**Chapter 1 - Lost in the Moment**

**2**

# 1 - Lost in the Moment

Do you remember that day  
When all was light  
When we were together  
All through the night?

The fire was blazing  
To our hearts desire  
We danced forever  
Or until we tired.

I remember that day  
To the very last hour  
You gave me hope  
You gave me power.

Our love was flawless  
Everything was right  
My heart was yours  
Till the end of twilight.

So, now I stand here  
Listening to the tide  
Remembering the moment  
.....when you died.
