This is meant to be a one shot story to support an anime pairing, but which one? Read and take a guess!

Chapter 1 - A Shattered Soul

2

1 - A Shattered Soul

Hi, everybody! I wrote this thing last school year, and after keeping it for so long, I've decided to post it. I need your help though. Are you asking, "Why?" Well, I'll explain after you read this, so enjoy!

~*~*~*~

It was a bright, summer day. The birds were chirping merrily, and the playing children's cries of joy filled the air. However, there was one poor soul who didn't match this environment.

In a dark, isolated room, there stood a woman, weeping for the man who was taken from her so long ago.

She wore a dress as dark as midnight with a matching pair of gloves on her small, trembling hands. As she fell to her knees in the middle of the cold floor, she cradled in her fingers a silver ring with a blue gem.

Although she was waiting for the tears to fall gently from her smooth, fragile face, none came. She had suffered many hardships, so it seemed almost impossible for her to cry now. All she could do was quietly whisper, "Why?"

~*~*~*~

Well, that was it. Now, I wish to ask for your opinion. Who is the weeping woman? Who is the man she is weeping over? How did she lose him? How is the ring significant? Finally, will she find this man again or find another to love? Make sure that you also tell me what anime these people are from and if any of the characters are OCs. I guess that's all. So, please comment. I really need your help! Oh, and plus, a barrel of cookies goes to the person that can think of a title for this story! This is SnowKitty signing off!
