bloody kunai, "I am glad your dead... Sora Uchia...."

4 - Rest,

Dosu fell on the ground, "How did this all start?" It slowly crept back. "If Garra killed me..How..How did i come back?" Dosu sat. "How?" "Because Kinata it was destiny..." Dosu turned around. Ochimaru was standing there. "Excuse me?" Ochimaru stared. "Your child saved you....Bassically while on your mission that i assigned you were looking for her also....When you died....You had such a wound in your heart i read your thought's...." ochimaru thought back, "*Come on...Get up! Your not dead your not dying! COME ON!!!GET UP!!!YOUR GOING TO DIE NOT KNOWING WHAT YOUR DAUGHTER LOOK'S LIKE!*" "You had strong ambition's..." Dosu stared. "Is she?" Ochimaru nodded. "Yes she is...." Dosu nodded his head in thank's and dissappered. He went home, Got rid of his blood stained clothe's. He yawned and streched. "nnnnn...Nnnnn..." He walked to the hospital. When he was going to open the door his vision got blurry, He smacked into the door. "Ow...." He serched for the handle when he grabbed it and opened the door his vision got worse. "What's going on?" He serched his way, He felt sombody grip his hand. "Who who are you!" "Dosu..What's wrong it's me! Do you Have memory loss!?" Dosu shook his head. "I can't...I can't see..." The person pulled. "Well this is Lee okay?" Dosu shook his head. "What's wrong with me?" Lee helped Dosu sit down. "I don't know, I'll get a dr...." Lee got up. Shadow on thwe other hand... She groaned. "Bed rest...I HATE HATE BEDREST!" She tryed to attack the dr.... And they tied her down. "Where's dad!?" Shadow was getting annoyed. Even when tied down Shadow was known to be stubborn, A nurse Flashed a light in Dosu's eye's. "Can you see it?" Dosu didnt blink. "Kind of..." The nurse put her finger on Dosu's nose. "Now?" Dosu looked. "Yea..." The nurse sighed. "Get some sleep... Since when did you get a good night of sleep?" Dosu thought. "14 day's ago..." The nurse pulled Dosu into Shadow's room. "Get some sleep!" Dosu looked around. "If i can find the frickin bed..." He felt around. He grabbed somone's foot. "AAAAAAHHHH!" Dosu tryed to see who it was. "Shadow? Your..Just like..SHADOW YOUR ALIVE!!!!" He hugged her. Then he reilized. Shadow was asleep. "Ahhhh...Shadow," He kicked off his shoe's. Shadow raised her head. Dosu smiled. "Iam not sleeping on the floor..." Shadow fell back asleep. "Goodnight Shadow...My Sweet Shadow...My Shadow...." He fell asleep, For once in fourteen day's this was going to be the best sleep he ever had...

