Chapter 1 - Tomorrow

1 - Tomorrow

Try not to say those hurtful things for tomorrow I may be gone...

Try to cope with my differences for tomorrow I may not be here...

Try to think is it worth ignoring you for tomorrow

I may never speak to you again...

Hold grudges you will regret...

Forgive and you will feel at ease...

What would you do if one day I was gone...

Would you regret Would you care...

Did you not think perhaps why I am different is becasue all I truely want is to be loved to feel loved

If the last thing you showed me was HATE and then I was gone how would you feel...

Perhaps I am different... Perhaps I am annoying but How would you feel if I left

I have been hurt by many Few see my pain... Silent tears lay on my face My heart is broken but I still smile Where as you only care for things that in the long run will fade into emptieness

Let this be known Love you friends no matter how they act Don't hold grudges for tomorrow they may just end up DEAD...
