All Alone

All alone looking at the sky,
Without a care I sit and stare.
Why am I here,
no one knows.
I have no friends,
cause I'm all alone.
A single tear falls from my face,
wishing for a warm embrace,
knowing that one will never come.
I sit here all alone.
Wishing for the fun that I used to have,
knowing that it had to come to an end.
Sitting and waiting everyday,
wishing and praying in every way.
Still no one hears my cries,
cause no one is there to sigh.
Days come and days go,
but I'm still all alone.
The storm clouds are rollin' in,
but I don't care.
As the rain comes down,
the tears fall from my face.
Soon the storm picks up its pace,
but I don't mind,
cause no one cares about me.
All I want is a friend,
who will be there until the end.
Anyone will do,
anyone at all.
The thunder roars,
and the lightning flashes.
I stand up to look at the sky,
then I collapse to the ground.
I cry out one last time,
wishing someone would hear me,
and come to my side.
This is the night that I leave this world,
knowing that no one cares.
