"Zaku?"Shadow slowly opened her heavy eye's."Zaku...."She tried to lift her head.It also felt heavy.She managed to sit up.She was in a bed made of straw."What in the..."She focused to the corner of the room.Zaku laid on th ground in a tightly wound ball.His breathe was shallow and in gasp's as if he was trying to breathe but he couldn't."Zaku!"Shadow clawed herself up."Zaku..."She looked in one of his ear's."His eardrum is...Lookin really bad..."She looked in his other."The other one is fine..."She got up."Where am i for starter's?"She opened a door that was in the room."Hello?"A voice asked from down the hall.Shadow remained quiet.Everything was silent exept for Zaku's sigh's of grief.She Whispered."Oh boy..."She heard Footstep's coming down the hall.She shut the door and crawled next to Zaku not leaving the floor.The door slowly opened."Kinata?Abumi?"It was a Girl...She spotted them."Oh!"She bent down."Hokage of Sound welcome to waterfall village"

## 2 - Ch 2:Were back and Zaku's ear

"Your husband is coming to pick you up..."Zaku shook his head."Oh man!"You lay down,"No!"Shadow held him down."Stop yelling you want your eardrum to burst?Then you'll be deaf in one ear...."No ma'am..."Zaku sighed."Good..."She let go.Shadow turned her attention to the girl who came in."How'd we get here?"The Girl smiled."We saw the people from leave's carrying you guys...We figured you were from Sound...because you were at the meeting about the war,And because he had Zakurahan...That's a sound weapon..."What happened to our headband's?"They threw them away...Trying to hide you guys from other nin's...Trust us we searched for your headband's,They were no where to be found..."Shadow got up."Oh...So this is your village?"Yes..."She bent down."Come on Zaku..."He tried to get up."Your still off balance...Those guys will pay..."She put his arm around her neck and helped him up."i'll get them..."She looked at the girl."Can you help him?Or just get me some medical tool's and i'll fix him up."Uh...Yes sure!"She led them to a room."All the tool's needed are here..I'll stay to help you out."Shadow smiled."Oh okay!"She bowed."To see you work is an honor!"Shadow blushed."Gee...Thank's!"My name is Sarah!"Zaku looked up."Sarah?That remind's me of something...Someone actually..."You,shhh..."She layed Zaku down."Okay better wash your hand's...."

"Okay Zaku...This may hurt...."That mean's it will...."Zaku sighed."Don't act smart..or i may cut your ear off!"Sarah laughed."anything i can do?"Shadow looked at Zaku's ear."You could get me a blanket so he won't go into shock."Pain is my middle name!"Zaku smiled.Shadow shook her head."Zaku "Pain" Abumi...That's nice!I like!"Shadow said."Your last name could have been abumi..."Shadow looked at him.She smiled."Zaku you didn't win...Your like a little brother to me some time's..."Really?Truly i would be your older brother..."Zaku said smiling."Oh...That's right..."OW!"Iam sorry!"Can you feel this in your ear?"She blew into it."Kinda..."Zaku replied."Good it's repairing...I'll have to put it back so it'll heal better..."OW!"IAM SORRY!"Zaku laughed."I was kidding!Haha!"She hit his chest."Ow!That really hurt!!"Good!You jerk!"Zaku winched."Your hurting me...OW!"Uh oh..."Here i need you to bite down..This is going to hurt..."Bite down on what?"Shadow put her hand in his miouth."I only need one hand..Bite when it hurt's..."I don't wanna bite you hand!"DO IT!"She messed with his ear."Ow!"I said bite me...If you say ow one more time...This will not work and you'll mess me up!"Sorry..."Just do what i say..."She looked at him.She turned her head."Ugh..."He bite her hand."good good..."She worked."I have to pull this over here..."

Shadow bandaged her hand."you did great Zaku!"His whole ear was bandaged over."Really good!"I did?"Uh huh!!"Sarah looked at her."Your husband is here!"Shadow smiled."He is!?"Yep!"Shadow ran out."Lee-san!"She hugged him."Oh your safe!You shouldn't have went on patrol i should have went with you guys!"It's Okay Zaku was a great body garud!"Shadow smiled."I am just glad your safe!Both of you!"He kissed her head."Oh thank you!Thank god!"Lee! "So your a single parent?" Dosu shook his head. "Yes i am!" He said happily. "Oh!" He was at a market and ran into a girl. "Any children?" Dosu smiled. "One! And my son in law!" Oh you must be so happy!" Dosu shook his head. "Oh yes! There anniversary is just in time for the festival coming up!" She smiled. "How long have they been married?" Dosu counted. "They had adopted Souai when they were 20 and 21...I'd say almost ten year's!" He itched the back of his head. "Wow! I wished me and my husband stayed together that long..." Dosu looked at her. "What happened to him?" He... "She lowered her head. "He beat me..." Dosu covered his mouth. "Oh! You poor thing!" Dosu said shocked. "It's okay..At least he's gone though right?" Oh yes! Trust me..I'll make sure personally he'll never get you again!" She looked at him. He was maybe four or five in's taller. "oh thank you by the way..My name is Chii!" Dosu smiled. "Nice to meet you Chii, We in sound have to look after eachother!" Oh Yes! so proclaimed by the hokage, "Dosu put his hand on his hip. "My daughter is hokage!" OH! What a great honor to meet the man who brought her into this world!" Chii shook Dosu's hand. "Thank you!" No thank you! We have no more trouble's with our negibor's since your daughter became Hokage!" Dosu itched his head. "She is a good hokage, But she can be stubborn someday's... That's a really bad disadvantage!" He laughed. Chii smiled. "Okay see you around..." She walked around him. Her hand brushed against his face "Bye sweetie!" Uh...uh..." Dosu turned red. He grabbed his basket and walked on. It's a virtue that nobody could see his face,

Dosu stopped in front of a shelf. "What in the world?" He pickd it up. "Is this a veggie or a weed?" It was long and brown looking more like a dead palm leaf than something to eat. "Yuck!" He put it back. "Pffftt... This stupid store!" He swung his basket. "Sushi?" Dosu smiled. "I used to like sushi..." He went to a different asile. "Hmm..." He put his finger to his lip. "I really hate making dinner... But Shadow's been working so hard..." He rolled his eye's. "I used to make dinner for her Zaku and kin... But i have no clue of what to make!" He shrugged. "Oh well..." He looked at the shelf. "Hey! Lee and shadow would love this!" He tossed a glass jar into his basket. He picked up what he needed and walked out. He carried a paper bag. "Oi! Dosu am i right!?" He stopped. Chii was behind him. "Dosu?" He turned around. "Yes Chii?" Well i was wondering that maybe we could sometime go to get something like ramen..." Dosu smiled. "That's fine!" He walked off. "Saturday!" Chii yelled after him. "Got'ca!" He waved his hand. "Oh..He's so sweet..." Dosu walked faster. "sombody is following me..." He secretly pulled a kuni out of his holster. "But who is it?" He stopped. "keiki genki!" He listened. "I have you!" He threw it and it hit a tree. "DOSU!?! What the hell!?" Zaku was in front of the tree. The kuni Right next to his head. "Oh..." Dosu itched his head. "Iam sorry Zaku..." LIKE HECK! YOU TRYED TO SKIN MY HEAD OFF! "Zaku got off the tree. "What's up?" Dosu asked. "Only you trying to kill me!" Dosu rolled his eye's. "I said sorry..." Zaku shrugged. "Where you going?" Home.. "What's with the bag?" Dosu sighed. "I WAS fixing dinner for Shadow and the family..." Oh! "Zaku smiled. "Why?" Dosu coughed. "It's been a week and Shadow and Lee were having talk's of a baby... There trying really hard... So figured..." Dosu paused. "Shadow basically work's being Hokage to.. So why shouldn't i fix dinner? Shadow is always so tired..."

Zaku shrugged. "Probally work's really hard to get a baby!" Dosu hit his head. "You little jerk!" Iam sorry..." You better be! I rember you!" He looked at him. "oh what was it.. And i quote... *ME and SHADOW will have TWO Children WE'LL move to Sound and WE can have THEM there!* Quote un quote..." Zaku growled. "your difficult!" Iam glad to be..." dosu said dissappering. "Hey!" Zaku Yelled. Dosu appered in front of the house. "Gee..Zaku... You idiot..." He shut the door as he entered. "Hey! Dad!" Dosu turned. "Yes

I didn't burn myself!"Dosu smiled and felt satisfied."Haha!"Souai walked in."Hey grandpa!"Dosu muttered looking for how long it should stay in the oven."Thirty minute's!?"Souai smile."Wanna listen?The band down the street made there first cd!"Dosu leaned on the conter."Yea sure!"Souai turned on her boom box."It's called Dance dance!The band was thinking of a name!"Dosu smiled."Nice song!"Souai smiled."Hey grandpa!Zaku was talking to me!He can play guitar and he said you could sing!Wanna start a band!?"Dosu rolled his eye's,Stupid Zaku he could sing but that was SO long ago,Zaku could play guitar but not the bestly he was suppose to after five year's of practice!Zaku had to spill the thing's from the past..."Unn...Iam not good anymore...Nethier is Zaku!"Souai smiled."Will you sing if i hug you?"Dosu shook his head "don't count on it."Dosu mumbled."Come on grandpa!"Dosu shook his head."After dinner..You can get zaku to play then to,"Souai laughed."YES!"

"Revenge..Is it that sweet?"Or is it that sweet surum that make's us live?"

"Hahha!"Shadow smiled.She was walking the wall in the courtyard."*i'll get him...*"Shadow stopped."Ha...It's not the same..." *Shadow!Get down you'll hurt yourself!*"Shadow walked the lining's of a house twenty feet up. "*I won't Hitake!*"Kiko yelled at her. "*Yes you will!*"WRONG!"Shadow laughed."It was fun to tease him it was like i would alway's get hurt but i didn't!"Shadow sat down."Ughh...I wish to kill that man though!"Shadow pulled her knee's to her face."Why did he hurt him...so much...there was so much blood...His mother crying hysterically...It's just not fair..."Shadow looked down at her stomach."Not fair..."Shadow got up."That's it!"She smiled and shook a fist."I'll hunt him down!That man will pay!"Shadow smiled."NO TIME TO WASTE!"Shadow ran inside."Here we go!"She slung a backpack."Oh where are you going mr.s Kinata?"Zaku asked.He was basically her secretary."MISSION!"She ran outside."BE BACK LATER!"Zaku dropped the paper's he was holding."...Thing's really don't change around here!"He scooped them up."Being a secretary....Is so a woman's job..But alas...I get a free home!"Shadow hopped on the same wall she was walking on eariler."OKAY!!I'll HAVE to use Dad's gekki genki!"She closed her eye's.Her family gekiki genki was the inhancment of Smell,Taste,and hearing."His scent was oddly unuasal,Not the kind of scent that ninja's have...But different,"Shadow opened her eye's Sharigan's in place."Black op's Leader..."She stood up."Here i come!"She jumped into a tree."His sent still linger's!"

A man stood in a road..."His scent..It's him?"Shadow snickered."Moonlight Sharigan!"She snapped her hand's together.The man's body fell to the ground.Shadow's head dropped.This man this man named Shade was now playing Shadow's game."What?Where am i?"Shade looked around.The area was black,He looked down.The ground was water,Showing a dark reflection,It was smooth like glass unable to feel the water's cool edge.The dark water rippled."Are you ready to play with me?"Shade turned around.Shadow put her hand on her hip."Well?Are you?"Shade looked at her."Where are we?"He looked her up and down."Your cute..."He smiled.Shadow put her hand's together."Stop staring at me...Cause your in a nightmare!"Shadow dissappered."Wha?Nightmare!?"He stumbled around."Yes..And here you'll stay till my chakara run's low,Welcome to my little game!"He stumbled back."What now?"What jutsu is this?"My own special jutsu..."Line's wrapped around shade's body."Only used twice!"Shadow appered infront of him."Only used on Uchiha Itachi and you..."A handle trailed from Shadow's hand to the ground."You 'member this?"Shadow trailed the handle up."Yea...That kid had it..Kiko hitake?"Shadow looked down."Yes..and you killed him..."So what?"She pulled it up."you never kill an allie of Sound village!"He was your allie?"Shade smirked.

"Yes..He was a member of my clan to me...Along with other's i considered my own blood..."How sweet!"SHUT UP!"Shadow got mad."You won't live to see my last move!Shadow put down her hand."You want to die?!"Shade snickered."Come on girlie!I have not a thing to live for!"Shadow looked down."I should make you suffer...But that will ruin my plan's to rip your heart out and put it to a bodie who need's it!"she smiled. "Okay then..."She looked at the sword."I'll finsh you with a combo...Mine and his...my move his sword..."Shadow sighed."Okay dude..."She lifted the heavy sword."Call of the reaper!"The sword's blade turned dark red."Inu tori u mi saru..."She repeated sign's."What is that?"Shade asked."Let me help you..."Shadow was relaxed."Okay...I do it like this?"Yes i knew you'd be

a good master for it..."Shadow thought."Thank you...You'll be back here in no time!"Take your time Shadow,"Shadow smiled."You still the same..."She swung up the chakra.In a flash of dark shadow's it was over.Or She thought it was.Shadow watched blood run down her hand's."oh..."She clenched her fist's.She looked at her reflection.Sombody grabbed her hair."Hey..Iam not dead yet!"Shadow sunk down."Your giving up?"Shadow put her hand's on the smooth glassy ground."No..."Oh okay then..."He stepped on her hand and made it bleed."Thank's alot..."Your welcome cutie,"Shadow had an idea.She cut her other hand on the sword blade that was next to her."I'll take this..."

