4 - test

Test doc, saved from Office 2007 saved into 03 format.
Test.

Edit:
Edited using BBcode form.
Testing for format holding.

...

Breaking and spaces are fine while editing a previously un-edited story chapter.
However, if the chapter is saved with the Java editor, all formating of text is lost.
The current Java editor's effect on BBcode is an unknown, some should work but not all.

5 - Test

Testing stories. Testing Comments " "" "hello, it's a nice day today isn't it?"
Said the blind man who picked up his hammer and saw.testing breaks in bbcode.
And now in Java
