The Jelly-Fish Diner

Chapter 1: I'm Wondering

SpongeBob sang merrily as he walked down the road.

Today's gonna be a great day!

Today's gonna be a great day!

Scooba de doo doo da!

Patrick: "Hi SpongeBob!"

For some odd, you'll know in a minute reason Pat was running.

SpongeBob: "Hi Patrick! Ah, buddy. Why are you running?"

Patrick: "I'm trying to get off the WeightWatchers wanted list."

SpongeBob: "Okay buddy! Good luck! See you later!"

Patrick: "Bye SpongeBob!"

Later on, SpongeBob was flipping patties when Mr. Krabs, the owner and manager of the Krusty Krab, walked through the kitchen door.

Mr. Krabs: "SpongeBob! Guess how much money we have got in the last year?!"

SpongeBob: "Ummm....\$500!"

Mr. Krabs: "No you barnacle head! \$5,000,000!"

SpongeBob: "In how many years?"

His face had an excited expression.

Mr. Krabs: "One!"

SpongeBob: "Wow! That's awesome! We aren't even a 4 star restaurant!"

Mr. Krabs walked away, smiling in what knot.

SpongeBob: "All I get an hour for my pay is a penny, and every week I get 54 cents! That's cheap!"

Mr. Krabs burst through the kitchen door again, redder than ever with anger.

Mr. Krabs: "What did you say boy?"

SpongeBob: "I'm lucky to have a great boss!"

Mr. Krabs had a frown on his face. He walked away.

SpongeBob: "I wonder what it would be like if I had my own 5 star restaurant."

SpongeBob went into dream scene. Just before we got to see his conscious, Squidward rang the "order up" bell.

Squidward: "A double krabby patty with extra pickles!"

SpongeBob then grabbed a bun, pickles, and the works. He dazily gave it to Squid.

SpongeBob: "I'm tired of flipping patties! I want my own restaurant!"

Chapter 2: The Smartest Star in the World

At the end of his shift, SpongeBob went straight home...

SpongeBob: "I just don't know why I've suddenly turned on being frycook Gary! I just want this so badly!"

Gary: "Meow!" (But, if your resturaunt doesn't do too good, we won't have enough money to pay the bills!)

SpongeBob: "RRRRRRR! I need to think. What kind of diner would I build? Would it be themed? Would it not be?"

Gary: "Meow." (I'm going to go play tennis. Tell me when you realized you've had it with you all the time.)

SpongeBob: "Maybe I just need to jellyfish for a while. Maybe I just need to have some fun."

With that, he grabbed his coat and walked to Patrick's house. Pat was sitting in front of his television set, eating double brownie choclate fudge triple gooberberry sundaes. And jelly-filled donuts.

SpongeBob: "Hey Pat! Wanna go jellyfishing?"

SpongeBob was trying hard to hold back his anger.

Patrick: "SpongeBob, calm down. I can tell your angry. Now, what are you angry about?"

SpongeBob: "Nothing."

He twitched.

Patrick: "Tell me!"

SpongeBob: "Fine! Uh! I wanna...I wanna open my own diner. I don't want to work at the Krusty Krab anymore."

Patrick: "What? I' sorry, SpongeBob. I'm watching *The World of Fortune*."

SpongeBob: "I wanna open my own diner. I don't want to work at the Krusty Krab anymore."

Patrick: "Go Spongey! Wait...is it a themed diner?"

SpongeBob: "I'm still deciding if I should open one. I know it would be lots of fun, but..."

Patrick: "Well, you will probably think of something. Why don't we go jellyfishing?"

SpongeBob: "Come on Pat!"

Patrick: "Fine, we'll stay home. I guess you don't want a jelly krabby patty."

Patrick crossed his arms, upset and grumpy.

SpongeBob: "Pat! That's it!"

Patrick: "What's it?"

SpongeBob: "How about a jelly restaurant?"

Patrick: "Good idea!"

Chapter 3: The Making of a Resturaunt

SpongeBob: "Okay, Gary! Now that I've got the blue prints, I need a menu!"

He tapped a pencil on his chin. He was thinkg HARD!

SpongeBob: "I've got it!"

Gary: "Meow!" (So you got it done? Cool!)

SpongeBob: "Yes Gary! Very cool! Sizzlin'! ZZZZZZZZZZZZZZZZZZZ!"

Gary: "Meow, meow." (Okay, it's not that cool.)

SpongeBob: "Sorry. (He snaps with his fingers) Now I've got to get codes, like fire codes, storm codes, and all that stuff!"

