Fear: It's owner can take care of that!

Unknown: *sighs* look at it! it's dirty, wet and cold! i don't think she has a owner!

Fear: don't be that sure, of course it has a owner!

Unknown: you just don't like her that's all, and if she has a owner then i'll give her back, as soon as i see anything about a missing kitten.

Fear: yeah... she cares more about that stupid pet more than she cares about me...

Sutaru: someone is jealous.

Fear: No, of course not.

Sutaru: if you say so...

Fear: *sighs*

Sutaru: well... i think i have to go...

Fear: do so... *thinks: finally*

Sutaru: *walks away*

Fear: *walks back to the house and walks up to his room*

(Fear looked around in his room, everything was normal, it was videogames on the floor and in the bookcase, music CD's were beside the computer, his school bag were in a corner beside the window, it was photos on the wall beside his bed, the other walls were dark blue and full of posters of his favourite bands and on the floor there was a mattress where his best friend Alix slept.)

jumps up and grabs the handle and the door opens well, as long as it works... *walks out from his room
and walks downstairs*

(Fear walked around in the house and everything was huge, he almost didn't reach anything and for some strange reason he felt like he was walking on four legs...)

Fear: *steps in some water on the floor* eww! my paws got wet! wait a second... paws? *looks at his hands* THEY ARE PAWS! *runs to a mirror who is standing on the floor*... *screams*

(Fear got panic, he looked into the mirror but it wasn't really himself who looked back at him, it was a little black cat with a scar over its right eye, its eyes were green and its cheeks were fluffy. after a while Fear's heart started to beat so hard and fast that his chest hurted, it WAS himself in the mirror!)

Fear: I'm a cat!!! I DON'T WANT TO BE A CAT!!

Unknown: *runs down stairs* Fear? What is wrong?!

Fear: *runs to Unknown* This is wrong! I'm a cat! *cries*

Unknown: *picks him up* don't be sad, Alix sure has something that can turn you back to normal...

Fear: He is sure out for a walk as always... he wasn't sleeping on his mattress when i woke up...

Unknown: but he'll sure come home soon.

Stripe: *runs out from the room and jumps out through the window*

Unknown: *hugs Fear* you ok?

Fear: yeah, i'm ok... but my paw hurts...

Unknown: well, if you just didn't attack Stripe in the first place then it would never have happened...

Fear: This sucks! I don't want to be a cat! No music, no video games, no TV and no school! I HATE BEEING A CAT! hey... wait a second... no school? THIS RULES! You can turn on the TV and music for me! i can't play video games, but i don't have to go to school! I LOVE THIS LIFE!

Unknown: no way, i'm not going to do that! you'll have to live a normal cat life.

Fear: I hate this life! if it wasn't for the fact that i didn't have to go to school then this life would have been worse than my first one!

A voice: you sure?

Fear: huh? *looks around*

(a bird flew down from a bookcase and landed on Unknown's head*)

the bird: *looks at Fear* so, the biggest idiot in the school is a cat. *laughs*

Fear: Raven!?

Raven: That's right.

Fear: *laughs* YOU ARE A BIRD! A MINI BIRD! *laughs*

Unknown: how did that happen?

Raven: well, i was exploring the house, and i found a secret laboratory. and after looking around a while i found a locker with a note on where someone had written "Untested material", i opened it and i found a bottle with some strange potion in it. and i thought that it was worth to try it... and i drank it, and after that i felt a little dizzy so i walked to my room and fell asleep... and when i woke up i was a bird...

Fear: oook then... *looks at Raven* you look like you are big enough for me to eat...

Raven: *glares at Fear* don't...even...think... about it!

Fear: who'll stop me? *jumps up and grabs Raven in his mouth so only Raven's wing is visible and then jumps down on the floor*

Unknown: SPIT HIM OUT!