5 - Lee get's Her back,

Dosu layed on the bed sprawled out. Shadow pulled the cover's over him, She jumped out of her bed. Lee was waiting on the couch in the room. "Your marrige is invailed your still single..." Lee said looking out the window, "Yeah..." Shadow took off Dosu's bandage's. She laughed. Lee looked over. "What?" Shadow covered her mouth. "My dad has some shaggy hair!" Lee laughed. "Yeah!" Dosu yawed and murmered something about kin, Then he turned on his side. Lee got up and streched. "Well i should go start training i'll be back in a hour..." He started to walk out the door. "Lee?" He turned around. "Thank you....." Lee nodded and walked out. Shadow turned. "know to do somthing about Dad's hair!" She pulled out a comb. Dosu sat up and streched. "AHHH!!" He shouted as his back cracked, Shadow brushed his hair. Dosu sighed. "It's suppose to be the dad's job..." Shadow laughed. "I don't care Shaggy hair!" Dosu sighed. "I was born with Shaggy hair..." Shadow stregtened it. "I Don't care..." Dosu turned her way. "What?" He pinned her down, He hugged her. "Iam supposed to take care of you not the other way around...." Shadow loved being hugged expessically by her dad, She loved how he smelled how warm he was everything. Shadow left her dad in the room, To tend to his bussiness. She went outside. Sunning on a brick wall like a cat was Lee. "Lee-san," Lee looked up. "Hum?" Shadow sat down. Lee sat up. "Yes?" Shadow looked down. "Nevermind..." Lee looked away. "Oh..." He thought of those old time's where Shadow loved him He loved her back, Ke-ki and Shikamaru were in a tree above. Ke-ki padded the branch. "Dosu wanted us to spy why?" She asked. Shikamaru shrugged. "I don't know... But this is troublesome..." Ke-ki sighed. "You always's say that..." Shika sighed. "I never mean it toward's you..." Lee took one more glance. He found his back on the ground, Shadow locked in a kiss with him. Shika looked. "WOAH..." "Woah is right..." Ke-ki added. Lee took in all of Shadow's smell's, All her lovely scent's. Lee stopped. "You smell like vannilla... And vinnilla is youthfull...." Shadow laughed. "Yeah.. Right...." She kissed him again. Shika turned. "we should report back..." "Yeah!" Both nin's jumped toward's the hospital. Lee lifted Shadow up. And Lee sat on the wall. Shadow sitting on his lap. Shika stopped. "Shikamaru?" Ke-ki hit the ground next to him. "Oh crap..." Walking on the path toward's Shadow and Lee was... Guy sensi... Ke-ki frowned. "HIM AGAIN!!! THOUGHT WE DUMPED HIM AN HOUR AGO!" Shika sighed. "Me to...." Guy saw them Ke-ki and Shika didn't even get time to blink. "My Genin!" Guy squealed. "GET HIM!!" Shika yelled. Both Ke-ki and Shika Tackled guy to the ground. Guy screamed as the two dragged him. Dosu looked out the window. "Well look who's back together!" He smiled. A nurse came in. "Mr Kinata...." He turned around. "Yes?" "We ran some test's on your daughter.... She's stable but she need's to stay here...." Dosu nodded. "Alright..."

6 - Family dynamic

"I AM FREE!!!" Shadow said while running. She was released from the hospital! "WHOO!!!! GET TO GO HOME!!!" Shadow jumped on a roof, She grabbed a piece of meat from the top. She jumped. The meat hit a rail then Shadow landed on it. She ground down the rail. She came to a sharp turn. "Uh oh...." She sharply went around. "WATCH OUT!!" A frightened Iruka dove out of the way. He flared his arms. "SHADOW KINATA!!!" Shadow skidded to a stop. "SORRY MASTER IRUKA!" Shadow said while sprinting away. Iruka rubbed his head. "Yeah... Okay...." She turned around a corner, She literally ran into Lee, she skidded and almost fell, But Lee grabbed her. "Hey hey!" Lee smiled. Shadow hugged him. "HI HI!" she kissed him. Iruka stomped around the corner. "Awww," He stopped. "Wait till I tell Guy sensei!!" He skipped away. Lee sighed. "Say I love you Bushy brows!" Shadow shook her head. "No I love you Lee!" She hugged him. "I'll walk you home!" Lee grabbed Shadow's hand. Shadow smiled. "I'd love to be taken home by village hidden in the leaves own handsome devil!" Lee smiled. "GREAT!!!" Shadow laughed. Lee looked at her. "Will you go out with me? I'LL PROTECT YOU WITH MY LIFE!" Shadow hugged him. "I'd love to... Or is it me who will protect you?!" "No.. No no my dear... I will protect you!" Lee pulled her close. They walked to Shadow's... Dosu hugged her "My baby is home... YOUR HOME!!!" Dosu kissed her forehead. "Dad...." Shadow moaned. Dosu put his hand on the back of her head. "My baby my baby....." Lee smiled. "He cares..." once alone. Lee and Shadow talked... "So that's what happened?" "YEP!!" "WOW THAT'S SO COOL!!" "Thank's...." They fell asleep in the living room, Lee was holding Shadow as she slept, He had fallen asleep himself... Dosu walked by. "Ohhhh... Poor babies....." He got down and rested Lee on his right side and Shadow on his left He pulled them closer then wrapped his arms around them. "I-I..... Feel like I have a family," He kissed both of them on the head. Then he fell asleep....

