To Be Continued&

2 - Do u want to join in the fun!?

Hey Guys Kimu here listen up. I'm in need of new members for the band and team. The amount needed is at least 50 more kids because there's the rock band part of the group, the orcastrea part of the group, and the singers of the group. Kouji is the lead **male** singer and I'm the **female** lead singer. So we need drummers, percussionists, guitarists, violinists, violas, cellos, bass guitars. Well you get the point. If you want to be part of the action give the following info about your-self: Name: Age: Cloths you have on: What instrument u want: Pokemon: What's in your backpack: Hair color and up to where in length: Eye color: Skin color: Race:*not being raciest heack I'm Peruvian* OC's if you want to have a partner in battle: Personality: Once all of that has been covered in the next chapter there will be a contest in the story to find you guys. I'll randomly come to your homes to find you. Also I'll be using the Pokemon I know off the top of my head like the ones that Prof.Lovley (Tuxido_Mini_Mask) has and stuff like that. If **no one** joins this group then I'll just **delete** this story from FAC. Well that's all for know until next time (if there is a next time)

Narrator: Last time Caramel/Kimu and Danile/Kouji were about to scream but decided to give Kayla a chance to try and get in the band. Boy are they going to be in for a surprise.

Kayla: *takes a deep breath and...starts to SING!?!?!?!?O.O* Why does winter always make you wait, for a glimpse of sun

It takes a simple clue, are we farid to know,
the time will come when...

Long cold nights
fade into memory looking at the morning light

And we will be together
Leading carefree heart forever
At the first sign of spring

And here the sun will shine right through
and never a moment comes to soon
At the first sign of spring

Air is getting warmer by the day,
as the thaw begins
So put a corner on this page,
and leaves are green again

And the loudest splash,
lifting away right in front of our very eyes

And we will be together
At the first sign of spring

A new season begun
For a father and son
And everything grows a little faster
Every moment stretches longer
and it will only get much stronger Ohh

And we will be together
Leading carefree heart forever
At the first sign of spring

And here the sun will shine right through
and never a moment comes to soon
At the first sign of spring

6 - And so the auditions begin part 3

Narrator: We last left Caramel/Kimu and Danile/Kouji wondering how long the auditions will take. Lets see who's next.

Destiny: *starts to play her guitar like she's in a concert*

Danile: *whispers* What do u think?

Destiny: ALRIGHT^^*gose to room everyone else is in*

Danile: Next!!!

Jenna: *plays her Bass guitar and sings along* We don't have time left to regret

Hold on

It will take more than common sense

Hold on

So stop your wondering, take a stand

Hold on

Cause there's more to life than just to live

Hold on

Cause an empty room can be so loud

It's too many tears to drown them out

So hold on, hold on

Hold on, hold on

One single smile, a helping hand

Hold on

It's not that hard to be a friend

Hold on

So don't give up, stand 'til the end

Hold on

Cause there's more to life than just to live

Hold on

Cause an empty room can be so loud

It's too many tears to drown them out

So hold on, hold on

Hold on, hold on

When you love someone, and they break your heart

Don't give up on love, have faith, restart

Just hold on, hold on

Hold on, hold on

When it falls apart, and you're feeling lost

all your hope is gone, don't forget to
Hold on
Hold on

Cause an empty room can be so loud
It's too many tears to drown them out
So hold on, hold on
Hold on, hold on
When you love someone, and they break your heart
Don't give up on love, have faith, restart
Just hold on, hold on
Hold on, hold on

Cause an empty room can be so loud
It's too many tears to drown them out
So hold on, hold on
Hold on, hold on
When you love someone, and they break your heart
Don't give up on love, have faith, restart
Just hold on, hold on
Hold on, hold on

You had my heart
And we'll never be world apart
Maybe in magazines
But you'll still be my star
Baby cause in the Dark
You can see shiny Cars
And that's when you need me there
With you I'll always share
Because

[CHORUS]

When the sun shines
We'll shine together

Told you I'll be here forever
Said I'll always be your friend
Took an oath
I'mma stick it out 'till the end
Now that it's raining more than ever
Know that we still have each other
You can stand under my Umbrella
You can stand under my Umbrella
(Ella ella eh eh eh)
Under my umbrella
(ella ella eh eh eh)
Under my umbrella
(ella ella eh eh eh)
Under my umbrella
(ella ella eh eh eh eh eh eh eh)

[VERSE 2]

These fancy things,
Will never come in between
You're part of my entity
Here for Infinity
When the war has took its part
When the world has dealt its cards
If the hand is hard

Together we'll mend your heart
Because ...

[CHORUS]

When the sun shines
We'll shine together
Told you I'll be here forever
Said I'll always be your friend
Took an oath
I'mma stick it out 'till the end
Now that it's raining more than ever
Know that we still have each other
You can stand under my Umbrella
You can stand under my Umbrella
(Ella ella eh eh eh)
Under my umbrella
(Ella ella eh eh eh)
Under my umbrella
(Ella ella eh eh eh)
Under my umbrella
(Ella ella eh eh eh eh eh eh eh)

[BRIDGE]

You can run into my Arms
It's okay don't be alarmed
(Come into Me)
(There's no distance in between our love)
So gonna let the rain pour
I'll be all you need and more
Because ...

[CHORUS]

When the sun shines
We'll shine Together
Told you I'll be here forever
Said I'll always be your friend
Took an oath
I'mma stick it out 'till the end
Now that it's raining more than ever
Know that we still have each other
You can stand under my Umbrella
You can stand under my Umbrella
(Ella ella eh eh eh)
Under my umbrella
(Ella ella eh eh eh)
Under my umbrella
(Ella ella eh eh eh)
Under my umbrella
(Ella ella eh eh eh eh eh eh eh)