Shade picked it up."I don't need it..."Shadow rubbed her hand's together."What are you doing you little witch?"He yanked her up."I seriously like you and don't want to hurt you..."Shadow snickered."What!?"He pushed her against him."What?"Shadow looked at her hand's."Your blood is on my hand's as well as on my hair now...My blood is on your pant's from stepping on my hand so hard.If you look right you'll notice somthing..."He looked around."What?"Your still playing..."Shadow turned around."And.."She smiled."I just distracted you...You don't see your own blood running down your shirt..."He looked down."How,??!?"Shadow hand was though his stomach."Your blood is on my hand's i used your blood as a guided entry way....My blood as the inner killer...Do you not see me rub my hand's together?I contaminated my blood by cutting my hand on the blade of that sword...I used the poison from my attack on you,Using my own planning..."She ripped out her hand."Call of the reper is the poison of death.Nobody can escape it,Except for the master who summon's it...It cannot be copied,"She smiled."You'll die in five second's!"She stepped back and waved."Bye-bye!"He fell on his back his skin was pale.He was dead!Shadow looked up from her spot in the tree,She hopped down and picked up the body."Mission complete!"She smiled.

Shadow carried the body back,"Hahha!"she laughed."What the heck?"Shadow threw the body on the ground.She got down."Please Hitake's..."She bowed her head."Acept his body..."Masuki covered her mouth."Kakashi..."Kakashi looked at the body."You went and got the killer?"Shadow kept her head down."Yes sir...I belive for your son's murder he had to be caught!I couldn't bare thinking that he was still on the street's..."Kakashi checked his pulse."She killed him...He's way past dead..."Masuki got down."Thank you Shadow,"She hugged the brown haired shadow."This mean's alot to us..."Yes ma'am,"Masuki looked at Kakashi."Kakashi can we bring him back with that boy's body?"Kakashi examined the body."I don't know...We might..."Masuki hugged her tighter."shadow if we bring him back we'll be in your debt so much!"Shadow smiled."You guy's being here is way enough for me..."Kakashi hugged her."You brought us back now your saving our boy..."The two hitake's sat on the floor hugging there Kinata.Kakashi looked at Shadow."You must know..Kiko ha the Largest crush on you...He never did admit it though..."Shadow laughed."At last maybe they would bring him back!"

Shadow Waked along the slim wall of the courtyard, This day was beautiful, crisp and clean. Shadow pretended to fall over, Shadow may have grew up but she was still as childish as ever. "GOT YOU!" Lee grabbed her around the waist, He lifted her off the wall. Shadow giggled. "Lee-san!" She put her hand's over his, Lee sat her down on the stone wall. He smiled and felt her black pant's. "Shadow-Hyme!" He gave her a quick kiss. "Yea!" Shadow said; Blue eye's staring at him. "The resurrection..." Lee said inbetween a kiss. "What about it?" Shadow was cut off by a kiss. "It's today.... "You kiddin me?! That thing itche's!" Kakashi let go of her shoulder's gently. "okay," He laughed rolling his eye's. Shadow smiled. "YEA YEA!" She did a front flip into the room. "Same hyper-active Girl from the Chunin-Exam's!" Kakashi said laughing. "Kakashi-kun..." "Comin..." Kakashi looked at Shadow who was sitting on the floor. "Why would i call you Kakashi-kun?! I am happily married!" Kakashi rolled his eye's. A body hugged him. "I am so happy..." He felt the light body, The same dress from Kakashi wedding. "Me to," Kakashi replied softly. "Hokage.. Will you do the honor?" Shadow smiled. "Yes sir!" Lee sat next to her though his help wouldn't be really needed. Shadow closed her eye's. Kakashi whispered a silent prayer; looking at the covered up body in front of them. Kakashi looked at Shadow. "The fearless friend the leader and warrior of friendship," Shadow bit her thumb making it bleed, "Yes sir," Shadow put her hand under the blanket and put her blood on his neck area. Kakashi silently nodded. Shadow whimpered. Kakashi, Masuki and Lee looked at her. "What?" "OOOOOOOOOOOOOWWWWWWWWWW!" Kakashi broke out laughing. "You've been stabbed cut and you bite your thumb and scream?!" Masuki laughed. "Shadow you really know how to change the mood of thing's..." Shadow sucked on her left thumb. "But it hurt..." Shadow steadied his hand. "It's wonderful just watch..." Shadow was childish but she knew when to be serious about something's, Masuki sighed, taking her hand and placing it on the covered forehead, "I love you... We'll bring you back baby..." Kakashi gently took Masuki's hand's away and held them. "We'll bring him back..." Kakashi was final to go. "Shadow... I need your help..." Shadow looked up. "Yes?" Kakashi looked at her hand's. "I know.... Lee please leave..." Lee got up shut the door as he left... "Shadow you know what to do..." Shadow nodded. "Did you?" Kakashi nodded. "It's already for you Shadow... We can't do it..." Shadow smiled. "It's okay... i know," Masuki took a deep breath and uncovered her child. "He look's like he's sleeping..." Masuki said closing those light blue eye's. Kakashi put his arm's around her. "Shadow will do it, Don't worry have faith..." Masuki shook her head. "I do Kakashi my whole heart is in believing this,"

Shadow gently pulled down Kiko's mask. "I am sorry for what happened to you..." Kakashi made a scroll and placed it down. "For reference..." Shadow smiled. "I don't need refrence!" Shadow took a breathe. "*Here i go...*" Shadow took in a deep breathe. She lowered her head. "I am sorry i know you said for me to never kiss you again..." Shadow put her lip's to his. Shadow put her hand up his shirt to his chest. Shadow's hand turned purple with a glow. "Save him Shadow..." Shadow closed her eye's. "*Wake me up... please save me...*" Shadow took off her hand, Shadow put her hand on Kiko's hand witch was icy

cold." *open your eye's...* "Shadow took a quick breathe.Shadow had one finger out of her sleve,Kiko's finger wrapped around her's." *That's right...Bet you can really feel me,My soul is way open while i do this....* "Shadow opened her eye's." *My soul is to open...* "She straddled over him.A hand wrapped around her wrist."Rest,now..."She looked over at Kakashi who was holding a very nervous mother who fainted.She whispered in his ear."You need to rest..no sudden movement's now mr.Muscle,"Kiko's head rolled to one side."Sh....Sh....Sha..."Shadow brushed hair out of his eye's,"Shhh..."She felt his cheek."shhhh....Okay?"She whispered,Shadow sat back still not touching Kiko's body."Sh..Sha...Shad..."Shadow smiled."shhh..."She felt his hair."No talking..."Kiko's head rolled over."No...talkin..."He mumbled.Shadow smiled."The first thing you said was my name..."She got off him,Kakashi looked at his son's body."kiko?"He heard a mumble."He's really tired..."Shadow smiled."Thank you..So much..i know that was alot to ask from you..."Lee looked in.He sat next to Shadow."He's awake?""yea..."Shadow fell into Lee's arm's."Chakra draining..."Lee smiled and whisperd in her ear."Awsome job!"Shadow mumbled."Thank's...."

They put Kiko in a guest room,There he slept.Lee carried Shadow to there room.He placed her down gently under the blanket's."Good job..."Shadow turned her head,"Thank you!"Lee smiled and gave her a kiss before going outside to tell Dosu,How it went.Shadow's musle's ached from the exange of life.How Ochimaru did it and how he carried her was way beyond her comprehinsion.Shadow forced herself up."Darnit..."She forced herself out of bed and down the hall.She looked in on her guest,Kakashi sat on a side of the bed.Masuki on the other side.She pulled up his mask.Kakashi said somthing,Masuki giggled.Shadow supported herself by holding onto the door frame."this just make's me proud to do my job..."Shadow smiled as she said it.She walked off.Shadow rubbed her shoulder as she walked down the hall."Gee,"Zaku looked out of his office."Oh Shadow,You up already?"Shadow nodded."Yeah...Hate bedrest..."Zaku nodded."Okay,You sure your alright?"Shadow nodded of course iam fine Zaku!"She walked into her dad's room,Dosu was sitting in the window looking out into town.One of his leg's were dangling out of the window,The other was tightly against his chest."Dad..."Shadow sat next to him."Hey,"Dosu smiled.Shadow raised her hand in return,Dosu put his leg in the window,"Come here...."Shadow got up."Yeah?"Dosu put her on his lap."Who say's that a man can't hold his twenty three year old daughter!?"Shadow laughed."Nobody daddy...."She put her head on his chest.She fell asleep.She was put back to bed.There she slept in still silence.Wonderous dream's filled the air...Okay maybe a dirty dream or two but what do you expect?Shadow's deep dream's smuggled with a thick muggy air.It was hard to breathe,

## 6 - Ch 6:let there be sake!

Shadow dug her fingernail's deep into the flesh of her arm. "He left...He could get seriously hurt..."Shadow's bang's hung in her face. "I'll bring him back..."She got up. Pain ebbing away at her leg's. "Defying what i feel..."She slid on her Anbu uniform. She slowly stretched out her Leg's and arm's. Shadow went out the front door. "SHADOW!" She turned around. "Yes?" Lee hugged. "Becarfull..there are pepole out there..."Shadow nodded. "It seemed as if she was going into war again...Thinking that that minute was the last time she'd say goodbye. Shadow smiled. "Don't worry..."Shadow headed off. She looked at the sky. It was starting to get dark. The sky was red as if it knew what Shadow was thinking. Reflecting from Shadow's eye's, Her eye's looked purple. "I will find him...."Shadow dashed off. She jumped into a tree. "He's around here..."Shadow jumped and grabbed onto another branch. She took in a deep breath. Jumping to another branch was harder. Cramp's came to Shadow's leg's, Then puslated to her arm's. Shadow still jumped, But at a slower pace. "ugh..."Shadow shook her arm in dissmay. "This suck's...I have no exact pin-point to where he is!" Shadow looked up. "Unless..I think i slept enough..."Shadow put her hand's into the sign for ram, "Kekki Genkiki!" Shadow was still. Her ear's twitched. She heard a bird about a mile east...No human heartbeat's. No smell's nothing to indicate where hitake was...Shadow reached into her pocket. She pulled out some material, "I knew he would run away..."She inhaled the scent. "Okay...I know how you smell Hitake...Much eaiser to find you now..."Shadow coughed. she remain silent. "His scent is fadng...I can only smell some of his and mine..."Shadow looked to the sky. She jerked her head. "I know where he is!" She hopped on a branch. "Thank you Kinata bloodline of inhanced smell, taste and hearing!!"

Shadow stopped at a spring. "Oh man..."She felt the water. "Maybe it'll...Help my leg's?" Shadow slid in clothe's and all. The water was warm and clean. "Oh..."Shadow's leg's started to relax. "Oh boy...."Shadow looked down. "I have to find him," A small rustle was heard. "AH!" Shadow threw a kuni into a bush. She heard it hit a tree. A squrirel ran out into the opening behind her. "Oh.."Shadow sighed. "You scared me little guy!" The squrirel ran over and rubbed against her hand. "Oh you cutie!" Shadow picked it up and craddled it. "Oh..."Shadow smiled. "Your only a baby..."The rustle was heard again. Shadow didn't do anything even though she heard it. She didn't check the smell or even listen for a heart beat...She sat and held that baby squrirel close to her heart. Shadow pulled herself out and let the squrirel run free. "bye!" Shadow smiled and waved as the squrirel ran. Shadow got up. "WOW! I can move!" Shadow did a handstand. "WOW!" She landed on her knee's. "Iam so ready to find him!" Shadow jumped into a tree. "yea!" She swung on a branch. "Haha!" She smiled. Shadow looked at a tree. Shadow found a quiet place to sit. "gee....iam thirsty...."She plopped down. "OW!" She felt under her. She held a brown glass bottle. "There's somthing in it..."Shadow not caring took a drink. "...MMMM! Taste's so good!" Shadow drank it all. "Woah!" Shadow got up. "I feel..."She stumbled. "HAHA!" She laughed. "HAHA!" She stumbled onward. "HAHA!" Shadow pointed a finger to a bush. "COME OUT!" Kiko raised himself from the bush in the clearing. "Shadow?" She stumbled to the left and lost balance. "I wanna fight!" She put a "L" Sign to her forehead. "HAHA!" Kiko looked at her with a strange look. "What's wrong?" Shadow stumbled and almost fell over. "I wanna fight!" She grinned. "Uh..."Kiko stepped back. "Awww come on Scary!" Shadow's knee's bent inward. Kiko stared at her. "Don't stare at pepole like that!" Shadow ran for him. She got down and did kahona whirlwind. Kiko jumped back. "What is wrong with you!?" Shadow kept trying to hit him.

