## 1 - Rule the school: Operation begin!

A silver haired teenager stood in the middle of a long hallway, lined with four doors on each side. Her room sat opposite her, right in the middle of the back wall. The other eight rooms belonged to her sisters, the door closest to her door belongs to her younger sister, Zakurai. Zakurai has been blind for a lone time, therefore in this teens care. The silver haired teen was the eldest, strongest, wisest and the leader of the sisters, Kaika. She took a deep breath and opened her mouth to yell;

" Wake up! Time to wake up sisters! Rise'n shine!" as she kicked open seven doors and ripped the sheets off each sister.

" Kaika, go away... It's too early." replied the white haired, silver eyed, identical twin sisters, Ima and Inma at the same time.

" Kai...Give us ten more minutes." came the groggy answer from the red headed, green eyed sister, Kanon, who tried to go back to sleep.

" Ima, Inma, Kanon... Get up NOW!" barked Kaika, causing the three sisters to jump out of bed.

" We're up!" they exclaimed in usion. Kaika smiled in satisfaction and walked into the room closest to hers.

" Alright Rai, let's get you ready." Kaika said to her sister, who was sitting up in bed. Zakurai nodded as she stared blankly, with blind eyes, at Kaika. Kaika looked in Zakurai's closet. She pulled out a white picnic dress, Zakurai's charcoal sketchbook, her jasper headband and pure white shoes. After getting her dressed, Kaika began brushing Zakurai's hair.

" Ka..." Zakurai said quietly as she drank some blood.

" Yes Zakurai?" Kaika asked as she stroked Zakurai's hair with the brush.

" Are we in the same classes again?"

" Yes, you and I are."

" Will I be in a wheel chair?"

" No, but going up to the second floor I'll be carrying you up." Kaika explained as she placed the headband on Zakurai's head. Kaika then proceeded to brush her own hair. A girl with teal hair and gold eyes, wearing blue flame pants and shirt walked up to Kaika.

" Are we going?" she asked.

" We are Réka." Kaika replied " Alright girls! We're moving out!"

Everyone cheered and followed Kaika to the kitchen for their thermoses. They then got into the black, blood red spatters all over it, convertable car. Kaika sat in the drivers seat, Zakurai sat in the front passenger seat, the others sat in the back and on the trunk. They blarred music and drank their blood. The school came into viewas the thermoses were a third empty. " Grils, ready to announce our arrival?" They all cheered again.

" Who's the baddest of them all?" the black haired, red eyes sister, Yu cried out.

" US!" they all said in usion.

" Who's gonna rule this school?!" Ima and Inma shouted.

" Three, Two, One!" the grey haired, black eyed sister, Ramé yelled.

" The sisters, the sister, the sisters are gonna be on top. The sister, the sisters, the sisters nine are gonna rule this school!" they all chanted at the top of their lungs as they parked and hopped out. Eight of them formed a pyramid onto of the trunk of the car, with Kaika on top, Zakurai remained on the ground.

" Kaika the leader!" they called as Kaika jumped off and landed in a handstand, she then hopped upright. " Zakurai the talented!" Zakurai jumped onto Kaika's back. " Kanon the goth!" Kanon jumped off

and whirled around " Yu, the siren!" Yu landed in a pose, by now everyone was watching. " Ramé, the cheerleader!"

" Two,Four,Six,Eight. Who do we appreciate!? Sisters, sisters nine!" Ramé chanted and back flipped off.

" Rune of tarot!" the sisters shouted.

" The cards say we're gonna rule!" the brown eyed, platinum blond sister, Rune, exclaimed as she jumped off.

" Réka the athlete!" they called as Réka hopped off the car.

" Ima, Inma. The twins!" Ima and Inma yelled and jumped landing in their pose.

" Sisters, sisters, sister, nine, nine, nine! Sisters, sisters, sisters nine,nine,nine! Sisters nine are gonna RULE.THIS.SCHOOL!" they all yelled at once. The whole school cheered, men whistled at Yu, who smiled.

" Sisters!" Kaika's voice boomed over the cheers and whistles " Time for class!"

" Alright!" the others cheered as they walked into the school. Zakurai stayed close to Kaika.

" I think we already own this school." Ima said as everyone clapped.

" Once Kai's the prez. we'll officially run it." Inma said, enjoying their glorious victory of the whole school. They were walking in a group with Kaika and Zakurai side by side at the front. Kanon stood in front of Yu, while Ramé, Rune, and Réka stood in a row of three. Ima and Inma stood side by side at the back.

## 2 - How talented is the blind girl?

Kaika and zakurai walked into the art room for their first period. Everyone instantly fell silent and stared at Zakurai's eyes, which stared blankly at the room. A girl with green eyes and black hair sneered.

" Look!" she exclaimed as she pointed to zakurai " The talented Zakurai is BLIND!"

The class began muttering to themselves. Zakurai hid behind Kaika, who snarled at the girl. Both recognizing her instantly.

