<b>Chapter 2 - Digi battle</b>	<b>6</b>

## 1 - the start of a adventure

*"I loved you, where are you now. we got parted by death, why did you go? why did you leave, you left me here, all alone. it's hard to beleve you are gone, please come back to me my friend, and let our friendship never end. that was the text wrighted down on the piece of paper Michelle hold in her hand. it was hard to read and the note was old and had becomed yellow. the fullmoon was on the middle of the sky and the stars was twinkeing. But suddenly a ghost like creature steped out of the water, it had no reflection and no sade, it had big ears twhere it was looked like it was missing a few pieces. on the top of them there was purple tufts. in the middle of the creatures forhead it was a star, it had two sharp vampire like fangs, a big fox tail and wite wings. it's eyes was glowing green and it didn't look happy. Michelle took a few steps back and she was shaking in fear. she sobed and looked at the creature who walked thowards her. "Why are you here, and what do you want!?" the creature said "I...i was j...just looking for..s...something" Michelle replied. "YOU LIAR! THIS PLASE BELONGS TO ME! ME AND DEENA! SO STAY AWAY FROM HERE!" The creaure yelled and it's eyes started to glow more. "I...i...i..i'll go...just leave me alone" Michelle said. "No one comes here and disturbs me and gets away whit it!" the creature yelled and raised her paw. "Eye of death!" it yelled and Michelle fell to the ground. The next day a lady who was out for a walk whit her dog finded Michelle, she wasn't moving and not breathing. her skin was all wite, she was dead. Michelle was killd bu the mysic creature on the beach, and still today you can see the creature and the ghost of Michelle walking around on the beach." The teacher Ms.Corall closed the book and looked out at the class.*

"What did you think?" she asked

"It can't be finnished already!" A girl named Corina said.

"It wasn't eaven scairy..." A boy named Seamus said.

"I think it was cool, i think i'm gonna go down to the beach some time and try to see Michelle and the creature" a girl named Deena said.

"You just say that cause they said your name!" Seamus yelled.

"Well duh! Of course not! I realy mean what i'm saying!" Deena yelled back.

"I agree whit Deena, it was awesome and i think i'm gonna go down to the beach as well." A boy named Maxwell said.

"Awww how cute. Maxwell and Deena sitting in a tree and K-I-S-S-I-N-G." The class own little diva Vicky said and the whole class started lauging.

"WE ARE NOT A COUPLE!" Maxwell and Deena yelled.

"Ok stop it now!" Ms. Corall shouted.

The whole class becomed quiet exept some giggeling and whispers.

"That's better. Well, that was all I guess, take your books and put the chairs on the table and then it's time to go home for today." Ms. Corall said whit her honey sweet voice.

The class colected their books and puted up the chairs and walked out from the class room. Maxwell and Deena stayed a lil extra as always and talked. They were best friends sience they were five yeres old. and now they were forteen. Maxwell was digidestined and had a digimon named Maneemon. the only one who knowed about Maneemon was Maxwell, and Deena of course. No one else knowed about it. Deena loved all whit Maxwell but she just didn't dare to tell him that. Maxwell feeled the same for Deena but not eaven he dared to say it. Deena had no own digimon but she dreamed about having one, and she hoped it would come pretty soon.

"You wanna come to my house today? We could talk about our trip to the beach, and we kinda need time to make Maneemon to come whit us." Maxwell said as he opened his locker.

"Sure, I would love to" Deena said and smiled as she grabed her bag and closed her locker.

"Perfect." Mawell said and grabed his back and closed the locker.

Suddenly somethig from his bag started to give away a beeping noice.

"Is it your digivice again?" Deena asked.

"No it's my D-terminal..." Maxwell replyed and picked up his D-terminal from his bag.

A D-terminal was a kind of mini computer, where you you could take contactt whit other digidestined and the digiworld.

"Nothing inportant...it was just Maneemon who wondered when i'm coming home." Maxwell puted down the D-terminal again.

"ok...maybe we should start walking then?" Deena said.

Maxwell nodded and they started to walk. Deena grabed Maxwell's hand and smiled. Maxwell grabed Deenas hand and both of them blushed a little. when they noticed they were both bushing they looked away. but then they just started lauging.

### **Later at Maxwell's house**

"Mom! Dad! I'm home now!" Mawell shouded and took off his shoes and picked up the D-terminal and digivice from his bag and puted them in his pocket.

