1 - The Truth

It's come to this now, And I can't believe it. I've waited and waited, But you never come back. I need to know now. Please just tell me the truth, So I'll know what to do. I can't take it anymore. I need you here, By my side, holding me, I want to laugh, scream, And cry with you. I want to be with you, Until I die and I'm freed from my chains, That holds me to my solid prison.
