Chapter 1 - Left Out

2

1 - Left Out

Darkness is my energy,
Always surrounding me.
My truth was really shallow,
But when I looked, it was just a shadow.
I am a puppet, I want to be in a show,
However, my darkness won't let me go
Life is like a thick fog,
One wrong turn, and will end up in a swampy bog.
People think they're special when they have an ambition,
But when they look again, they're left as an omission.
I'm living in a fantasy,
What I thought was real, was a fallacy.
My life's opaqued with black,
Everywhere, from front to back.
As I run, leaving my hate,
The darkness caught up and it was too late.