"Haha...Gai-Sensei....I..I...."Shadow fell on the ground. "What on earth!?" Kiko walked over to her. Shadow

got up and grabbed his hand."Haha!You fell for it!"She kicked him in the stomach."That is called Ninjutsu!"Shadow waved her arm's."HAHA!"Kiko sat up."What is wrong with you?"Shadow laughed."You really think i'd fall asleep here!?"Shadow turned her head."Where is...Where is here?"Kiko looked at her fumbling around like a rag doll with string's."Is she..Drunk?"Shadow fell down and crossed her leg's."Well..I...What am i doing?"She itched her head."What am i doing here?!"She pouted."I don't know why i am here!"She hit the ground with a fist.Kiko got down across from her."shad..."She looked at him."What do YOU want!?"Kiko grimaced."Is she really?"Shadow turned around."You had no right!"Shadow pouted.Kiko saw a bottle."SAKE?!SHADOW!"He turned to say something and Shadow was on her back asleep.Kiko did the "Wtf" Look.Shadow was spawled out asleep.Kiko rolled his eye's."There's bandit's out here!"He grabbed Shadow and tryed to pull her up."GET AWAY!"Shadow elbowed him in the stomach."..Hic...Your scaring me..hic..."Shadow hiccupped as she spoke.Shadow jumped back."Hic..Leave me..alone..Hic...."Kiko inced toward's her."Shadow calm down!"Shadow did a handstand and fell on her face,"Hic...that..hurt...Hic...It's all your fault!"Shadow went to attack him."Woah!"Kiko stepped back."You dirty little drunk!"Shadow fumbled backward's,"I never have seen a drunken fist fighter..."Shadow did a funny little smile."Cause iam TOO cool for YOU!"She did a thumb's up."You wish..."Shadow crossed her arm's."Fine then...Be that way!But when i beat you up Shadow Kinata style..hic..don't cry about it!"Kiko started at her.Shadow broke out laughing."HAHA!"Kiko looked at her feet."Funny little drunk at that..."He held back a laugh.Shadow switch back mood's."Hey!Don't laugh at me!"She pointed.She stumbled backward's doing freaky dance type move's.Kiko looked at the bottle knowing that Shadow wasent much of a threat,Or was she?"All this from a shot..."

Shadow smiled."Uh huh!"Kiko looked up at her."Best to keep her in my sight..."Shadow stumbled over to a tree."OCHIMARU!"She pointed to the tree."YOUR EVIL IS OVER!"Shadow kicked at the tree.It cracked.Then it started to fall."WOAH!"Kiko knocked Shadow out of the way along with himself."Are you that strong?!"Shadow smiled."Yes!I accept the award on basis of the academy witch i learned my basic tatic's!"Kiko sighed."Guess that's a yes..."He pulled Shadow up."Becarfull okay?!"Shadow crossed her arm's."IAM KIKO HITAKE WATCH!"She coughed."Iam am the strongest nin in the village!"She picked up a stick."I will kill who ever get's in my way!"She pulled the stick back and got ready to hit.Shadow picked up a rock and threw it up.She hit it with the stick."HAHA!! will do THAT to my enmie's head's!"The rock flew and hit a tree."HAHA!"She pointed."Tree got hit!Tree go boom!"Kiko sighed."Are you making fun of me?"Shadow fell on the ground and crossed her leg's."AM i making fun of you?"She itched her head."Or AM i?"Kiki looked at her."ARE you!?"Shadow laughed."I don't know!Don't ask such hard qustion's!"There was a rustle."GAI-SENSEI!"She ran into the brush."HEY DON'T GO ALONE!"Kiko yelled."AH!"Shadow ran out."There's a mean person in the bush!"Kiko looked at her.Shadow was behind him."A mean person?"Shadow pointed to the bush."YES!A MEAN PERSON!"Kiko looked in the brush as a person jumped out."AHH!THE MEAN PERSON!"

## 7 - Ch 7:Trust me i'll set you free

Kiko sat in bed the night he brought Shadow back to her house after that little drunken accident...He layed there his eye's trailing to the window...He closed his eye's.Shadow in her room closed her eye's."Moonlight Sharigan..."She slipped into sleep.In both there head's...Shadow's game started.Kiko looked around."Where am i?"He looked up to see Shadow sitting on a small glass step high above him.The rest pure darkness."Shadow!What happened?!"Shadow looked at him and smiled.She turned her head and looked into darkness.A crescent moon appered behind her."shadow...?"She looked at him."hehehe..."Huh??"He blushed.She jumped off."Hi Hitake..."Kiko walked to her."Where are we?"I had to talk to you in private..."Private??"Yes...I don't want my husband to hear..."Kiko looked around."What?"Shadow told him to come closer.H did so,Trustig Shadow.He was nose to nose with her."What don't you want him to hear?"Shadow tilted her head and put a kiss on his lip's mask and all."Uh...What?"He blushed.She pulled down the mask this time.Once again another warm deep kiss."Shadow what's this about?"I want us both to live happy live's..."Kiko closed his eye's."And for me to do that...You need to wake up...Everything's all better..."She put one last kiss on his lip's."It's all real..."What's real?"Wake up...Just do it...I know everything i've done...I tryed to make you happy okay?"What?"You won't rember this...."Kiko shook his head."What will be better?"Shadow put her hand on his cheek."See ya in the morining..."She winked.Then dissappered.Kiko fell back and fell into a deep sleep.

"Wake up sleepy head..."Kiko was in a bed his face buried into a blue pilow."You heard me...Come on now,Your just like your father..."Somthing brushed his hair."Dad?"Kiko muffled out."Yes!your just like him...Up up up!"Sombody patted his back."What?"Kiko muffled."Shadow will be here..."Kiko raised his head."Hmmm?"It was his mom.Kiko got up.Masuki bushed."Get dressed,Your just as strong looking as your father i'am supriised Shadow hasent gone mad and tryed to rip off your shirt!"Kiko went to the bathroom.He looked into the bathroom."WOAH!am fifteen!"Masuki laughed."Did you think you were forty or somthin?I'am not even that old yet!"Kiko looked out."Mom..."Masuki laughed."I'am only thirty-eight guniess!"Masuki laughed.Kiko touched the mirror."This is real...Shadow...She fixed up my past we're starting over?"He took a shower and got dressed.A faint smell reminded him of childhood memorie's.It was this special shampoo his mom used,It smelled so good."Kiko-kun!"Kiko went downstair's."Yes mom?"Masuki laughed."Kiko-kun...That sound's so good!Hey...did you use your dad's shampoo?"No..."Kiko replied."Good..."She turned around."It made my hair stand up like a building!"Kiko laughed.Maybe this is a good thing...Ding-Dong the doorbell rang."Can you get that hun?"Kiko walked to the door and opened it."Hi Kiko!"It was Shadow wearing her old black sweater and pant's with the silver cover-up.She kissed his cheek and slid past him."Hey mrs Hitake!"Oi Shadow call me by my name..."Sorry..."Kiko blushed and closed the door."Will you join us?"If it's not to much trouble..."No Shadow your never to much trouble...Sit down guy's..."She sat down the plate's."Where is your father!?"Masuki leaned over the kitchen counter and looked out the window."KAKASHI!"She came back in and looked at the kid's."I swear that man h-"Hey!"Masuki jumped."Kakashi!"He was hanging from the roof."You weird man get inside!"Kakashi hopped on the window seal and climbed in."Hey I love you to!"Kakashi kissed his mask still on."I love you as well but don't scare me like that!"Sorry..."For that he gave her a extra kiss.

They finished eating and Shadow and Kiko were walking the town, "How's um...Dosu?" shadow looked at him. "Daddy? He's good..." "Oh really?" Shadow smiled. "ask him yourself..." Kiko looked ahead to see Dosu outside of a bookstore reading a book while leaning on a wall. "Hi daddy!" Dosu closed the book. "Oh hey Shadow-chan!" He turned to Kiko. "Yo...Mr Hitake!" Dosu said with a smile. "Hi Mr. Kinuta..." Dosu coughed. "Where you guy's headed?" "We're just taking a walk..." Dosu smiled. "You guy's have fun then!" Kiko waved. "Enjoy your book mr. Kinuta!" Dosu waved after him. "OH! i will!" They walked to the park. "So?" Kiko looked over but Shadow was singing. "ayi ayi ayi ayi...Where's my samuri? I've been searching all across japan for my samuri..." Kiko smiled. "Some one who is strong but still a little shy... Yes i need my Samuri!" Kiko smiled. He liked Shadow's singing. "Ayi ayi i am your little butterfly, Green black and blue make the color's in the sky.... I've been searching for a man, One who won't regret to keep me in his net..." Kiko smiled once more as Shadow finished. "Good song..." "Thank's..." Shadow blushed. "i really like it you know..." Shadow was quiet. "First to the tree win's!" Shadow dashed off. Kiko dashed after her. Shadow's hand touched the tree. "haahaha!" Kiko grabbed her. "You win..." "Yes i do..." They started walking back. They stopped. "Hey Kiko! Come here..." She went down the alley it was tiny the middle between the ramen shop and a apartment. "What?" Kiko stood against the wall of the ramen shop. She blushed and reached up and added a tiny pull on the end of his mask. "You want to see my face?" Shadow nodded Kiko opened his leg's so Shadow could stand right in front of him, He smiled, "Well?" "I am nervous..." Kiko picked her up. She put her leg's around his waist. Obvious that Shadow wasn't tall enough to grab the top of his mask. Shadow's hand's shook. Kiko felt warm. "Kiko..." "Hmmm?" "I don't think i am ready for this..." Kiko smiled and nuzzled her neck. "We've been dating for five week's and i..." Kiko knew. They never kissed because Shadow liked her relationship's slow and old fashioned.

Shadow let him nuzzle her for a second time. she reached up and put her hand on his cheek, "Go ahead Shadow..." He put her down. "I'll help you..." Kiko put his hand over her's and gently started to pull down. Shadow didn't look she dug her head in Kiko's jounin jacket. The mask went around Kiko's neck. "You can look..." Shadow was nervous and didn't look up. Kiko put his hand under Shadow's chin and gently pulled her head up. Eye's still closed. Kiko chuckled seeing how cute Shadow looked when she's nervous. Kiko bent down and gave her a kiss. "mmm..Kiko-kun..." Kiko re-picked her up and put her against the wall and gently kissed her on the neck. "mmm..." He pulled up the mask and rested his head on her chest. "Ohhh... You so handsome..." Kiko blushed. He put her down. Shadow smiled. Kiko laced his finger's with her's...

This new start isn't so bad is it?

## 8 - Ch 8: You can't tell anyone~

Shadow ran down the streets of Kahona village, it was happy and abuzz with people walking from place to place home to work and many other items of interest to the people who wanted the items. Shadow jumped on a wall of a bridge and quickly ran across. "Whoa ho!" Shadow laughed as she jumped off, she then hit a Chunin male. "A whoa!" Shadow made a quick backstep. "uhh i'am sorry bout that i was-Neji!?" Neji smiled. "Yea Shadow!" Shadow thought. "*did neji smile at me!?*" They made a short chat of what happened to the old team Gai, "I miss old Gai sensei! He was pretty cool!" Neji nodded in agreement. Shadow yawned and looked at the sky. Neji grabbed her arm. "Shadow can you come with me?" Shadow nodded. "Okay! Neji!" Neji pulled her along. The sixteen year old male had brought shadow to an apartment. "What are we doing Neji~?" Shadow said in a cute tone. Neji smirked. "Wait here!" Neji went upstairs. Shadow sat in a chair waiting for Neji to return. Shadow stood up as he did. "Well?" Shadow questioned seeing something Neji put in the kitchen, Shadow leaned against the wall of the apartment. "Neji~? What the heck?" Shadow was getting impatient. Neji walked out and held shadow against the wall by her shoulder's. "Neji what the hel-" She was cut off by a kiss. "NEJI!" Shadow said failing her arm's. Neji smirked as he kissed her down. "Don't tell anybody..." "Why Neji?!" You can't tell anyone Shadow! She squirmed. The Guinness byugon nin held her place. "Please!" Shadow begged. "Dump him! What!?" Dump your boyfriend! Shadow! Shadow almost said something but then she squealed because Neji kissed a sensitive part of skin on her neck. "No!"

"no?" Neji said with a frown. "No no no!" Shadow said, "Okay then!" Neji pushed her down into a chair and tied her there. "Neji!" Neji smiled he poofed into her. "I'am sorry... But fate has decided it wants you to be mine Shadow Kinuta!" Neji dressed as shadow went outside. "Oh god oh god oh god!" Shadow couldn't break the ropes. Shadow fell over chair and all. Before Neji left he put a bandana over Shadow's mouth so she couldn't talk. "Neji..." Shadow muffled. She put her head on the ground. There she started to give up hope and she wanted to slip off into deep wonderful sleep, Hoping this was a nightmare. She bit her lip and it bled. This wasn't a dream! Shadow couldn't move her legs either. She looked up at the white ceiling thinking of a way to get out of this sticky situation... But even Shadow Kinuta member of one of the smartest clan's couldn't even figure a way to get out, Neji knew what he was doing and he really didn't want her to get away. Why? Why her? Why now? Shadow thought of what Neji had said about it being fate that were going to be together at all costs. If fate wanted them to be together it should have spoke up before Shadow started to date Kiko Hitake! He would look for her right? Surley he would??? Shadow had to hope for that or for somebody to walk in but that was a one in a million chance of a lifetime! Shadow cursed at her self thinking as hard as possible trying to rack her brain for any ideas on how to get the heck out of Neji's "Love" Prison.