"ssshhh.... Shhhh..... Shhhh... It's okay your fine..... Your having a bit of a fever spike.... Don't worry... Sshhhssshhhh... It's okay.... Sssssshhh....."

Shadow coughed. She moved her arm, A hand rubbed her's. "Your okay..." Shadow looked it was her dad, "Lee.. Watch her... I gotta get some medication...." He disappeared. Lee smiled. "How you doin?" Shadow smiled. "Fine, You?" Lee laughed. Shadow smirked, (*Henhen... Dad will be gone for a while...*) "Ummm.. Lee? Can you please?" Lee smiled. "Sure!" He reached over her, Shadow grabbed his hand, Lee looked at her. "Huh?" He climbed on the bed. "What was th-" Lee didn't finish. Shadow got to him, Lee pressed on Shadow making their kiss more deep. Lee wasn't a bit rough, Zaku was and he teased. Lee would let you kiss him if it was in front of a million people. He wouldn't dare be rough with Shadow unless she asked, "Can I please?" Lee asked. "Do whatever you want..." Was Shadow's reply. All Lee wanted though was to see if Shadow would open her mouth during the kiss, But he still wanted a little more, Dosu looked in. "I always catch them!" He shook his head and shut the door. "I ALWAYS CATCH THEM!!!"

~That night.....

Souai went to bed, Kita was spending the night as well as Shikato, He slept on the couch and Souai slept in her room. And kita in the guest bedroom, Kita whined. "Souai-chan...." he turned over, The moonlight shining on him. Akumaru slept on the foot of the bed, He raised his ear's from his master's offspring's movement's. He went back to sleep. Kita was sweating, Having a very pleasurious dream.... (Wonder what it's about... LOL) He sighed. He clawed at his pillow. Panting like a dog. He opened his eye's. "Uhhhhnnnn.... That was werid...." He got up. Everyone was asleep. He crept in to Souai's room. She was sprawled out under the cover's. Kita sat on the edge of her bed. Souai's foot hit him in the back. He yipped. He covered his mouth. She didn't move. Kita sighed. "What are you doing!?" Kita jumped. Souai was sitting up. "What are you doing?" "Well i was..." "You wanna sleep in here?" "Uhhh... Sure!..." Souai fell back asleep why Kita curled by her feet. He climbed over her half asleep. He thought he was in that dream... He had second thought's.. What if this wasent a dream? He did it anyhow. He kissed her, Souai wrapped her arm's around his neck. " *This has to be a dream....* " Kita thought. Souai was never kissed before, He was carfull not to wake her. he felt her hand brush his face. " *This isn't a dream! THIS IS REAL!? WOW!! AMAZING!!* " Lee looked in. "Uh... *I am starting to feel like Dosu....* " Shadow nudged him. "What you looking at?" She looked in. "Uhh.... Shadow went into the hall, She walked in the living room. Shikato was asleep. She nudged him. "Shikato..." He turned over. "What....?" "Get up..." "WHY!?" "Come on..." "OH FINE!" He stumbled off the couch. "Having you been drinking?" Shadow asked. "NO!" Shikato stumbled and tripped. She pulled him up. "Yes you have...." "I am sleepy..." "No excuse..." Shadow laughed. Shikato sat at the table. "Where'd everybody go?" Shikato yawned out an answer. "Store..." Shadow nodded. "Alright.. I gotta go..." Shikato nodded. "Okay..." "I have a meeting.." Shikato nodded. "Why do you have all these missions?" Shadow sighed. "I don't know..." "You a good fighter.... I think that's why..." Shadow smiled. "Thank's..." She got on her uniform and Shikato helped with her arm plate's. They protect her arm's from kuni and shuriken's and getting scraped. Shadow waved and disappeared. Shikato waved. "Bye Mr.s Kinata!" Shadow appeared at the Anbu hide out She pulled her mask over her face. Her partner ran up. "SHADOW!" He waved. She raised her hand. "HEY!" He stopped. "They have a new member!" Ever since Itachi joined we haven't gotten many new comers..." Shadow put her hand on her hip. "I know..." The nin sighed. "... It's starting!" Her friend pulled her in. They sat next to each other. Shadow sat down. Itachi walked over to her. "I might partner him up with you..." "I AM FINE WITH MINE ALREADY!" Shadow growled. "You could share shift's.. Have him one day your old partner another..." Shadow growled. "YEAH.... ALRIGHT!" Shadow said gruffly. Itachi walked past. Her nin turned. "You'd rather be paired with me?" Shadow pulled up her mask and smiled. "Yes... I like showing you the rope's!" The nin laughed and put shadow's mask down. "I like you as my teacher!" Itachi banged. All Anbu's looked. "Meet our new member... KIKO UCHIA!" Everybody clapped except Shadow and her apprentice. "Uchia?" After that Shadow went up to itachi. "Who is he?" "Our new member..." "I new that!" Shadow said testy. "I just have this weird feeling about him...." Shadow ate with her student or Anbu apprentice, After a quick meal. Shadow sighed. "Okay.. Watch..." She was on a branch. There was a rope connecting to another, She walked out on the rope. "Balance your chakra and you can do amazing things!" Her apprentice watched. Shadow walked the rope on her hand's, "See?" The apprentice nodded. She watched him. But.. She had the strangest feeling that she was being watched....

