Chapter 1 - Monsters

2

1 - Monsters

In the dark, a little girl cries
weeping for her long lost dreams
And in her dreams, there are only monsters
but demons are not what they seem.

They've been in history, years after years
for us to examine in the dust
Yet, they're only illusions, portraying
everyone of us.

We treat eachother, like we don't care
making grown adults to children tear
The demons of the night we should not dread
...we are the ones to be feared.
