1 - Angel of Mercy...

Hold on.

Please, just hold onto me.

Don't let go, I don't want to fall.

It's dark down there, it's empty down there.

Down in the abyss, the lonely abyss.

Its void of everything: life, love.....light....

Everything.

So don't let go of me, please, don't let me fall.

I know you hate me right now.

I hate me right now.

I hate everything right now, especially me.

I hate everything right now, except you.

How could I loathe you?

I can never detest you, you're my angel, my savior.

You rescued me from the darkness once before, so don't send me back.

Please, don't send me back.

I'm scared...