"Ummm...Kiko..." Neji said posing as Shadow. He tried to act like her, He pushed up against Kiko. "Huh? Shadow-chan??" Kiko looked into the Shadow's clones eye's. He made her fiddle with her finger's just like Shadow did. "I wanna break up.." Kiko cocked his head. "Why?" Neji made the clone look at the ground. "I want to meet other people..." Kiko looked down. "Okay then Shadow!" Neji made a silent yes and him and the clone poofed away back to his apartment. "Hey," Neji untied her, "Let go of me!" Shadow said fussing. Neji picked her up bridal style. He hit a place in her arm that made Shadow faint. He layed her down onto his bed. The dark brown hair sprayed onto the bed like a fan, Neji looked at her as he sat down on the bed and kicked off his blue ninja shoe's. He took off Shadow's Shoe's as well, Neji

took off the band in his hair as he was over Shadow and his hair covered both their faces like a long brown curtain. Shadow didn't move still unconscious from Neji's attack on the pressure point in her arm. Neji grabbed her arms and put them over his back, "Shadow... You and me are fate.... That is decided as of today...." Neji said as he looked toward the window, "and your boyfriend can stop me anyway!" Neji scoffed and began to pull off Shadow's clothes, After what people would call rape Neji layed with her. Shadow opened her eyes barely remembering pain or feeling of being complete. She turned her head to Neji as he looked at her. "ByugShar" He referred to their bloodlines and then Shadow noticed Neji was... She looked at herself. Had they did it? That would be the first time two different bloodlines were put into mix with each other in a blend. And as Shadow thought about this the thought of what happened to Kiko. Had Neji succeeded and she was now his lover? Or Kiko not believe it and start to look for her but didn't find her in time. Shadow sat up and She remembered the pang of Neji's nails scratching her and everything flashed back. But Shadow did not want to be this Hyuga's lover!

## 9 - Ch 9:Your what?

~Few weeks later~

Shadow sat at home her legs crossed as Kiko sat on her bed and looked at her."What?!"Shadow snapped he was looking at her for atleast ten minutes and it was driving her mad! What the heck was he looking at? Kiko smiled.Shadow turned the chair."What'ca doin?"Kiko asked."Trying to get away from your gaze..."Shadow mumbled.Kiko looked at Shadow."I can not believe Neji did that to you..."Shadow sighed. "Really neither can i!"Kiko tried to smile."Hey you...Cheer up..."Shadow slammed her head on her desk."I dont want to..."She growled head still on the desk,Kiko got up."Shadow dont snap on me...i beat the heck outta Neji.."Shadow sat up."I already snapped!Long ago!"Her head was bleeding.Kiko looked at Shadows head as he cleaned it off.He bandaged it slowly."Love you..."Kiko kissed her cheek.Shadow was quiet."Aww c'mon shadow..."He kissed her head where the bandages were,"Okay..you leave me no choice!"He grabbed the chair and pulled it to the bed and picked Shadow up and threw her on the bed."Awah!"Shadow hit her bed."One second..."Kiko opened Shadows door.She had made a sign that said "come in," and "do not disturb or die!"He flipped it to the do not disturb side.He closed and locked Shadows door,"Come here you!"Shadow laughed as Kiko tackled her."No,No!"Shadow giggled.She went under the covers. Kiko tackled a huge lump in the blankets."I got you..."Shadow was still."No you don't!"she wrestled with him.Kiko laughed as he grabbed shadow by her waist so she couldn't move.Shadow laughed."Let go!"No way!"Kiko got under the blanket."Ahhh!"Kiko grabbed her and pumpled her with kisse's.Shadow opened her eyes.She put her hands in what silver hair Kakashi passed down to his son."What are you doing?" Shadow laughed and hugged him around his neck."Ohhh..."

In the middle of the night Shadow sat up."Ugh..."Kiko woke up seeing how Shadow had moved."You okay?"He asked watching her for a sign of pain."Iam not sure..."Kiko looked at her and yawned."I'll stay up with you till it stops,"Shadow looked at him."No no!You have training tomorrow!You can't miss that!" Shadow said sure of the fact if Kiko was late once more he would be in serious trouble.Kiko was still up.Shadow pushed him down."Ouf!Okay girl thats a spanking!"Kiko said as Shadow held him in place."Oh yea like today i wasent spanked enough by you!"Kiko smiled."I didn't do it!"Shadow smiled. "Oh yea sure...Like "It" didnt hurt enough for me right?"(Ohoh wonder what it is! XD) Kiko pulled her by him."Okay Shadow you win..."He put his head on her side. Shadow smiled as he fell asleep.She gently put him back on his pillow as she got up.She took aspirin and went back to bed. "Wake up..."Five more minute's...."Dosu was trying to wake Shadow up."Hey You konichi get up..."Shadow looked up."What?" Dosu put his hand over his mouth."Your hair what did you and Kiko do?!"He broke out laughing."Oh shut up!"she threw a pillow at him."AHAHA!"Dosu picked up Shadows clothes."OH HO!What are these!?" He held up a chunin jacket and then a pair of gloves and a black mask."He left his mask!" Shadow rubbed her eye's."Oh Shadow..."She looked at her dad."Can i ask why his boxers are here?"He started laughing again and left shutting the door behind him."Dad i hate you..."Shadow whispered to herself.She got up."hmm?"She stopped."My monthly starts today why am i not bleeding?"She shrugged."Oh well i have no clue why but i-"She put her hand over her mouth and ran into the bathroom.She threw up.

Kiko walked home."Hmm hm hm," He hummed to huimself as he opened the door to Shadows

house. Dosu was in the kitchen. "Hi Dosu..." "Yo!" Kiko walked upstairs. "Shadow?" He sighed dragging his feet up the stairs his feet aching, "Shadow-chan?" He was getting kinda worried. "Shad!" He started to run and when he walked into Shadow's room he saw her crying... "Shadow..." He sat on the bed with her. "What's wrong?" Shadow leaned on him. "Kiko-kun you won't leave me if I tell you?" Kiko was shocked. "It was that bad?" Kiko nodded. "Shadow I love you.. I will never leave you..." Shadow sat up straight. "Well Kiko-kun..." Kiko smiled. "What Shadow?" Shadow sighed. "1 over 99% say's its wrong but..." (Does that sound familiar? From Kakashi's crush on his own assistant pt 3 chapter 1) Kiko smiled. "Hmmm?" Shadow looked down. "well... Kiko... i... i'm..." ..... " I am..... Pregnant with your child....."

## 10 - Ch 10:Protection

With Kiko gone Shadow sat at home by herself. She put her hand on her stomach, Dosu walked up."I know...."Shadow looked up."What?"Dosu smiled."I know..."Shadow looked down. "You do?"Yeppppp..."Shadow sighed. "Oh," Dosu smiled."..."Well?"Well what?"Shadow asked. "Is it his?"Shadow's hand squeezed her stomach."I know it's his...That diese mom gave me and you..."Dosu nodded."Uh-huh?"I know Kiko gave me this baby because his demon did it..."Dosu's eyes widened."His demon?"With my diese i know no ORDINARY man can give me a child!"Dosu laughed."Well kid now you and him have to get married..."Shadow smiled."I know we'll be happy married or not!"Dosu got up."Well i better leave you alone now..."Shadow smiled as Dosu left shutting her door behind her.Shadow layed on her stomach reading a book.She thought about a family and a little boy or girl or maybe both.The boy would look like Kiko but have Shadow's eye's.The girl would look like Shadow with her brown hair and Kiko's body build.The boy would be kind of skinny.And have thick hair that was silver just like Kakashi's, and his fathers. The girl would be kind of shy with an outgoing when she got close to somebody new.Shadow thought. "What if Kiko's demon get's passed down?I hope not..."Shadow got up.She looked outside."S-shadow..."Kiko fell into her arm's."Kiko!"Neji had pushed him into her arm's."NEJI!You get the heck outta here!"Neji smirked."Why Shadow?"Shadow growled."Cause i said!"Shadow wouldn't back off."why Shadow you got a reason?"Shadow looked behind her."DAD!"Dosu walked up."NEJI YOU SON OF A B-"DAD!Take him for me!"Kiko was shoved into Dosu's arm's."S-shadow...Don't fight him..."

Dosu tryed to pull Kiko in the house.Shadow walked out and shut the door behind her."You..."Shadow growled.Neji had his arm's crossed."What you still sore from how hard i did it with you?"YOU SHUT THE HELL UP!"Shadow's hand went down.It enighted with Shadow's number one move, Ladie's and Gentlemen meet shadow's very own: Call of the reaper! Neji scoffed."Is that still your jutsu?"Shadow barked back."YEA! so what!?"Neji turned his back to go."Hey Neji..."He started to turn around. BAM. Blood splattered on the ground.Shadow's hand was though Neji's chest."What do you think of my jutsu now?"Neji put his hand on Shadow's arm."It's O-okay for Y-you S-shadow..."Neji sputtered.Shadow looked down then back at Neji."Leave me alone..Iam pregant with a child that's enough...."Neji's eye's widened."H-Hitake's baby?"Shadow looked."Yea and its not your's..."She pulled her hand out."Iam not going to kill you but stay the hell away...But personally you may bleed to death..."Shadow walked back in her house.Her arm covered with the still warm blood of Neji hyuga.Shadow washed her arm."Dad...is he okay?"Dosu smiled.Kiko was in a guest bed."He's okay he took a good hit to his spine but...Shadow i'am sure with you in here you can heal him..."Shadow nodded and Dosu walked out going to make something to help speed up the healing.Shadow sat on his bed side."S-shadow?"She turned to Kiko's voice."Hmmm?"What heppened..to...neji?"Shadow smiled."He'll bleed to death don't worry..."Kiko smiled."Oh..."Shadow pulled the blanket's to his neck."Now you rest!"Shadow smiled and pulled down his mask and gave him a kiss.

Dosu walked upstairs."Okay Kiko..."Dosu handed a cup to Shadow."Thank you dad!"She kissed his cheek.Dosu nodded."Uh huh tell me if you get hungrey now okay?"Shadow nodded."I will!"Shadow sat on Kiko's bed and proped him up."Okay this may taste okay but,"She put the cup to his lip's and gave him a drink."Thank you Shadow..."Shadow smiled and gave another kiss."It's okay..."Kiko pulled her down in the bed."Woah!"Shadow got up."Not now hun,"Shadow ent to go take a shower.Dosu sat on

Kiko's bed."Kiko..."Kiko looked at him."hmmm?"Dosu smiled."Now that you and my child are having a baby i think you should propose to her..."Kiko had a questioned look."Propose?"Dosu smiled."Yes and make her live a happy life with no danger."Kiko nodded.Dosu got a stern look."But Kiko.."Yes Dosu?" Dosu looked down..... "Your number one concern is to protect Shadow and that baby..."

## 11 - Ch 11:gotta be strong

"Shadow you can't be a single parent forever"Shadow walked though the house with a baby on her hip."Yes i can!"Shadow said with a shout."No you can not i will not allow it!"Dosu chased after her.Shadow slammed her door."Ohhh...Shadow!!"Dosu leaned against her door."Shadow..."He started to cry."Oh my Shadow..."Shadow sat on her bed."He had to leave us didn't he!?"The baby was not even a month old.And yet he opened his eye's and looked at her.Shadow wiped her eye's with one hand."It s just...Maybe your daddy didn't mean to leave us?"Shadow hugged her little bundle."Ohhh but why?He wanted to be a daddy did he not!?And yet he left us!!"The baby looked at her.He didn't even meet his father.Shadow hugged the bundle once more.She cried."Oh,"Dosu gently knocked on her door."Shadow..."What!?Leave me alone!!"Dosu cringed.She was under age she was only seventeen,"Honey i want you to talk to somebody..."Shadow's head dropped."Iam not leaving my room..."

Dosu frowned."Okay baby he'll come here..."A few minutes later there was a knock."Come in...i guess..."The door slowly opened."Shadow-chan?"There was Shadows old team mate Lee.Shadow sniffed."Hi Lee..."Lee sat down."Shadow...What a beautiful baby.."Shadow sniffled."He look's just like his daddy..."Lee gave Shadow a hug."Shadow i know your sad...heartbroke and so on but Shadow...For this baby's sake you gotta be strong..."Shadow nodded.Lee smiled."May i hold your son?"Shadow gently passed the blanket to Lee, Lee cradled the baby."Ohhh your so precious..."The baby looked at the black haired male.He looked at him curiously and then looked at his mother."Did he cry?"Shadow shook her head."No,He's a good baby..."Lee nuzzled the child.And what do you think the baby was thinking? Well the baby thought."Is this daddy mommy has been talking about?"Lee smiled."He has your eyes Shadow and your eye's are the most gorgeous i have ever seen!"

The next few day's Lee acted as a step in dad,He played with the baby put him to sleep when Shadow was tired and of course loved him.Dosu was happy to see Shadow smile the day before when Lee was playing with her and Kiko's baby.And one night it was said that Shadow was getting closer and closer to Lee everyday,It started with smile's then a gew hug's and even Him staying with Shadow like a real dad.Lee sat in the window seal watching Shadow give the baby a bath. "Mr. Hitake...I will help Shadow with your baby i hope you do not mind..."

