**Chapter 1 - Depise and Death**

# 1 - Depise and Death

I depise all things that hurt me,  
They Only want me to suffer,  
Im all alone in this world with no one to turn to.  
Crying is the least of my worries,  
I want to sleep never willing to Wake up again.  
Is It Possible for me to die?  
I really Want to die, Never willing to Come back  
I wish to Leave Behind all my Memories,  
My Happiness is nothing More  
Die, Die that's All I want to Do,  
I'll Be willing to Leave this World Behind  
I Want to Become Death.