Chapter 4: The Owner's Fever

SpongeBob: "Goodnight Gary!"

Gary: "Mewo!" (Goodnight.)

The next morning, SpongeBob woke up with a temperature of 106.7oF. He couldn't stop singing:

Jellyfish Jellyfish!

He thought he should go to Mr. Krabs, even though Mr. Krabs might not help him after he quit.

Then he decided to just go to a doctor.

He picked up the phone, and dialed Patrick.

SpongeBob: "Hi Patrick. I'm kinda sick and...need to go to the doctor. Can you bring me?"

Patrick: "Sure. Be over there in a minute buddy!"

Then a knock came from the door.

SpongeBob went to the door and was suprised to find Patrick.

SpongeBob: "Wow! That was quick!"

Patrick: "Well, I heard you calling me. I was just on my way over here, so we could ruin Squid's day."

SpongeBob: "Oh. Well let's go!"

Patrick: "Buddy."

SpongeBob sang all the way to the hospital.

Later on.....

Doctor: "Well, you just have a simple case of Owner's Fever. Happens to all proud owner's of public places or clubs. Don't worry. It's very common."

SpongeBob: "Thanks doc."

He and Pat left, and Spongey wa sover it with in 6 hours.

Chaptetr 5: Expect the Un-Expected

SpongeBob sat happily in some place that smelled fresh and new. The Jellyfish Diner! It's completed! The menu was up, some teens were hired and Mr. Krabs burst through the door.

Mr. Krabs: "I'll have a jelly patty."

SpongeBob suddenly handed him a patty. Mr. Krabs took a bite. He smiled and nodded "awesome!"

Mr. Krabs: "I'll tell everyone!"

Soon the place was filled to capacity.

Squilliam pooped up scanning the menu.

Squilliam: "I'll have a-"

SpongeBob: "Squilliam? What are you doing here? This isn't a 5 star resturaunt."

Squilliam: "I heard this place was great. Anyway, I'll have a....Jelly Deluxe Meal."

SpongeBob: "That'll be \$8.00."

Squilliam: "Wow! Your a lot better than that cheapskate Krabs!"

SpongeBob: "Well, sir, if you do have comments, we have a comment box just by the men's bathroom."

Squilliam: "You can really run a resturaunt, SquarePants!"

SpongeBob: "Why thank you, Mr. Unibrow."

Squilliam: "That's not my last name."

SpongeBob: "Oh. Well, here's your meal."

Squilliam walked away, sat at table 6, and enjoyed his meal.

Then, the Flying Dutchman appeared!

Customor 1: "AHHH!"

Customer 2: "Double AHHHH!"

Flying Dutchman: "I'll have 3 Jelly Deluxes and 2 Seaa-Nut Butter and Jelly Sandwiches."

SpongeBob: "Flying Dutchman? Your...your here?"

Flying Dutchman: "Yeah, yeah. The news spreads fast. So how much will this cost?"

SpongeBob: "That'll be \$54.00, please."

Flying Dutchman: "Let me try the things first!"

The Flying Dutchman tried them and nodded.

Flying Dutchman: "Yummy! This is the best!"

Then evil came through the doors...Plankton!

Chapter 6: Stealing the Patty

SpongeBob: "Plankton!!!"

Plankton: "SpongeBob!!!"

SpongeBob: "Plankton!!!"

Plankton: "SpongeBob!!!"

SpongeBob: "Plankton!!!"

Plankton: "SpongeBob!!!"

SpongeBob: "Would like to try something?"

Plankton: "I'll try the home or main thing."

SpongeBob: "The Sea-Nut Butter and Jelly sandwich which is \$15.00."

Plankton: "Gimme!"

SpongeBob gave Plankton a patty, and Plankton acted like all the others.

Plankton: "This is the best! Is there a secret recipe?"

SpongeBob: "Yes."

Plankton: "Something else that will put me in business!"

Plankton ran off with the patty.

SpongeBob picked the patty off of him.

SpongeBob: "Uh, uh, uh!"

Plankton: "I will be back SquarePants! I will be back!"

SpongeBob: "Bye. Sheldon!"

Plankton: "My name is Sheldon James Plankton, but everyone knows that's a geek name so don't call me that!"

SpongeBob: "Again, bye Sheldon!"

Plankton: "Ahhh! I said don't call me that!"

SpongeBob: "Bye Plankton!"

Plankton walked out the door.

SpongeBob: "Sheldon. Ha, ha, ha, ha, ha, ha, ha!"