## 12 - Ch 12:mommy!

"Shadow are you ready to do this?" Lee gripped her arm. "I guess so..." Lee smiled. "I know today's not a day for smiling..But Shadow don't worry he still watch's over you guy's..." Shadow looked down. "Lee thank you for all you have done this week," Lee nodded. "Shadow..What happened to my hyper team-mate?" Shadow smiled. "She'll be back after a while...." Lee held the baby. "This child will be as hyper as you were..." Shadow smiled. "Thank you Lee!That mean's so much to me!" Lee smiled. "It's no problem..." Shadow took her baby. She sniffled, "He remind's me of him so it's hard for me not to cry..." Shadow said holding back tear's. Lee pulled her into a hug. "Shadow it's okay...It'll be okay..." Then Lee thought about it. "Shadow...You better not be this way when that baby grow's up..He need's you!Your his mother!" Shadow looked at Lee he was crying as well. "It hurt you to make him,It hurt you to deliver him!Now you don't want him hurting...." Shadow stopped. "I don't want to hurt Lee but it's tough right now..." "It will be....After this funeral you better smile..." Shadow tryed to laugh. "I'll try!" It started to rain, "Oh," Shadow covered the baby and put him closer to her chest. "Oh,Shadow did you name him?" Shadow shifted her feet as Lee put an umbrella over them. "It happened along time ago and i can still rember!He wanted me to name him Kurama," Lee looked at her. "You name him what YOU want Shadow he's your baby..." Shadow smiled. "You wont understand but i had a son with him before but to save me i was thrown back in the past,The time of the Sound V.S leaf war," Lee nodded. "Continue..." Shadow Sighed. "Well our son then was named one of the cutest name's and it was Kaisuki.." Lee smiled. "That is pretty cute!" Shadow nodded. "Yea!Exactly! But..." Lee smiled. "shadow Kiko just want's him to grow up good and he probally does not care about his name..." Shadow nodded. "True..." Lee laughed. "C'mon let's go!You have to sing a song anyway!"

Shadow shivered. "It's so cold..." Lee nodded. She looked next to her. "Hi Shadow...Oh it's that him?" It was Kiko's mother. "Umm yes...This is Kiko's son..." Masuki looked in the blanket. "Aww he has some silver hair already!" Masuki what are you doing?" There was a deep voice. "Kakashi look it's Kiko's baby!" Kakashi looked in the banket. "What Kakashi?" Kakashi thought. "I can picture what he'll look like..." Masuki put her finger's against the baby's head. "Ohh he's so cute...Shadow you have a excellent baby!" Shadow bowed her head. "Thank you..." Lee smiled. "arn't you guy's sad?" Masuki looked up. "I'am but iam trying not to show it," Kakashi looked down. Masuki whispered in Shadow's ear. "Shadow Kakashi cryed already he was so sad..." Shadow nodded. "Iam sure he was..." Kakashi looked in the blanket again. "AH!" Kakashi pulled his head out. "He grabbed my nose..." Masuki laughed. "That's what you get Kakashi!" Shadow sighed. Lee could tell she wanted out of here. Lee nudged Shadow. "Your turn..." Lee took the baby. "Can i hold him!?" Masuki asked as Lee passed her the baby. Shadow sighed. She got ready:

I'm so tired of being here  
Suppressed by all my childish fears  
And if you have to leave  
I wish that you would just leave  
'cause your presence still lingers here  
And it won't leave me alone

These wounds won't seem to heal  
This pain is just too real  
There's just too much that time cannot erase

[chorus:]

When you cried I'd wipe away all of your tears  
When you'd scream I'd fight away all of your fears  
I held your hand through all of these years  
But you still have  
All of me

You used to captivate me  
By your resonating life  
Now I'm bound by the life you left behind  
Your face it haunts  
My once pleasant dreams  
Your voice it chased away  
All the sanity in me

These wounds won't seem to heal  
This pain is just too real  
There's just too much that time cannot erase

[chorus]

I've tried so hard to tell myself that you're gone  
But though you're still with me  
I've been alone all along

[chorus]

Shadow walked home her baby with her. She layed down. The baby next to her. There she slept for ten minute's... When Shadow woke up she had Lee next to her. "Can you say mommy?" He was talking to the infant. "Say mommy..." Shadow smiled. "Say Mommy..." "Ma..Ma..." Lee smiled. "There you go you got it!" Shadow looked at the baby. "Honey..." The baby looked at her as he heard her speak. It gave her a curious look. "Honey who am i?" The baby laughed. "Ma..Ma...Ma.." Lee smiled. "Come on you got it!" "Ma..Ma..Mommy!" Lee was suprised. "He said mommy!" Shadow hugged him. "Good job baby...." "MOMMY!" Shadow laughed. "That's right i'am mommy!" Shadow smiled. "I'am your mommy... That's right..." Lee smiled. "See Shadow!" She put him in her bed. She shut the door behind her. "Kiko you weren't there to help me deliver, You weren't there when i needed somebody's hand to hold. It was my own father who did it..." Kiko sighed. "Shadow i can't say it anymore i'am sorry...." Shadow shook her head. "Kiko may i add.. He first word's weren't Daddy! They were mommy! And he would alway's look at me when i was crying about you like he knew and to him to see his mother crying is not good...." Kiko looked down. Shadow sniffled. "You can sleep anywhere you want but i'am sleeping with my son..." Shadow went into the room and closed the door behind her. Kiko lowerd his head. "Shadow..." He opened the door. Shadow was already in bed with Kaisuki in her arm's. Kiko took off the Anbu uniform and changed to a shirt and short's he crawled into the bed with Shadow. Kaisuki was in the middle. He opened his eye's. Kiko gasped. "He has Shadow's eye's there so..." Kaisuki fell back asleep. Kiko pulled Shadow to him. "Shadow i know your upset but iam back...." Shadow nudged against him.

"Kaisuki!" Shadow called from downstairs. Kaisuki wrestled out of his father's arm's and tryed to crawl downstairs. "Oh there you are!" She picked him up and carried him downstairs. "Mommy!" Kiko rolled over in his sleep. He woke himself up. "Mmm?" Kiko breakfest!" It was a male's voice. Kiko got up. Kiko went downstairs to see Lee walking out the door and Shadow putting Kaisuki in his high chair. "There you go baby!" She tickled him and he laughed. Shadow smiled. "Your so cute!" The door opened. "Shadow!" To Kiko that voice was fammilar. "Oh!" It was his mother. "Your back..." Shadow looked around. "You knew!?" Masuki nodded. "Why am i only one not told!?" Shadow slammed her bedroom door. Kiko sighed. "Oh god..." Kaisuki looked at him. "Da...da..." Kiko looked a him. "Hmm?" Kaisuki smiled. "Daddy!" Masuki's mouth dropped. "Did he just say daddy? I though he could only say mommy!" Kiko was shocked. "He called me daddy...." Masuki smiled. "You are his father... You dad was also shocked when you called him dad..." Kaisuki held out his arm's. "Daddy!" Kiko was going to cry. "Yea iam your dad..." He picked Kaisuki up. He hugged him. Kiko thought. "Now i have to make up with Shadow..." Masuki picked Kaisuki up. "Oh your heavy for a baby!" She smiled and sat down with him while Kiko went upstairs. "Iam grandma say grandma! Come on baby say grandma!"

Shadow sat in a booth. Kiko made her go out while Masuki watched the baby. Kiko on the other side of the booth. "You know were not married..." Kiko said looking down. Shadow was silent. Kiko gulped. "Shadow i-" "What?" Kiko stopped. "Nevermind..." The night went on silent. As they walked home shadow started to talk, then smile then laugh, Kiko laughed. "Oh Shadow i missed you so..." Shadow smiled. "I missed you to," Shadow put her head on his shoulder. "Hey Shadow?" Kiko sat down. "Hmmm???" Kiko smiled as he sat Shadow down. "Hmmm?" Kiko got up and got infront of her. ## 16 - Ch 16: The will of pure fire!!

"Kiko stop...we're all tired...look at Shadow she ran five miles looking for us. She's caked with blood. The poor girl was almost taken by a man, She's tired..." Kiko nodded as Shadow leaned against a tree panting. "Shadow I am sorry you had to come so far..." Shadow nodded. "He's your baby to you deserve to know... Without you the poor thing wouldn't be here..." Kiko nodded knowing Shadow was right. Kakashi set up a place for them to sleep. Kiko helped Shadow clean herself. "There I think that's all the blood..." He put the wet towel on Shadow's cheek. Shadow smiled. "Thank you..." Kiko nodded. "Thank you.. You ran all the way out here without stopping... five miles..." Shadow nodded. "Cause I love you and wanted you to know... If we kill Eniko you can come home again!" Kiko nodded. "I can!" Kakashi called to them. "Time for bed..." Kiko pulled Shadow up. "Come on..." Kakashi sat up with Kiko why Shadow was asleep. "Hey," Kakashi said. "Hmm?" Kiko looked at him. "What?" "There's one problem in the world I could never understand..." Kiko looked at his father with curiosity. "And when I married your mother that equation was answered..." Kiko smiled. "What was it?" Kakashi smiled back. "The Equation was, "What is a woman or a wife..." Kiko nodded. "And the answer was in front of me! A woman is complex and like a puzzle. But inside... Just like your mother and Shadow on the inside there's something.... And only one person can unlock it... I then realized that I somehow unlocked your mother's... And realized sometime's that we males treat females and wives less equal... And then I figured it out! A woman is a creature that was made to make her lover happy, You notice women go through so much pain to have the children we want, And then.... We don't show them thanks..." Kiko slowly nodded then looked at Shadow, "And then... they leave and we realize oh my I just messed up!" Kiko nodded. "Dad... how do we show them thanks?" Kakashi laughed. "We hug them kiss them and then we make love with them, And we take them out and well... um... make them happy,"

Kiko layed down his arms around Shadow. Shadow sighed in her sleep and had her head buried in Kiko's chest. Kiko smiled in his sleep. Having Shadow back in his arms just like nine months ago. Kakashi wanted to go to sleep but couldn't. He put his hands together and bowed his head. "May you be safe, Love..." Kakashi shut his eyes. He prayed for her. "I love you and if Eniko touches you... I-I swear he'll die..." Kakashi looked up. "Goodnight..." He got up and crawled into a sleeping bag. Kakashi fell asleep and had a little jerk. He had a dream about his love,

"Kakashi..." Kakashi looked around in his white dream world. "Huh?" Kakashi... "Kakashi looked ahead." Masuki-chan! "He ran to her and gave her a hug. She laughed. "Missed you..." Kakashi looked up. "Missed me? I missed you!" Masuki put up her hand. "Here remember this?" Kakashi let go. He put his hand against hers. "I said that nobody will get left behind... I'll protect you if it kills me..." Masuki smiled. "Correct hun," She smiled. "Now you have to trust me..." She disappeared. Kakashi looked around frantic. "Masuki?" He backed up. "Where did you go?" He lifted his hand. There was a chain attached to it. He looked behind him. His eyes widened. "Oh no!" There was fire. He started to run but the chain held him in place. It started yank him into the fire. It pulled him in with full force. Kakashi went through the fire and deep inside of it. The chain still pulling him along. He was yanked to the middle of the fire. But it didn't burn him. There was one clear circle the had flame walls around it.. Kakashi rubbed his wrist. Then it strung onto his other hand. "Woah!" It was held up. Like his hands were in shackles. The flames went out. And

stone wall's appeared out of nowhere. It was like a dungeon. "Kakashi..." Kakashi looked up from seeing the edges of his pants burned. "M-Masuki!?" He was scared he looked in the corner of the room. She had her hands shackled just like his. She looked up. "Kakashi... I can't talk long..." Kakashi realized there was a metal collar around her neck that was chained to the wall. Her ankles; Shackled. "Masuki are you alright!?" Kakashi said throwing his arms around trying to get them loose. "Kakashi... You have to save Kaisuki... This is the only way I could talk..." Her voice was soft as if she hadn't taken a drink for sometime. "Masuki what about Y-" He was cut off. He looked down. She was bleeding all on the floor. "H-He did this to you?" Masuki nodded. Kakashi gritted his teeth. "I am coming to get you..." Masuki nodded. "Okay Kakashi, But you don't push yourself..." Kakashi wanted to cry. Her the one bleeding and slowly dying wanted him to be safe.

Kakashi gulped. "I'll get you as soon as possible..." Masuki nodded. "He's coming I can't talk much longer..." Kakashi's eyes widened. "Eniko!?" Masuki nodded. Kakashi looked up with determination. "Okay..." Masuki smiled. "Okay Kakashi..." Kakashi's look softened. "Love you..." Masuki smiled. "I love you too..." He chained was yanked. She coughed. "Kakashi... I love you..." she was yanked again. "YOU LITTLE WITCH! Kakashi heard Eniko's voice. "MASUKI!" Kakashi yelled as the chain was yanked. He heard her give a sharp scream. "KAKASHI!" She was pulled through the wall. "Masuki..." Kakashi was all alone. This was a tear jerker. "I'll save you..." He hands clawed at the steel shackles. Cutting his hands, "I'll save you," Kakashi looked up. "Nobody messes with my wife!"

Kakashi woke up. He looked at his hands. The cut marks were still there. It was about dawn. Kakashi got up. He pinned a note to a tree. He looked at Kiko and Shadow who were still asleep. He turned around. He started to run. Away from his Son away from Shadow. He panted. "I'll find and I'll kill him!" Kakashi said as he ran as fast as he could. At about noon. Kiko woke up. "Shadow?" Shadow was still asleep. Kiko opened one eye lazily. "Shadow?" He looked down at her. "Hmmm..." He nuzzled his head into her hair. "Wake up..." Shadow opened her eyes. "Huh?" Kiko looked down at her. "Time to get up..." Shadow mumbled and dug her head into Kiko's chest. "Are you serious?" Kiko smiled. "Yes come on we have to look for Kaisuki..." Shadow stayed down. "Kiko..." Kiko gave her a confused look. "Why don't you call me Shadow-chan anymore?" Kiko thought. "Umm..." Shadow regretted the question and looked down. "Oh... don't be like that..." Kiko got up. "then he remembered what his father said. He looked at Shadow who was laying down and looking at the grass sadly. Kiko put on his shirt. Shadow got up sadly. Kiko grabbed her chin. "Hm?" Shadow said questioned. Kiko gave her a kiss. "Kiko?" Kiko smiled into the kiss. "I love you..." "I love you too," Kiko rubbed his cheek against hers. "I love you so much..." Shadow smiled and loved the attention she was receiving. Kiko smiled and let go. He found the note. "I went to find Eniko your mother is in trouble I can feel it... Take care, You guys better catch up..." Kiko looked down. Shadow looked down.