Maxwell and Deena walked upstairs to Maxwell's room, when they walked in to his room they saw Maneemon on the bed. When he looked at the door and saw Maxwell and Deena he jumped out from the bed and runed to them.

"YOU'RE HOME!!! MAX, MY BEST FRIEND IN THE WHOLE WORLD!! AND HIS FRIEND TOO!! I'M SO LUCKY!!!!" Maneemon shouted and hugged Maxwell.

"Take it easy." Maxwell said and giggled.

"Hiya again Maneemon." Deena said and smiled.

"DEENA!!!" Maneemon shouted and jumped up in her arms and hugged her.

"Nice to see you too Maneemon" Deena said and hugged him.

"Hey Maneemon, would you like to help us with something?" Maxwell said.

"What is it about?" Maneemon said and looked at Maxwell.

"Just something at the beach..." Maxwell said

"you aren't going to look for Michelle and Pearlmon, are you?" Maneemon said.

"Pearlmon? is that what it's named?" Deena said

"Yes it's named Pearlmon...One old friend of mine..." Maneemon said and jumped down.

"your friend?" Maxwell said.

"Yes..i'm gonna tell you the story. A Long time ago, before I met you i had a friend named Pearlmon. she and her tamer Deena was best friends and always together. they loved each other, and they never was apart. They was like you and me but they didn't even separate when Deena had to go to school. But one day when they were at the beach, their favourite place on earth it happened, a huge wave came up from the water, when it went back Pearlmon and Deena was dragged down in to the water. Pearlmon climbed up on a rock over the surface but she couldn't see Deena. She called her name over and over again, but no one replied. she started to look for her, she swam around in the water for days, but still she couldn't find her. she went back to the beach, but she was too tired, so when she was back she fell to the ground and died. and her ghost is still walking around on the beach and looking for Deena, her best friend and tamer. but with out any clue. any one who is there on the night when it's full moon is killed by the ghost of Pearlmon." Maneemon said and sighed.

"That is terrible." Deena said and looked at Maneemon.

"yes it really is...and it's just getting worse, look at this." Maneemon said and showed them the front page of the daily newspaper.

"Two young girls found dead on the beach yesterday night. The police has no idea about who the murder is, but they are still searching" Maxwell read

"Can it be Pearlmon who have done this?" Deena asked.

"Yes...i'm sure it is..." Maneemon replied

"We have to find Pearlmon, if we don't every one is going to get killd, it's soon bath season, and the beach will be full of people every day!" Maxwell shouted

"Yes...but we can't do anything, Pearlmon in realy powerfull, and she can still digivolve." Maneemon said.

"Yes she can, but we have you Maneemon. I'm not afraid of a little digimon. We are going, tonight. " Maxwell said and picked up his digivice

## 2 - Digi battle

"NOW!?! TONIGHT?! ARE YOU INSANE!?" Maneemon yelled.

"No I'm not insane...I'm just trying to stop a evil digimon from killing every one..." Maxwell answered

"And besides, It's not fullmoon tonight. Pearlmon won't see us." Deena said.

"Not be too sure...it wasn't fullmoon yesterday night either. But the girls was killd anyway." Maneemon said.

"Maybe, but that doesn't stop us from going there, and you are coming whit us. so we are safe." Maxwell said.

"I have tild you, not eaven as Shivamon am I strong enough to beat Pearlmon." Maneemon said and sighed.

"But you can armor digivolve to Hanemon so you got to be able to beat her then..." Deena said.

"No...I have told you...and whit her attack *eye of death* I have no chanse..." Maneemon said and looked at Deena.

"What exactly does that attack do?" Deena asked

"It kills you...it kills anyone who is in her way..." Maneemon replied and looked a little bit sad and worried.

"But...she sure remembers you...so she might not kill you..." Maxwell said.

"No...she doesn't remember...I have tried to talk to her before...but I almost died, and she didn't eaven digivolve to her champion form." Maneemon said sat down on the floor.

"But we still have to try...I'll take the crest and digivice whit me...you have to come." Maxwell said and looked at maneemon.

"Ok...i'll do it...but if any one dies, then it's not my fault..." Maneemon said and stood up.

"Shall we go?" Deena said and looked at Maxwell and Maneemon.

"Sure, it's pretty dark outside already..." Maxwell said and walked out from his room. And Deena and Maneemon followed him.

They walked for a pretty long while, because they walked pretty slow and Maxwell stared to change his mind but he didn't want to tell Deena cause then she might think he was childish and a coward. but he

didn't know that Deena felt the same as him but she didn't tell anything either.