Chapter 7: Best Buddies

SpongeBob: "Come again sir."

SpongeBob saluted happily. He loved this business. Frycooking is in the past. Now it's been a week and already 900,876 visits.

Squidward then had burst through the door. He had a frown on his face.

SpongeBob: "Squidward! I haven't seen-"

Squidward: "Quiet, SquarePants! Give me a jelly patty now!"

SpongeBob: "You got it sir."

SpongeBob gave Squidward what he ordered and tried to make a conversation.

SpongeBob: "So, how's the Krusty Krab been without me?"

Squidward: "We've only had 10 customors this week."

SpongeBob: "So have you gotten any time for your music and art?"

Squidward: "This is stupendous! Can I try everything on the menu?"

SpongeBob: "You have to answer my quiestion first."

Squidward: "So what was it?"

SpongeBob: "Have you gotten any time to practice your music and art?"

Squidward: "Yeah. I've brung it to work lately."

SpongeBob: 'Great! Now, this is on the house! You know, best buddies in all. Unless you want to pay.....\$45.79"

Squidward: "I'll take it on the house."

SpongeBob: "Great! Now, umm...here's your order."

Squidward: "SpongeBob, this is the best diner in the world!"

SpongeBob: "Well, thank you Squidward. Now...how's Mr. Krabs?"

Squidward: "He's had like 1,000 breakdowns. You've been on the news a thousand times."

SpongeBob: Great!"

And the two finally got to hit off. They laughed about old memories, and joked about jokes.

Chapter 8: Mind Control and Simon Says

Patrick walked through the door wearing a mind control bucket helmet. It looked like Godzilla could see, even if Patrick were an ant, but SpongeBob didn't notice at first.

SpongeBob: "Hey Pat! What will ya order?"

Patrick: "Must destroy SquarePants! Must destroy SquarePants!"

SpongeBob: "I'm sorry, Pat, say it again."

Then, all of a sudden, Bikini Bottom burst through the doors. Colorful, but evilly dull. They all looked like zombies.

Bikini Bottom: "Must destroy SquarePants! Must destroy SquarePants!"

SpongeBob: "SquarePants? Who's he?"

Plankton dropped in front of SpongeBob, on his nose.

Plankton: "You! See, these were all installed last night while everyone was sleeping. They woke up, wanting to hurt you!"

SpongeBob: "Plankton!"

Plankton: "We're not going through that game again. Uh uh, no way. You are just avoiding going to heaven!"

SpongeBob: "No, I'm playing a game!"

Plankton: "What game?"

SpongeBob: "Well, I was trying to get your attention! Now then, Simon Says..... stop the mind control madness!"

Plankton: "No! I didn't ever say I was playing! You square, dumb, little sponge!"

SpongeBob looked over the harmful, mind controled fish and fellow residents then he saw someone running towards the diner. He wasn't wearing a bucket helmet! It was Squidward!

SpongeBob. "Simon Says Squidward is coming!"

Chapter 9: Best Buddy To The Rescue

Squidward: "Don't worry SpongeBob! I'm coming"

SpongeBob: "You might want to hurry buddy!"

With that saying, Patrick's helmet broke.

Squidward: "Here I am! I've got a three lashes. One for you and one for me-"

Patrick: "And me!"

Squidward: "Yes, Patrick and you. Now, wack at the helmets atleast twice and it should help. If it doesn't brake, whip it until it does. I'll take care of Plankton. Now go, go, go!"

SpongeBob: "Yes Patrick, he's one of our new best friends."

Patrick: "Hey! The bigger, the better!"

SpongeBob: "That's good spirit! Now we've got to save the Jellyfish Diner-topia!"

Patrick: "Diner-topia? I thought it was diner?"

SpongeBob: "I changed it. Pat look out!"

With that, Patrick and SpongeBob whipped the lashes like nuts.

Squidward: "That's right! Get away, you naughty, stupid, stubby freak!"

Plankton: "Okay! I promise, I won't come around any more. Don't worry."

He ran all the way down to the Chum Bucket. But when Squidward came back to the diner, Patrick and SpongeBob were whipping at the biggest creature there-King Neptune.

King Neptune: "Destroy SquarePants! Destroy SquarePants! Destroy SquarePants! Destroy SquarePants! Destroy SquarePants! Destroy SquarePants! Destroy SquarePants!"

SpongeBob: "AHH! This won't work!"

Squidward: "Umm...drive him so mad, he'll burst!"

SpongeBob: "Okay! Hey freak! What's up? You wanna go destroy King's castle?"