"Kiko I am sorry..." Kiko looked at Shadow. "It's not your fault." Shadow looked down. Kiko looked at her. "Shadow don't look down..." Shadow closed her eyes. Kiko stopped. "What's wrong Shadow?" He stopped her. He was behind her. Shadow put her back against his chest. "hmmm?" Shadow looked up at the sky. "Hakia no shi..." Kiko communicated back with fast talking Japanese. Shadow talked back. "Why didn't you just say so Shadow?" Shadow nodded. Kiko smiled. "No need to be scared..."

## 17 - Ch 17:Are you crazy?

"Kiko..."Eniko held Masuki up by the shackle's."Mom are you okay?"Kiko rattled the bar's of a cage."I am so pissed at your father..."She looked up."Kakashi how could you betray us like this?! I knew it was wrong! I should have married Iruka!"Kakashi looked at her then showed a saddened look."Masuki i..."Masuki growled."SAVE IT TRAITOR!"Eniko looked at him."Ouch somebody is pissed at you!"Kakashi looked down."ARE YOU CRAZY?!" Masuki got madder."If i could..."She clawed at her shackle's.They broke."Mom...?"Kakashi backed up."MOVE!"Eniko looked at her."Wow your so mad arn't you..."Masuki looked up."Shut up..."She hit him,Her hand went through him.She pulled it out."I told him to shut up..."Kakashi backed up"mom!Are you okay!?"Kakashi looked."It's not your mother anymore..."Kiko looked at him."What?"Kakashi looked scared."she lose's all control..."Masuki looked at the blood on her arm.She closed her fist."It's been so long since i have had a blood urge..."She looked at Kakashi."You remember what i said?"Kakashi nodded.Kiko rattled his cage bar's."I need to get out of here..."Masuki looked at him,Kakashi looked at Kiko also.Masuki turned her attention to Kakashi.."now are you ready to be punished for betrayl...?"Kakashi gulped."...."Kiko noticed his mother.She was experienced,She knew how things worked.Best of all she knew all about Kakashi,Everything about Kakashi to be exact.Masuki looked over at Kiko."you may learn a few things about your demon from me..."She smiled."I am your mother it's my job to teach you..."Her nail's grew out."Lesson 1:you have all basic instinct's of the demon you have...Claw's,Scent,Hearing all of it if you tap into it just right."Kakashi looked away.Masuki watched him,"Masuki-chan are you serious...?"Masuki smiled.She had fang's."hell yea iam serious...right now i wanna kill you..."Kakashi backed up."What you scared?"Come on...Scardy katt...."She made a motion with two of her finger's.Kiko looked and watched."Kiko..."What???"He looked around."Shad-"SHH!"She tugged on a chunk on the cage."You can't open it..."He was on the side same as her's."Shadow i am telling you..."The cage slightly opened."Wow..."Shadow smiled."Never underestimate Shadow who comes back after her husband!"She pulled it even more."I watched...How could Kakashi do this..."Kiko stepped out."Thank you..."Shadow hugged him."It's okay..."Masuki looked at kakashi but knew what to say."Shadow,Kiko you go find your baby...I'll take care of this mutt..."Kakashi cringed at being called a mutt,Masuki looked down.He was scared he didn't want to fight her...he may hurt her...

Shadow ran down a hall."Woah..."She looked into a room."OH!"She looked in a cradle."KIKO!"She picked up the silver haired child.Kiko ran in."Oh you found him!"Shadow hugged her bundle."Yes and as a teenager he is NOT joining the Anbu's..."Kiko nodded."yep,"Kaisuki looked up."Mommy..."Kiko looked into the bundle.Kaisuki smiled.Shadow handed him the bundle,"Oh atleast he's okay,"Kaisuki smiled."Daddy love chu~"Shadow gushed."He said he love's you!"Kiko smiled."I guess he did..."Masuki frowned."Kakashi why...?"Kakashi looked down."I-i..."He trailed off.Masuki held onto something on her finger as Kiko came out with Shadow.Kiko wanted to fight."No..."Masuki said looking at Kakashi.She pulled something off her finger.Shadow frowned."You kid's start heading back..."She watched Kiko and Shadow start to walk off."This is your's...."She walked up to him and put something in his hand.She closed his hand and looked at him with a solemn look."come back when you clear your head okay..."Masuki kissed him on the cheek.She walked off.Kakashi opened his hand.

It was there wedding ring....

Masuki walked home the kid's in front of her. "We'll be seeing your father pretty soon..." Masuki said rubbing her shoulder. Kiko nodded. "Why did dad do that anyway?" Masuki sighed. "You should know... I believe that you did that to Shadow when you hoaxed your death..." Shadow said she was still hurting... "Kiko looked at Shadow. "I am sorry..." He murmured. Masuki smiled and pulled them close together. "Now I'll watch Kaisuki you guys take a bath and do some adult things when we get home. You two need it..." She smiled. Kiko blushed. "Mom..." Masuki laughed. "Hun, I had you I know how it works!" Shadow still carried Kaisuki. Masuki stopped. "What?" She turned around. "Oh no! MOVE!" She tackled the kid's down. "Mom are you okay?" Masuki cringed over them. "Not entirely..." Shadow screamed. "Kiko!" Masuki had a big shuriken in her back. She pulled it out. "Hhhmmm," She got up. "That's it! Now I'll kill you for sure!" She pulled back her arm, the shuriken ignited with red sparks of lighting. "Take this and die!" She threw it. There was a loud crunch and a thud. "Boom B\*tch..." Masuki said with a smile. She walked over to a tree, "HAHA! He thought he could run!" Kiko pulled Shadow up. "Who?" Masuki smirked. There was blood on the tree. "Eniko with I thought he was dead!" Masuki smiled. "He always said...: I won't die until I kill you..." Kiko looked down. "mom..." He bent down. "This isn't his blood..." Masuki swiped blood from his body. She picked up a heavy scent. "It wasn't my attack..." Kiko was shocked. "What but mom we heard you strike him..." Masuki looked at the blood. "It's fresh about ten minutes away..." She took in its scent. "OH NO!" Kiko looked. "What?" Masuki cringed. "He did that when I-i..." Kiko looked at the body. "What th-" He pulled out a kunai from the corpse. "This... This i-" Shadow looked at it. "Kakashi's... I know his..." Kiko turned to his mother. "He's bleeding..." Shadow held the kunai. Masuki looked at Kiko then Kiko figured it out. "Eniko didn't die... He fought with Dad then he said he was going to kill you... So dad followed him while he was bleeding..." Masuki looked down, Shadow went to another tree. "Kiko..." She pulled out a blood covered shuriken. Kiko continued. "He couldn't let us get hurt... So before mom pulled back her attack... My dad had nailed him to the tree with a kunai... He was dead at that point... But..." He picked the shuriken from Shadow's hand. "Eniko learned dad was here before he threw the kunai and he hit dad with this. The second after dad was hit... He threw the kunai and nailed him to the tree, Then mom hit him with the kunai in deeper..." Shadow nodded. "There's blood on the tree branch..." Masuki cried. "Oh..." Kiko nodded. He knew she still loved him 23 years of marriage without a break proved it, Masuki ran off.

"Try to kill my... wife... no," Kakashi limped in a field. "no," He covered a gash on his chest it went through his jounin jacket straight to his skin. "At least this is not enough to kill me..." He collapsed. "Or is it?" He looked up. "I shouldn't have done that..." He sat up. He looked around, "ugh..." It hurt him to move. He picked up some weeds. "At least from Masuki being part time med... I learned how to fix myself up some-what..." He put the weeds on his gash. "It should stop the bleeding..." He looked up. "I am sorry and this must be my punishment..." He took a sharp breath in. "My body is gashed but my heart... has been ripped out... When she put that ring into my hand..." He opened his right hand. The ring never left that hand. He held it so tight and an imprint was left onto his hand. He put the ring in his pocket. "I had to protect her... But at the same time I was putting hate to her, because of my betrayal from my family..." There was a flower next to him he picked it up. "this was Masuki's favorite flower." He looked at the sky. It started to rain, "And... well... I... Feel okay.. knowing I protected her..."

## 18 - Ch 18:"Hey stop it!"

"He leave's behind alot?"Shadow nodded."I gotta have a talk with him then..."Shadow slowly walked with Masuki."Shadow this child is the cutest i have ever seen you must be so happy!"Shadow smiled. "I am glad hes out he hurt!" Masuki laughed Shadow with her."I'll talk to Kiko though..."Shadow nodded."You have to spek up though to,"Shadow smiled."i'll try..."Masuki looked down."I need to strighten this out..."She grabbed Shadow's hand and ran the other way.She ran with Shadow who had one arm out in the wind."Masuki-chan?Where?"She smiled."I need to settle a family fight..."Shadow nodded.Masuki pulled her into a tree."Whoo intamacy all way's slow's us down sometime's.Why did the sky look diffrent to both of them,Shadow stopped."Masuki?"She turned."Yes?"Shadow took her bundle and looked into it.She hought to herself."Masuki?"Masuki nodded."Huh?"Kiko will stop if he see's his baby okay?"Masuki smiled."Got it..."

Kakashi smirked."I am sorry..."Kiko growled."IAM SURE YOU ARE!" Kakashi looked down."I don't want to do this..."Kiko spat."Were mom and me not good enough for you!?"Kakashi looked."I have to...you just arn't worth the trouble..."Kiko growled."NOT WORTH THE TROUBE!?"Somthing grabbed him from the waist."Stop it..."Kiko was about to hit it when heard that."Stop..."Kiko put down his hand's."And who do think you are?"Leaf's swirled behind Kakashi and Masuki grabbed him,Kakashi didn't struggle.Kiko did."Stop okay kiko!"Shadow spoke up.She grabbed the front of his vest."But Shadow,"I don't care right now..."Masuki nodded."That's right Shadow..."She whispered into Kakashi's ear."Now are you going to stop this or..."She dug her nail's into his shoulder.Kakashi flinched.They changed to claw's."Do i have to make and kill you,or drop your order's...And maybe we can trust you again...but i highly doubt it..."Kakashi looked down,Shadow still held Kiko.As he growled away."Or i kill you,Date,Get married again..."Masuki added."Torn angel..."Kakashi murmured."What?"Your a torn angel, Masuki,"Shadow gave Masuki a "What" look.Kiko growled."Will you stop it!?"Shadow whacked him in the chest with a child slap.Kiko stopped."Thank you..."Shadow smiled.Kiko looked down.Masuki whispered to Kakashi a bit more about what he could do,Shadow smiled."Kiko...."He looked at her."Now,Here is your chore's when we get home..."Kiko winched."Chore's?"Shadow laughed."Right Masuki..."Masuki nodded,Her nail's drew blood from Kakashi's shoulder. "Now,You take a bath with me,We spend the night together...That's this week..."Shadow said.Kakashi looked at Masuki."...."She looked back at him."Why did you start this?"Kakashi frowned."I had to...."Masuki sighed."But why!?"

Shadow walked back.A growling Kiko being pulled behind her by the collar.Masuki watched as Shadow dragged him along."I don't see why we have to bring traitor back!"kiko yelled trying to get away.Masuki glared."because you FOUGHT him and you HURT him to bad he'll die!"Kiko looked down."I don't want him near me!"Kiko said though gritted teeth."He's staying at the hospital Kiko,You don't even have to vist him..."Masuki helped unconisis Kakashi.Kiko trudged along with Shadow.She looked at him,Then she looked away.Kiko noticed."Shadow?"She still had her head turned.Masuki smiled."Right now,"Masuki spoke up."She think's you don't LOVE her anymore,"She ephized word's just to mess around.Shadow dissappered in a puff of smoke Kaisuki with her.Kiko slowed down."Why?"Masuki sighed."Well,You havent really talked to her,And you have little time togther,When you do have time you run off somewhere..."Kiko lowered his head.Kakashi stirred,"What...happened?"Masuki punched him and K.O ed him. "I alway's wanted to do that when he never paid attention to me and was reading that book of his..."She smiled."feel's good to finally do it..."Kiko looked at his mom."Why would shadow think

that?"Masuki looked at him,"She think's it's her fault cause you guy's alway's hung out before Kaisuki was born...When you went on that mission after you faked your death,Shadow went black silent...I belive she thought you killed your self because She was pregnant,"Kiko took in a sharp breath,It pained him.Masuki watched him,"Well to the hospital..."Kiko looked at her."Huh?"Masuki trudged along."Well, Your wife need's you...I'll take this guy to the hospital...I'll go home and make myself somthing to eat..."Kiko smiled."Thank you!"He poofed off.Masuki smirked."Yea yea,"

kiko walked in the door and took off his shoes.He walked the hard wood floor.He looked in Kaisuki's room.He walked to his bed,It was an adult bed but for a little boy that was only a year old.His face was buried into the pillow and his silver hair was sticking straight up.Kiko sat down on the beds edge.He unzipped his jacket and gently patted Kaisuki's head,That made his hair brush down but just a little.Now persay it was about 7:00 pm,Kiko had his house witch is where they lived now.He heard the shower running,Kiko looked at his baby.An exact replica of him but with Shadow's eye's.Kiko smiled.To think Shadow and him made this bundle of life, Kiko stood up.He streached.And with a yawn he closed Kaisuki's door behind him.Kiko heard the shower shut off in Shadow and his room.Kiko sat down outside the door. He thought...

