Chapter 1 - Ways to Annoy Sephiroth	2
Chapter 2 - Ways to torment/Annoy Cloud Strife	4

1 - Ways to Annoy Sephiroth

Who better to start off with first than the one winged angel himself?

Caution: Some of these acts might get you mutilated beyond recognition. x3

Ways to annoy/get murderd by Sephiroth:

- 1: Call him a momma's boy.
- 2: Drug him; when he falls asleep cut his hair, dye it blonde and spike it.
- 3: Yank on his bangs.
- 4: Call him "Sephy", "Sephy-kun", or "Sephy Poo"
- 5: Blast a chimpunk version of "One winged angel" whenever he is asleep/hung over/ or about to sneak up on his victims.
- 6: Steal Masamune; tell him Zack has it.
- 7: Replace Masamune with a rubber sword that squeaks right before a training session with Genesis.
- 8: Accuse him of having three-somes with Genesis and Angeal right in front of the lower ranking SOLIDERS.
- 9: Dress up like him and run around Shinra yelling. "I LOVE GENESIS!"
- 10: Ask him how he got to be a general, then say you think he got it by "other" means after he tells you.
- 11: Tell him he depends on his mommy's powers to be a badass. (I suggest running after this.)
- 12: Tell him his father is Hojo.
- 13: Steal his clothes, sell them on Ebay to rabid fangirls.
- 14: Paste Yaoi pictures of him with the others (Genesis, Angeal, Zack, Cloud, etc) all over his room with superglue.
- 15: Put superglue on Masamune. Hand it to Seph afterwards.
- 16: Sing "This is the song that never ends" (Or recruit Zack to sing it) outside his door when he has a headache.
- 17: Tell him Reno thinks he is hott.
- 18: Tell him he looks like Vincent.
- 19: Glue a fluffy pink angel wing onto his back.
- 20: Mock him with "Yo momma" jokes.
- 21: Say that he needs to get laid BIG time.
- 22: Set a chocobo loose in his room and tell him it was a gift from Zack.
- 23: Follow him around reciting "LOVELESS" all day.
- 24: Dye his hair black and mistake him for Hojo when running into him.
- 25: Screw up all his paperwork and sign Zack's name before sending it to President Shinra.
- 26: Play a Hannah Montana version of "One Winged Angel" around him all day.
- 27: Glue him to Genesis.
- 28: Call him a hippie from hell.
- 29: Accuse him of being in his 80s due to his 'grey' hair.
- 30: Pluck a hair from his head then say "Guess I wont be able to tell if more grey hairs come to it's funeral huh?"
- 31: Tell Zack that Sephiroth is holding a baby penguin hostage in his room and he has to go save it.
- 32: Tell Sephiroth he isent soo tough, and that he killed a defenseless flower girl yet got his @\$\$ stomped by an emo chocobo haired blonde.

- 33: Use Jenova's head as a pinyata in front of him.
- 34: Dye his cloak bright pink, say Zack was doing the laundry that day when he comes to you.
- 35: Put superglue on saran wrap, tape it across Seph's doorway. Yell out that Zack is in Sephiroth's stuff and wait for him to come through doorway.
- 36: Sneak up on him when he's not paying attention with one of Hojo's chemical waste bins and slam it over his head before kicking it and running.
- 37: Give Masamune to Zack and say it was a present from Sephiroth.
- 38: Give rabid fangirls spare keys to his room and inform them he sleeps in the nude.
- 39: Show him the Carameldansen video of him; tell him Genesis made it.
- 40: E-mail said video to everyone in Shinra except Sephiroth.
- 41: Change Seph's cellphone ringtone to "Carameldansen"; then call him in front of all the lower ranking SOLDIERS he's instructing. (Make sure to put volume up on his phone at full blast.)
- 42: Follow him around all day singing "Oh I love krabby patties, I think they are swell, which is why im going to yell~!"/ or "Best day ever"/ Or "Spongebob Squarpants" themesong.
- 43: Laugh/ act like Spongebob around him.
- 44: When he gets irritated by it, refer to him as Squidward.
- 45: Keep saying his name over and over until he answers; when he does respond "Nothing" and run off giggling.

Hope you enjoyed, comments are luffs. :3
Sephiroth: Ahem....

He's standing right behind me isn't he? ._.
Sephiroth: -sharpens Masamune-

I regret nothing! -zooms off-

2 - Ways to torment/Annoy Cloud Strife

Yeah proceed with caution, but not as much cause he be emo ;3

- 1: Call him emo
- 2: Refer to his hair as a chocobo's @\$\$
- 3: Ask if his father was a chocobo
- 4: Tell him he has relations with Zack in front of everyone
- 5: Lock him in a room with female chocobos that are in heat
- 6: Replace his buster blade with a giant squeaky sword before he goes into battle
- 7: Ask him if he's a born again christian due to him living in a church
- 8: Screw Fenrir's motor up; blame it on Yuffie
- 9: Tie Cloud up, then take Fenrir for a joy ride in front of him and scratch it to hell
- 10: Tell Tifa Cloud likes her more than Aeris
- 11: Post up pictures of CloudXSephiroth all over the seventh heaven bar so the costumers can see
- 12: Dye his hair pink while he's sleeping, blame it on yuffie
- 13: Glue him into a chocobo suit or make it so he cant undo the zipper right before he goes on a delivery
- 14: Tell him he's a very poor replica of Sephiroth
- 15: Tell him he looked like a very convincing female when he had to dress up like one in the game
- 16: Tell Barret Cloud thinks he is a big blowhard, sit back and watch the fun
- 17: Steal all the materia he has, then tell him Yuffie took it while he was sleeping
- 18: Ask him if he is competing with Vincent at being the most emo
- 19: Tell Yuffie Cloud thinks she's hott
- 20: Show him the Carameldansen avi of him and Zack, tell him Yuffie made it
