1 - Untitled

Forever & Tomorrow

When you don't understand,

Life becomes a simple thing.

Because,

It was too complicated.

You live for simple things,

Living for tomorrow.

And just like the confusions that led to your life being to complicated,

Forcing you to make it simple,

Days collect,

Into forever.

And you can collapse under the pressure of tomorrow,

Forever.

For tomorrow is forever.

Simple, yet complicated.