Despite knowing how critically important completion of the mission was, Sakumo had chosen to save the lives of his comrades over the success of the mission. Dishonored, Sakumo committed suicide after deep depression and a drop in his skills, which caused your father to lead his life strictly according to the Ninja code.Sakumo left his White Light Chakra Sabre to your father. which utilized chakra to produce a trail of white light from the blade when swung It was cut in half during a fight between him and an Iwagakure shinobi, Witch is one of the ninjas who

basically crushed Obito Uchiha and crushed your father's eye so,Obito gave your father his Sharigan so he would live.The truth be told...Eniko messed up Sakumo's mission.. "Kiko jaw dropped."ARE YOU A FATHER STALKER?!"Masuki looked at him."What? Am his wife i deserve to know..."Kiko nodded.Kiko looked down."So basically...My grandfather committed suicide?"Masuki nodded."Yep..."He looked at her."What about you parent's mom?"Masuki smiled."I lost control of my demon when i was two and it killed them..."Kiko's jaw dropped once more."Dad wasent scared of you!?"Masuki looked at him."no..They paired me with your father just incased that DID happen..."

Masuki walked back in."Huh?"She undid the bondage holding his hand's to the rail's of his hospital bed."What are you doing?"Kiko opened the door and smiled."Hi dad..."Kakashi rubbed his wrist's."Oh hi..."Kiko hugged him,Kakashi was suprised but then hugged back.Kiko smiled and Masuki hugged both of them."There are my boy's!"She laughed.Kakashi had his left eye closed because his headband was removed.Kiko smied."I'am sorry..."Kakashi returned his aplogie.He looked over at Masuki."I'am so sorry...I love you do you still love me...?"Masuki nodded,She gave him a kiss though his mask.Kakashi smiled.He blushed.

"...."Shadow slept away. Kiko smiled at her.He bit her ear."Ow..."Shadow hit him with the pillow.Kiko smirked he smugged a laugh."Jerk...."Kiko fell asleep he felt somthing tug on his ear."Hmmm?"Shadow bit his ear."Shadow..."She laughed."You did it to me..."She felt his ear."Did you know all sexual feeling's can be releashed though pleasure to the ear's?"Kiko shook his head."No..."She smirked and bit down on his ear."Ow...Shadow...."She laughed."Not by biting though..."kiko sighed.she held onto him,"Thing's like..."She blew into his ear.kiko's hair on the back of his neck stood up.Shadow whined."You don't like it?"Kiko blushed."I like it..."Shadow blew into his ear again.Kiko layed his head down."Kiko...your tense..."Kiko didn't respond.Shadow felt his shoulder's."Hun,Did somthin happen today...?"she got no response,Shadow gently rubbed his shoulder's."Kiko-kun,Are you alright...are you mad at me?"

"And your Sharigan was excellent!" Masuki smiled. Kakashi got up. "You were good to hun," Kakashi laughed. "Dumbass weirdo took a rock and he didn't even notice!" Shadow sat up. "Kaisuki..?" Shadow shot up. "Oh no!" She ran down the hall. "Please be safe baby..." Shadow stopped at a doorway. "Kaisuki..." Shadow growled seeing her husband being handled, shoved onto the ground. Shadow crawled to her baby. "release," Kaisuki opened his blue eye's. "Momm-" Shadow covered his mouth. "Shhh..." Kaisuki turned his head and looked at his father. "DADDY!" Kiko froze. "Shadow, Kaisuki...your alive..?" Shadow looked at her husband. She nodded to him. Kiko was frozen. Shadow scooped up her baby and ran down the hall. Itachi smiled at him. "A clever jutsu she made to save your baby. Kiko nodded. "That's Shadow for you..." Itachi walked after her. Shadow ran in the room from the opposite corridor, "Sorry hun, I love you!" Kiko smiled. "I LOVE YOU TO!" Shadow smiled and ran back off, Kiko smiled. He killed one nin easy he was free! Shadow ran down the hall. "Stop right there." Shadow put Kaisuki down, "here honey don't take this off..." She tore off her headband and covered Kaisuki's eye's, She picked him back up. "BRING IT dog!" Shadow said her eye's turning Sharigan. Itachi caught up. "moonlight sharigan..." Itachi caught her in it. "You think that you..can beat me at my own sharigan game!?" Shadow looked around. "Darkness..." Shadow smirked. "Come out..." She had something in her hand. Itachi appeared behind her. "GOTCHA!" She pulled some wire's that were in her hand. Itachi looked for a trap. "Wrong!" She had a kuni in his back. Itachi looked at her. "After i kill you i'll kill your son..." Shadow looked at his back. "you just try to kill me first!" She dropped the kuni. "MOONLIGHT SHARIGAN!" Itachi turned to hit her. too late.

"There..." Shadow walked to the front of him. "well..?" Itachi was attached to a cross, "I don't see you killing me," Itachi growled at her. "you may have more experince but you don't have my brain's..." Shadow smiled and stepped back. "Now...i'll knock you out and then have my husband kill you..." She lowered her hand. "CALL OF THE REAPER!" Her hand ignited with chakra, It looked black in this alternate universe. "DIE!" She ran for him and put her hand though him, Not dead...Again...not dead.... Shadow's game broke she woke up Kaisuki still in her arm's. She gasped. Call of the reaper **three** time's in a row would **kill her** Shadow's knee's shook, she did it twice. "I can't do it again..." Itachi's eye's opened. "My leg's..won't move.." Shadow thought. "I am going to die..Kaisuki will but I CAN'T let that happen!" there was a rumble. "Get away from her!" Masuki sped down the hall Kakashi behind her. Masuki got in front of Shadow and her baby. "Kakashi-kun, take them..." Kakashi picked Shadow up Kaisuki rested in her arm's. "Be carfull..." Masuki nodded. "Just take them...Be safe Kakashi..." Kakashi nodded. "Be well hun," Kakashi took off. "Well only five hitake remain..will you kill this one?" Masuki got down. "I think not..." ## 24 - Ch 24:My dead friend

"Intruder? All black op's?To the middle of the forest?Who the heck would be out there?"

wind's raced by. A flail leaf gently floated down to the earth.It was tossed back into the air by a wind that shot by."shadow,"The female who was running looked at another man dressed in an Black op's uniform."you check to the west..."The nin nodded toward's her."Okay..."Shadow jumped off her path and into a tree."Got it..." The other black op's ran straight."If radio check was correct we need to keep her out of harm's way and out of the village..."A anbu with a dog type mask said."Shadow here is an important piece..."The ran faster.An anbu with a crow mask turned his head."Speaking of shadow...We should run up on the target soon..."The black op with the dog mask nodded."Let's go..."They ran into a clearing.There was a man in it."Bingo Ronin your target is alway's where you say..."Said the dog mask anbu.Ronin nodded."Yes,"The man had this weird arm,It was a long Shadowy type of arm."Where is mr.s Kinuta?"The Anbu smirked behind there mask's."She's away from you..."Ronin turned around."Don't warn her Ronin,Shadow is fine..."This man smiled."I'll kill you then to get her..."The dog masked Anbu looked at there new oppent."Why do you want her?"That's none of your bussiness now is it?"Ronin turned and ran."RONIN! DAMNIT!"The remaining two stood there wanting to protect the way to there fellow black op.

"Shadow!"Ronin followed her scent.Shadow stopped."Ronin?What's wrong?""GET DOWN!"To late.The Shadow hand grabbed her."AH!"Shadow kicked as the hand held her in the air."I have her!Yes!"Ronin looked up."I started this..I'll END IT!"He pulled a Katana off his back."RONIN!"Shadow said as one of the hand's finger's went transparent and made a hole in her chest witch started to leak blood."Shadow i'll save you,"Ronin said the sword shining."LET HER GO!"Ronin went up to this killer and tryed to slash him,He blocked and blocked and blocked.Ronin panted."She's losing blood fast already about 44 cc's have left her body.Ronin lifted his sword and the man grabbed it."What do you want with Mrs.Shadow?"Ronin said pushing his sword down on the man's hand."I want her heart....I need a strong shonbi's heart for me to live on. Forever."Ronin gritted his teeth."Why Mrs.Shadow?"The man smirked."She is a strong shonbi and a female heart witch is easier for me to get.This shadow girl also has a fragile almost broken heart but she remain's in termoil wondering about her husband and her child.I plan to have that Termoil...FOR MYSELF!"Ronin yelled."RAZOR BLADE!"He jumped back.He let the Katana fly spinning like a razor blade.The blade cut the man's shadow hand.Ronin smiled."Gotca Mrs. Shadow..."He caught her.Suddenly.Ronin was picked up.The hand rejuivated.Shadow sat up."RONIN!"She picked up the Katana.She got up."I'll...save you..."Shadow pulled the katana back."CALL OF THE-"Shadow stopped in mid sentence.The had threw Ronin into a tree.His spine and body cracked in half."OH MY GOD!RONIN!"Shadow cried.Ronin was shadow's favorite Anbu buddie's.And her only other than her husband used to be,"Ronin he gave his life for me,"Shadow sunk to her knee's."Now Shadow before you perish i'll rip out your heart.Shadow stayed down."Ronin..Ronin..You can't be dead..."

"you will not touch her..."Shadow's tear's hit the ground.Leaves swirled."Now...."A man appered.Dosu Kinuta."Shadow honey get up..."Shadow stayed down,Her chest oozed with blood mixed with sadness

and grief. Dosu backed up slowly, He got behind Shadow and gently picked her up. Dosu watching every move that this mysterious man made. Dosu backed into the wood's. "stay down..." Shadow struggled with him, She fought out of her dad's arm's. She picked up Ronin's body and dragged it. Dosu took them to the hospital. "HELP ME! PLEASE!" He walked into the hospital Ronin in his arm's shadow hanging onto Dosu. They were automatically helped. Dosu waited for new's. "Mr. kinuta..." Dosu looked up. "Yes?" The dr looked down. "The human body has only five gallon's of blood.... shadow lost Three in a half," dosu cringed. "Will she..?" The dr sighed. "Rest rest and we need to find somebody who was Ab negative blood type..." Dosu shot up. "Kiko and Kakashi they were A.B negative's..." The dr smiled. "Where are they...?" Dosu frowned. "there dead," The dr frowned. "Oh.. Mr.s Shadow has only a few month's then..." Dosu gritted his teeth. "DAMNIT!" Dosu thought. ***"If Kiko was alive he'd give Shadow some of his blood"***

Shadow layed in a white hospital bed. "Mommy..." Shadow turned her head. "Hi baby..." Kaisuki was standing there with flower's. "you wanna climb in bed with me?" Kaisuki nodded. He put the flower's on the table took off his shoe's and climbed in bed under the cover's with his mother. Shadow put her arm's around her baby. "Kaisuki-kun..." He turned his head. "Yes mommy?" Shadow brushed his silver hair out of his eye's. "I love you honey..." Kaisuki smiled. "i love you to mommy!" He put hi9s head into his mother's chest. Shadow smiled. She put her head in his warm spikey silver hair.

Dosu and Masuki stood at the leaf gate. "If he come's back..." Dosu nodded. "We protect this village and Shadow as well as her baby..." Masuki nodded. "To protect..." dosu looked into the herizion. "I will die for my daughter..."

## 25 - Ch 25: Our right's

In the old rickety hospital of leaf, Shadow layed still the hospital bed under the sheet's. A small five year old under the cover's and in her arm's as well. Shadow was awake and watching her baby sleep and playing with his hair. "Sweetie...morning..." Shadow said as she kissed her baby on the head. Kaisuki gently raised his head. "Mommy?" Shadow smiled. "Yep..." Kaisuki slid out of the bed, He yawned. "Hey kid..you want some waffle's?" Kaisuki jumped up. "Yesh please!!!" Shadow laughed and sat up and slowly got of the bed. She had to be carefull with how low her blood could get. "Let's go..." Shadow said gently as she helped her child get dressed. "Mommy..." Shadow looked up from putting on his shoes. "Yes honey..." Kaisuki shivered. "Is daddy okay?" Shadow nodded. "He's in a better place.." Kaisuki looked down. "Hey baby! Don't be so glum..." She lifted his head. "I'am still here so is grandma and Dosu grandpa!" Kaisuki smiled. "I love you most mama!" Kaisuki said childishly kissing his mother.

