**Chapter 1 - What you do to me...**

**2**

## 1 - What you do to me...

Why is it everytime you say my name,  
my heart skips a beat?  
When I feel you close to me,  
I hear my heart beating in my ears.  
When you speak to me,  
my knees go weak and I almost fall on my face.

What does this mean?

Why are there butterflies in my stomach,  
everytime I hear your name?  
Why are you in my dreams at night,  
and in my thoughts as soon as I wake?  
When we talk,  
I can feel the blush on my cheeks.

I dont understand...

Maybe it's only me who feels it,  
but I do know the reason I feel it...

Its because of you...
