Chapter 1 - Dream In My Heart

1 - Dream In My Heart

I loved you
You didnt feel it
I gave you
My Heart
Now theres no chance
For my soul to survive
But it was live
But now its gone
I died right there
on your lawn
I dont know if you miss me
Or was I not the key?
My spirit sits in a tree
Looking down and watching you
To get your attention, I throw a shoe
But I miss
I need to feel your kiss
I fly down and land near you
You dont feel a thing
Then theres a very loud 'BANG'
You spin around
Then you see
What you really ment to me
My spirit took the bullet for you
I look down one last time
Then I must go down the shrine
You then break down into tears
Then you hear something with your ears
You hear my voice
Calling out your name
You cant wake up
What a shame
You feel my hand
On your face
Guiding you home
In a steady pace
When you finnaly awake
I give one final shake
Then you grab me
And hold me close
you could have lost me
No one knows.
