1 - Trouble Starting

Disclaimer: I do not own the Loonatics.

Prologue

Scene: Loonatics Headquarters

It was another fine day in Acmetropolis. The Loonatics were doing their usual activities. Ace was meditating; Slam was eating pizza; Duck was looking at himself in a mirror; Lexi was listening to her music; and Tech was building a new ray gun. Rev suddenly zoomed in holding a small piece of paper.

Rev: "Hey-Tech. You-won't-believe-what-I-found-in-the-mail!"

Tech: "What, Rev?"

Rev: "It's-an-invite-to-the-Acme-Tech-reunion.
Won't-it-be-fun-mingling-with-old-friends-and-talking-about-old-times? "

Tech: "I...uh...wish I could go, but I have too much to work to do here. Besides, there are some memories I don't want to relive."

Ace: "Oh come on, Tech. A college reunion sounds like a lot of fun. Besides, you've been working to hard lately."

Lexi: "yeah. You deserve a little time-off."

Tech: "What if there's an emergency?"

Then there was a ring. It was Zadavia calling.

Duck: "What's up, Boss Lady?"

Zadavia: "I just received word that there has been a breakout at the Acmetropolis Prison. Mastermind, Sypher, and Massive have escaped."

Ace: "Any idea where the terrible trio are heading?"

Zadavia: "I suspect that Mallory will return to the University. SHe may want revenge on the school for sending her off to prison after her accident. Tech, I know it may be hard for you, but you have to go to the reunion to protect the people from Mastermind's wrath. Zadavia out." (end transmission)

Tech: "Looks like I'm going."

Duck: (to Ace) "What did Zadavia mean by hard for Tech?"

Ace: "You got me."

Scene: Alley

Meanwhile, in an alley across town, Mallory, Massive, and Sypher were plotting their next villainous plan.

Sypher: "So, Brainiac, what do you think we should do at the University?"

Mallory: "Revenge, of course, Sypher. A certain coyote I know is going to be there."

Massive: "That means the other Loonatics will be there as well."

Sypher: "Yeah. We'll just wait until one of them is alone, and strike."

Mallory: "Then we are gonna give my ex-classmates a reunion they won't forget."

Mallory takes a piece of paper out of her purse. It was an invite to the reunion.

Mallory: "Who would send me an invitation?"

2 - Old Enemy and Friend...and a Secret to Boot

Scene: Outside Acme Tech University

People were gathering inside the University. Some were coming out of limos. Tech was wearing the cape and boots from "The Cloak of Black Velvet". He and the other Loonatics were heading inside.

Tech: (to Duck) "I can't believe you talked me into wearing this get-up, Duck."

Duck: "Oh come on, Tech. You need to stand out for your old college chums. Don't you want to show them how much of superhero you turned out?"

Tech: "I rather not stand out if it will allow Mastermind to spot me."

Ace: "He's got a point."

Duck: "So I forgot about her! Sue me!"

The Loonatics went inside the Rec Center where the party is being held. People were dancing to the music. Tech was nervously looking around.

Ace: "Everything okay, Tech? You look nervous."

Tech: "Let's just say that I had more than a science rep in Acme Tech."

Ace and Tech spot some girls flirting with him.

Girls: "Hiiiiiiiiii, Teeeeeeeeeeeech!"

Tech blushes with embarrassment.

Ace: "Whoa! I didn't know you were a lady's man, Tech."

Duck: "Tech is a techno geek who gets all the girls. What is wrong with this picture? Just plain lucky I guess."

Tech: "Take it from me, Duck. Being a hit with the female minds here wasn't easy. I never got enough space, especially from one annoying snob."

Then Rev and Tech head a familiar voice. A blonde girl wearing a red and black skirt came running toward them.

Girl: "Tech! Rev!"

Tech: "Jamie? Jamie Sullivan!"

Rev: "Hey-Jamie!"

Tech and Rev hugged the girl called Jamie.

Lexi: "You two know her?"

Tech: "Guys, this is Jamie Sullivan. We were friends in the Institute."

Rev: "Jamie-had-a-keen-eye-for-detail. Her-department-in-science-is-forensics."

Jamie: "Now I'm the head of Forensics at the Acmetropolis Police Department."

Ace: Hi. I'm.."

Jamie: "no need for intros. I know who you guys are. Ace, Lexi, Slam, and Danger Duck."

Tech: "So what have the other girls been doing?"

Jamie: "Most of the girls have formed Loonatic fan clubs."

Duck: "Wow! I'm becoming popular."

Jamie: "Actually, most of tem are tech fan clubs."

Tech: "Now you guys know why I didn;t want to come."

Jamie: "Anyway, Tech. I just need to warn you. Frieda Hellens has been invited to the party."

Tech: "Not Freaky Frieda! Hide me!" *ducks behind the refreshment table*

Duck: "Wait! Frieda Hellens, as in Acmetropolis's top computer programmer? She's the annoying snob."

Tech: "Yeah. She was delusional. She kept thinking that I was boyfriend even when I turned down her dates. Plus she degraded someone I was very close to."

A girl with brown hair, wearing a white lab coat and glasses was approaching the group. It was Frieda Hellens.

Frieda: "Hi, Techie-Poo!"

Tech: "Oh no! *sighs* Hi, Frieda."

Frieda: "I heard you became a superhero since the meteor crash. Preeety cool."

Duck: "Hi. I'm Danger Duck, the brains behind the Loonati-"

Frieda: "Don't care. (To Tech) I heard you have been taking on your old girl friend. So I guess it is really over between you and Mallory."

The rest of the Loonatics gasped.

Ace: "Hold up! You and Mallory use to date?!"

Tech: (angrily) "Look, Ace it was a long time ago, and I rather not talk about it. I need to be alone right now."

Tech walks out of the gym.

Duck: (to Frieda) " You, Ms. Hellens, are totally despicable."

Lexi: "You said it Duck"

Frieda rases at Duck.