13 - Training end's...

Her partner fell off. "OH NO!" Shadow jumped and grabbed him, They landed on the ground. "Owww..." Shadow laughed. The apprentice was confused then hugged her. "YOU SAVED ME!" Shadow didn't stop laughing. "Ouch...." She stopped. "I'll show you..." Shadow pulled her apprentice's hand. They both were out on the rope, Shadow looked. Even though his mask, She could tell he was nervous. "Don't be nervous... How old?" The nin answered. "14...." Shadow nodded. "Alright... Come on...." She gently pulled him. "The art is to balance... Pretend your not on a rope but on a path... You must walk in a straight line!" The nin nodded okay. Shadow slowly walked backward, He took in a deep breathe and walked. Shadow stood on the branch. "Put out your arm's if needed..." The nin put out one arm. He made it, "SEE! YOU DID IT!" The next exercise was walking a tiny steel cable. Shadow did it with ease... Her student stumbled a few time's, He almost fell. "Shhh... Your walking on the path!" The nin closed his eye's, "O-okay...." He jumped on the branch. "I DID IT!" Shadow laughed. "YES YOU DID!" She went home. She was greeted with Love from Lee. Dosu laughed. "A STEEL CABLE!?" Shadow nodded. "WOW A STEEL CABLE!" Dosu laughed on, Souai laughed. "YEAH!" Lee and Shadow spent the rest of the night together. Interruption free... Lee hooked a necklace. "There you go... I fixed it..." It was her purple sound charm, "Thank's!" She kissed him. "Your welcome!" Shadow looked at it, The note was still the same it never lost it's glow.... Lee looked at it. He snapped something, She looked, Lee had on a Leaf charm. "You have one?" Lee sat down. "Guy sensi..." "My dad.." Lee looked at her's. "Wanna trade?" "DON'T COUNT ON IT!" They both laughed. Lee suggested his head on shadow's shoulder. She looked. "You tired?" Lee looked up, "Kinda...." Shadow fiddled with her charm. She yipped. She turned around. Lee was laying on the bed, He spanked her. "What?!" Lee snickered. "You pervert..." She leaned against the wall. Lee sat up. "Your not gonna get me?" "no...." Lee got up and pinned her against the wall. "What's wrong?" "I am upset... I am useless... a female's job is to make her mate happy... You wanted a kid.. I couldnt deliver...." Lee frowned. "I am over that..." Shadow looked down. "Okay... I just feel horrible..." she hugged him and cried.

Normally he was the dominate one... But not tonight! Shadow rolled and pinned him down. She whispered. "Tonight your world is going to be a DARK black," Lee smiled. "I like it when you turn it black..." Lee moved his hand's to Shadow's belt. She grabbed his hand. "No no..." "She took off his shirt, "I wanna do it..." Lee whined. "Please?"