"There it is." Maneemon said and pointed.

"Ok, here we go." Maxwell said and picked up his crest and put it around his neck.

"This is so exciting!" Deena said and walked towards the beach.

"Yes...really..." Maneemon said and followed Deena.

"Wait for me!" Maxwell shouted and ran after them.

The fog started to surround the beach and a soft and sad but still beautiful song was all around them *Why did you go? why did you leave? can't you come back to me, I miss you, can't find you. need you here, please come back. don't let me be alone here, my broken heart screams for you in the night, please come back to me my friend.* Maxwell and Deena listened very carefully and heard that the voice was coming from the water, or...was it from the fog? they looked out on the water and saw something white sitting on a big rock. It has no shade and no reflection and its eyes were closed and a tear was falling down its cheek. Suddenly it stopped singing and looked open its eyes and looked at Maxwell, Deena and Maneemon. When it was them its eyes started to glow green and it jumped down in the water and ran towards them and jumped up on the beach.

"Who gave you permission to come here?!" it yelled.

"Pearlmon, please listen to me. It's me, Maneemon. Don't you remember?" Maneemon said and looked at Pearlmon.

"Maneemon, is it you? It was a while since we saw the last time. and I see you have brought some friends with you..." Pearlmon said and looked at Deena and Maxwell.

"Don't hurt them!" Maneemon yelled.

"I won't hurt them. yet..." Pearlmon said and laughed.

"Please, don't hurt us, we are here to help you." Deena said.

"D...D..Deena? is it you?!" Pearlmon said and her eyes stopped glowing.

Deena looked scared at Pearlmon.

"N..n...no...or...I mean...yes...my name is Deena." Deena said.

"I have found you, finally my song has got heard by you. and you are here!" Pearlmon said and hugged Deena.

"What the..." Maneemon said and looked at Pearlmon.

"Sorry but...I'm not the Deena you have looked for...I wish i was but i'm not..." Deena said.

"But you have to...no....no...NO!" Pearlmon shouted and fell to the ground.

"Sorry..." Deena said and looked at Pearlmon.

"You should be! you and your friends has just got a one way ticket to hell!" She shouted and stood up.

"Please don't hurt us..." Deena said.

"To late!" Pearlmon said and her eyes started to glow.

"Maneemon! NOW!!" Maxwell shouted.

"Yes! Maneemon armor digivolve to...." Maneemon shouted as he started to glow and grow.

"What?!" Pearlmon shouted and looked at Maneemon.

"The light in darkness Hanemon!" Maneemon shouted and now there was a big winged mix of cat, dragon and lion was stanging infront of them.

"if you hurt them, you will be sorry!" Hanemon shouted.

"Is it like this you want it? then shure! how about a digivolve fight?!" Pearlmon shouted.

"NO!" Hanemon, Deena and Maxwell shouted.

"Whit the power of the ghosts and the light of the moon, assist me and digivolve!" Pearlmon shouted.

Pearlmon started to become digital and glow. Her eyes turned in to black and she got surrounded by a star. then the star broke and there was no Pearlmon, instead there was a elf like woman dressed in brown dirty cloth, her back had big dragon like red wings and her hair was long and black, and full of feathers and black roses. in her hand she hold a big sword.

"Here is Nymphimon!" she said and laughed a little.

"No...it can't be true..." Hanemon said and looked at Nymphimon

"Are you giving up already?!" Nymphimon said and smiles a little.

"Never!" Hanemon shouted.

"Then let's go!" Nymphimon shouted and lifted up her sword.

"Flaming beam!" Hanemon shouted.

"Nightmare song!" Nymphimon shouted and Hanemon's attack whiped away and Hanemon fell to the

ground and screamed.

"HANEMON!" Deena and Maxwell shouted

"Your friend is just so pathetic...now it's your turn..." Nymphimon said and looked at Maxwell and Deena.

"Leave them alone!" Hanemon Shouted and attacked Nymphimon from behind and held her down to the ground.

"Why should I?! I didn't just come here! This is my place!" Nymphimon shouted and looked at Deena.

"You really look like Deena...and your name is Deena. you have to be the person I have searched for..."

"Sorry, I'm not, I'm sure about that..." Deena answered.

"Deena isn't even dead!" Maxwell shouted.

"Maybe not...but still she looks like my friend Deena..." Nymphimon said and pushed Hanemon away.

"Stay away!" Maxwell shouted and ran up in front of Nymphimon.

"Out of my way little boy! or someone might get hurt!" she said and looked at Hanemon