Masuki and Dosu sat downstairs. "You know....That freakie weirdo may come back..." Dosu said sipping on coffee. Masuki sighed. "Dosu..were family right?" Dosu nodded. "Right..." Dosu smiled. Masuki frowned. "Masuki-chan are you alright?" Masuki shook her head. "no," Dosu frowned. "What?" Masuki sighed. "Before Kakashi died.." Dosu motioned her on. "We were thinking of having a baby..." Dosu looked at her. "Masuki arn't you to old...?" Masuki laughed. "Demon's can have as many kid's as they want...But if its a male he better hurry and transfer some of that demon to her or she'll run out of egg's...AND NO MORE BABY'S FOR HIM.." Masuki laughed. Dosu did a short giggle, "oh so you and kakashi could have a baby?" Masuki nodded. "Yes we could!!" Dosu rolled his eyes. ""Don't roll your eyes at me!" Masuki laughed. "Mostly the demon get's transported though intercourse..." Masuki said pouring sugar in her coffee. "So it's most likey that Shadow has part of it inside her maybe just a tiny tinny bit but it's enough to affect!" Dosu looked at her. "So shaddy won't lose the blood?" Masuki smiled. "She's probally almost back to her full bloodish self!" Dosu sighed. "Thank god!" Masuki smiled. "Exactly!" Dosu smiled. "hey, Masuki-chan were you and kakashi going to have a boy or girl?" Masuki sighed. "We wanted another boy..." Dosu's ear's twitched. "Do you hear somthing?" Masuki listened. "I do..." Dosu shot up. "You know who it is?" Masuki shot up. "Mr. Demon hunter!" Dosu shook his head. "We never get a break!" They ran out the door.

"STOP WHERE YOU ARE!" The two stopped. "If you are here for what we th-" Dosu shook his head. "Masuki look!" Masuki was in denail. "Oh my god!" There in the distance was a bloodied figure. "Eniko...who could have...beat him this badly?" Masuki asked herself. They kneeled down. "Eniko.." He's alive..." Dosu shook the enmey. "Wake up!" Eniko opened his eye's. "They killed Kyrin and there after somebody..." Masuki pressed. "Who?" Dosu looked at his battered body. "he's our enemy we shouldn't trust him Masuki-chan..." Masuki spat. "He's dying nothing he can try to do will hurt us..." Masuki put his arm around her shoulder. "Dosu will you help me?" Dosu sadly nodded. he helped Masuki drag Eniko into the hospital. after a few hour's he was stable. Masuki walked in. "Who killed Kyrin?" Masuki asked. Eniko opened one red eye. "All i know is they said they were demon hunter's after the demon's and nobody can make them stop..." Masuki watched him. "Who are they?" Eniko sighed. "I don't know...They want to kill every demon...ALL THAT FACED THEM ARE DEAD!" Masuki smirked. "Oh yea?" Eniko looked at her. "They'll kill you..your son and his offspring and wife..." Masuki looked at the end of the bed. "You know this how?" Eniko smiled. "You know that Dog demon i was hunting?" Masuki nodded. "Yes..." Eniko layed his hand on her's. "They killed him...one blow..i watched..Just they tourtured

him then, Bam he was dead and all they did was put a spell tag on him..."Masuki's eye's widened."They know the spell?"Eniko nodded."I haven't even figured it out yet..."Masuki looked down."My family is in danger..."Eniko nodded."Yes..."Masuki looked up."you know..Masuki-chan since we were five i always had a crush on you..."Eniko said looking up at her."well Eniko thing's really changed since then..."masuki said."But Masuki...Your husband..we we can-"I can't betray Kakashi like that even in death..."Eniko nodded."Why did you chose to try and kill me when you loved me?"Masuki asked."My father wanted me to follow in his step's...I had no clue what was inside of you...Till you were seventeen..."

Masuki sighed."Eniko...Thing's got diffrent..."Eniko looked to the end of the bed."You were my first kiss and i still hold that to heart Masuki-chan..." Masuki nodded."I'll be back to check on you..."Masuki said starting to walk out,Her hand slipped from Eniko's.Masuki sighed. Dosu got right in her bussiness."YOU AND ENIKO WERE IN LOVE!?"Masuki nodded."When we were thirteen yes,"Dosu backed off."then why did he try to kill you..?"Shadow walked by Kaisuki holding her head."I heard Eniko was in the hospital..."Dosu nodded.Masuki looked at Kaisuki and picked him up."Eniko won't hurt anyone now..."Kaisuki looked at Dosu."Who's Eniko..?"Masuki got up."Better intoudece you..."dosu flipped out."HE'S A KILLER!"Masuki stuck out her toungue."Dosu you are so overreactive..."OVER REACTIVE!?"dosu yelled.Masuki turned around."Kaisuki..3..2..1"NYA!"They both stuck out there toungue's."My own grandson did that to me..."Dosu mumbled.Masuki held Kaisuki as she walked to Eniko's room."Eniko meet my grandson..."She walked over to Eniko's bed."Wow..thought two generation's he still look's like Kakashi does..."Masuki nodded."Yes..."Eniko looked at Kaisuki.He smiled.Kaisuki shook."It's okay kaisuki-kun he's okay..."Eniko smiled."He's very cute..."Masuki smiled."you think he's cute you should see who he got his personailty and eye's from...Shadow..."Shadow looked in."Hm?"Masuki laughed."This is Kaisuki's mother..."Masuki passed Kaisuki to Shadow.Shadow held up her hand in a way of hello. Eniko nodded to her hello.Masuki looked his way."Please take off your dumb hunter hat..."Eniko spat."This is my hat no way..." Shadow and kaisuki left.Masuki started out the door."Masuki...i will help protect Kaisuki shadow and you from those hunters..."Masuki shot him a smile."I'll watch your back as well!"

"Masuki-chan...why did you leave me for him...?"

## 26 - Ch 26: Happy birthday,

"Going to see Eniko?" Dosu asked watching Masuki walk down the hall. "I have to help him, He's paralyzed in the arms from medication..." Dosu nodded. "You know what today is?" Masuki smiled. "Yes I do!" Dosu smiled back. "Shadow's room 3:00pm!" Masuki nodded and walked down the hall. "Hello Eniko... ENIKO!?" Eniko's room was empty. Masuki walked over to the end table, There was a blue paper. She read it. "Dear Masuki, Thank you for taking care of me but I must accept fate. My soul is damned I wish that I will just get taken, So I will find where I belong somewhere deep below this earth... I bet if you read this you'll be thinking about our past... Well forget about our past okay? Live on and take care of that cute grandson of yours and his mother. Tell him I said happy birthday as well..." Masuki put down the note and waited for 3pm to roll around. While she was waiting Masuki took something and wrapped it in a box. She marked it from Eniko,

"Okay Kaisuki open your eyes!" Kaisuki took his small hands away from his face.

Kaisuki hugged Masuki gently and opened Eniko's present. It contained training tool's. Shadow layed her present down in front of him. "Here sweetie..." Kaisuki gently took off the ribbon. "Momma thank you!" It was a photo album and Kiko' old clothes when he was Kaisuki's age.

They flipped through the photo album, There was Kiko and Shadow together, They were playing on the bed and Kiko was holding the camera and took a silly picture. There was another one where Kiko was kissing Shadow on the cheek, Shadow laughed at that picture. Afterward They ate cake and ice cream. And Shadow put Kaisuki in his night clothes. "Night!" Shadow pulled Kaisuki into her hospital bed. "Night sweetie..." Kaisuki yawned and turned his head into Shadow's chest. "Night mommy..." Later that night, The window opened. "Shadow..." There was a whispery voice. "Shadow..." the man that tried to take Shadow's heart crept in. "Shadow..." He looked over and saw Kaisuki and Shadow asleep. "Your mine..." "Not today!!!" A man slinked through the window and the man slammed his sword into the heart stealer. "Get away from her..." Shadow lifted her head and the heart stealer disintegrated. "KIKO?!" The man walked over. "Shadow?" Shadow got up without waking Kaisuki. "Kiko oh my god.." She walked over to him. "Honey i missed you so much..." She pulled down his mask to see if it was really him. "It is you..." Kiko nodded. "Sweetie Kaisuki..his wish came true..." "Wish?" He wished for his mommy and daddy to be back with eachother. "Kiko looked down. *"Can my mission wait?"* Shadow smiled at him. "He's six today..." "Kiko eyes widened" "Today?" "Yes honey..." "Kiko shook his head. "Kaisuki died with me..." shadow shook her head. "I brought him back to life..." "Kiko peered in shadow's bed. "oh," He went over to the bed. "Kaisuki..?" "Kaisuki opened his eyes and sat up. "Daddy...?"

Kiko nodded. "Hi kid...Kaisuki yawned. "Hi daddy..." Kiko picked him up. "Your six?" Kaisuki nodded. "Yes..." Shadow looked at Kiko. "Is Kakashi-?" Kiko nodded. "Oh..." Shadow frowned. "Masuki is so depressed to..." "Kiko put Kaisuki down. "I missed you honey..." Shadow said kissing Kiko on the lip's

Kiko kneeled down,He touched her ankle.Shadow winced in pain but said nothing.Kiko picked her up and Shadow pretended like she broke her neck.Kiko carried.Shadow fell asleep. Morning drawn though the leave's like stained glass."Mmmm..."Shadow opened her eye's."hmm?"She sat up.She was in a pile of moss.Her pillow was Kiko's jacket."Ohh my,"Shadow looked at her broken ankle.It was bandaged."Oh,"Shadow looked around.Curled up in some leave's was the demon wolf himself.Kiko was curled in a little ball.He looked....Normal, Shadow rubbed her head."Ummm..."She looked

"No Shadow!He can't take your baby away!"Lee said sitting down three cup's."That's YOUR baby!"Shadow sadly sighed."Listen Shad,"Lee lifted her head with his finger's."You gave birth to him and what the hell did Kiko do?"Shadow looked down."THAT SON OF A GUN SCREWED ME OVER THAT'S WHAT HE DID!"Lee nodded."He didn't have birth pain's he didn't cry over the fact that his love was always away or playing dead!"Shadow nodded."What happen's if he take's over? Just leave Kaisuki in a locked apartment!?"Lee sat down."Shaddy-chan you better talk to that Hokage!"Shadow nodded."I will..."Lee took in a sharp breath."That tick's me off..He has a good lady and what does he do?Get's her pregnant,Play's dead,Wasent there for the kid, stayed in the baby's life for what? 2 YEAR'S? 4 top's?,then he dies again come's back and has the goddamn nerve to want HIS baby?"Lee shook his head."That is not right!"Lee sighed."Lee,thank you..."Lee looked up."Hm?"Thank you for the advice a place to come just thank you for everything..."Shadow said with a smile smile.Lee nodded."Iam just...***you ever need a place to go i'll be here...***" Shadow nodded and got up."thank you again..."She waved at Kaisuki."I'll be RIGHT back!"Kaisuki nodded as Shadow walked out the door.

Shadow talked to her Hokage.Guess what? they we're going to be escorted to sound village and there they should be "Happily together forever and ever" She sighed."Back to sound...where i was born...It was nice enough that Lee and Mrs Masuki got to come."She went to her home told Masuki and got thing's packed.Then they started there walk."Mamma..."Shadow looked down at Kaisuki."Yes?"Kaisuki stopped and shifted his feet."Are you and daddy fightin?"Shadow smiled."No just a tussle.."Kaisuki nodded."Hey,"Kaisuki looked up."Huh?"Be happy..."Kaisuki smiled."Yes mamma!"After a few hour's of walking they stopped in Sound village.Shadow picked Kaisuki up."C'mon sweetie..." There they stayed a few day's.One night a Shadow crept by the window. It gently opened the door.The Shadow gently walked over to the bed,It was Shadow's New "Ex" supposibly. Kiko smiled.Kaisuki was tucked onto bed with Shadow hugging him and pulling him in a pleasent dream,Kaisuki murmured and snuggled into Shadow's chest.Kiko looked at Shadow he kneeled down and kissed her gently and softly pulled Kaisuki from her arm's.Shadow sat up."Kiko?"kiko was caught."What the hell?"To Kiko's suprise she didn't yell.Shadow watched him.Kaisuki opened his eye's from a position shift."Momma...?"Kaisuki looked into Kiko's eye's."Your not momma...Put me back..."Kiko was shocked."He like's living with Shadow and even though i went missin Kaisuki still wanted his mother..."Shadow rubbed her eye's."You know that...the hearing isn't...till..hmm what day is it...?"Kiko put Kaisuki down.Shadow wouldn't do anything but- Kaisuki was all she had left...After he said he would leave her. Shadow looked at him."You wanna stay here?I don't mind..."She got up and stretched."Well...I'll show you to your room and-"Kiko was

looking at a picture. "What are you doing?" It was a picture of them all three of them, When Shadow first had her baby and Kiko first saw Kaisuki,

"Shadow what went wrong...?" Shadow looked up. "Hm?" "What went wrong...we were happy we were in love...then..then what happened?" Kiko said watching the picture as if the image would move. "you went away so much...And if not i felt lonley like i didn't even have a husband...And i looked at Kaisuki, He look's just like you but...that stabbed me in the heart deeper. So i thought well all go though rough times and it will get better but it never did..." Shadow looked down. Kiko put down the picture. "Do you want this back?" Shadow pulled off her wedding ring. Kiko looked shocked. "Cause if you want it back...you can take it..." Shadow said on the brink of crying. "I mean it's your's pretty much..." She looked at the ring. "Well?" Shadow choked on some oncoming tear's. Kiko's hand's shook. "Does she really mean that-?" Kiko took off his glove. He wore his wedding band. It was silver and had ingraved on the inside. "Forever is our goal..." Kiko pulled the glove back on. Shadow put her ring on the table. "It's here if you want it..." She walked over to her dresser. "And here you probally didn't rember but... ***It's midnight... Happy anniversary...***" Shadow layed a box on the table. "I got that for you..." Kiko untied the ribbion on the purple box. "Shadow..." "Inside was a photo album and a card Kaisuki made that said happy anniversary. "I put everything in that album..now if you want you can stay here or go..."
