Chapter 1 - Dragons

1 - Dragons

Dragons have wings,
They can do alot of things,
I know one named Kay,
But I really shouldnt say,
Shes the one that came from Hell,
She didn't tell me not to tell,
She burns, she flys, she kills, she sighs,
We always tell eachother lies,
She feeds, she bites, shes drinks, she fights.
She'll never, ever turn on lights,
Her snake, her friends and her brother too,
Can she really include you?
Long tail, huge wings, and big yellow eyes,
Kay's the one that wins first prize,
She'll help you get up on your feet,
It is Kay you'll never beat,
Kay's soul will not ment,
Even though I am her friend.
