Chapter 1 - Our Love

2

1 - Our Love

We said I love you, We said we'd never leave, But it was all a lie. Everything you said to me, It's coming back now, And haunting me every night. I thought you loved me, I thought you cared, But I was wrong. None of my feelings have changed, But I guess yours have. I've bleed for you, But you still don't come back!
