1 - Old You

Theres nothing I can do now,
I waited too long and POW,
You've changed too much,
It feels more like a punch,
It hurts me to see you like this,
Its the old you I really miss,
Your sweet words stoping me,
From ending my misery,
Now its all gone,
No one left standing but one,
Too much hatered from you,
But I'll be gone so soon,
I'll say my last good-byes,
It's not a real surprise,
You've left me in the dark,
I really miss the park,
You seem so far away,
No one can tell you to stay,
I would give my soul to get you back,
But my soul is something that I lack,
The things we went through,
Doesn't it mean anything to you?
Anything at all?
I made one final phone call.....
