Chapter 1 - I think....

2

1 - I think....

I dont know why, but you're always on my mind,
and in my dreams.

I wake up with the same smile,
that was spread across my face as I drifted off to sleep.
I dont know what to think...

For some reason I can finally understand,
all those cheesey love songs that the radio plays over and over again.
I hum the lyrics to "our song" all day,
everyday, and never get tired of hearing it.
I dont know what this means....

I count the hours, the minutes,
until I can talk to you again.
Each moment passing agonizingly slower than the last.

Then when we're finally together,
the time just flys by.
From seconds to minutes to hours,
all in a heartbeat.

My heartbeat.

I dont know if you've noticed these things,
like I have.
And I dont know what to do about it.

But there is one thing I do know...
This must be love...