" How is she talented!?" a blue eyed, blond girl demanded.

" Yeah! She's blind!" a baby blue eyed, golden blond haired girl yelled.

" Enough!" Kaika barked, shutting them up. First period was a free art period.

' Thank god.' Kaika thought. " You want to see how she's so talented though blind!? FINE! We'll show you.!" Kaik'd had it, she wasn't going to let Karin make others make fun of zakurai's disability. Kaika took Zakurai's hand and led her to an isle.

" Ka...What are you doing?" zakurai asked as Kaika rumaged through cupboards for paints, cups and pant brushes.

" Getting painting supplies." Kaika grumbled as she filled a cup with water, then the other cups with red, black, white, yellow, green, silver, blue and golden yellow. She placed them in front of Zakurai. " Ok Rai. Paint, in full detail, the last thing you remember seeing before you went blind." Kaika instructed. zakurai froze and turned to Kaika.

" EVERY LAST DETAIL?" zakurai asked. Kaika's voice dropped for Zakurai just to hear.

" Every detail, EXCEPT Karin, the other sisters and my fangs." Kaika whispered in her ear " Shadow out everything about Karin, except her teeth and figure."

Zakurai nodded and began to paint the scene.

" I can still see it." Zakurai muttered as she painted a full moon, black clouds, dark buildings with lights" The moon, the buildings, Kaika protecting me as the poison killed my vision." tears rolled down Zakurai's face as the strokes became more and more fast and short. The class stared at the painting, even Karin was shocked. Though she was shocked also because Zakurai remember it. " That day was the last day I saw. That night, that moment was the last thing I saw." Zakurai set the brush into the silver and painted Kaika's hair, the last piece of the scene. " The last person I saw was Kaika, her face. The last thing I felt was the poison. My vision was gone, blurred, darkened, black." Zakurai fell over onto the floor, the painting was finished. Karin was clearly visible in color.

" Rai? Rai? Zakurai?" Kaika called as she ran to her sister " zakurai answer me!" Kaika rolled Zakurai onto her back, she was unconscious.

' Sisters! Meet me in the main lobby!' Kaika barked telepathically to the others.

' We'll be right there.' they replied. Kaika picked Zakurai up, ignoring everyone else.

### 3 - Family doctor and confession

Kaika found all seven sisters in the huge school lobby after sging them all out.

"Kaika what's going on?" Réka asked worriedly.

" Everyone in the car. NOW!" Kaika snarled.

" You're lucky she's in a bad mood Yu." Ima snarled. Yu smiled innocently as they all went to the car.

Kaika put Zakurai in and they drove off. The school vanished behind them and a blue volvo pulled up beside them. The window rolled down revealing a woman with aqua eyes and blue hair.

" Kaika what happened?" the woman asked.

" I got careless and Zakurai suffered." Kaika replied as they neared the house.

" HOW did you get careless?"

To the other sisters' awe, Kaika was silent.

" I got angry, everyone was making fun of her again. Karin was there too."

" Kaika did she remember?"

Kaika kept silent after that, she said nothing the rest of the way home. They pulled into the driveway and

Kaika took Zakurai inside and laid her on the bed in her room. Kaika then let the woman go in and left.

She sat in her chair, leaned forward and put her head in her hands. Rune sat at the coffee table using her cards, the same three every time. Réka got a cup of blood and walked up to Kaika, holding it out.

"Kai, you should drink." she said softly. Kaika took the cup and drained it. The sisters sat down and looked at Kaika.

"What's wrong?" Kanon asked.

" Yeah, we've never seen you so down." Ramé said. Kaika shook her head as tears pricked her eyes.

"I messed up." Kaika said as tears ran down her face. The other sisters had never seen Kaika cry, nor hear her say she messed up. " I messed up big, I've cost Zakurai her month." Kaika lifted her head and the sisters saw red tears.

"How?" Ima asked. Kaika let her hands fall and hang between her knees.

" Zakurai's blindness is my fault" Kaika replied as more tears fell.

" Kai, we all know it was Karin."

" Karin got poison in Zakurai's eyes =. I didn't get there, nor flush it out fast enough to stop it."

"Kai, it's not your fault." Rune said quietly " But if this keeps up the cards say we'll all suffer."

Everyone stared at Rune questioningly as she shuffled her cards again and placed them in a diamond shaped.

"Rune, what've they said?" Kaika asked.

" Once Nikuro's done." Rune replied as Nikuro came from Zakurai's room and looked at Kaika.

" She'll be fine, just give her teachers the note I left on her desk and don't push her." Nikuro said, putting emphasis on the word 'don't'.

" Alright, I'll apologize to Rai when she wakes up." Kaika muttered as red tears spilled over again. Nikuro nodded and handed Kaika a piece of paper.

" You'll be in a bit of pain, but please keep taking them." Nikuro said to her then left Kaika staring at the paper and sighed to herself.

## 4 - Rune's reading
