**Chapter 1 - My Secret Love**

**2**

# 1 - My Secret Love

My Secret Love I study his hands as he strums the guitar, His lips as he mouths the words to the song. I study his body, his legs jumping, His hair bouncing, his eyes scanning the crowd. His finger is pointing now, And I swear for a second it's pointed at me. But it couldn't be. Why? Because he doesn't know that I exist. No matter how hard I cry, how hard I try, He will never know the real me. Know who? Just a girl, With a big thing in her heart Blocking her mind with thoughts of him, And flooding her eyes with tears. Because of what? Him. And who is he? The love, the love that never really dies. And I think, what am I to him? Just a face in the crowd.
