Monday morning, Pyro woke up. He looked around and realised where he was, let a little squeal of excitement, got up and walked out of his room, no need to get dressed (`cause he didn't get dressed for bed). As he went by it, he looked at the calendar.

A strange silhouette flew as if stalking the group... Only Pyro noticed it though, at last he couldn't take it

any more, he zoomed in the direction of the creature. All he saw was it was it was two creatures: a girl, and a Dragon?

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

15 minutes into the battle and so far Robin, Cyborg and B.B. were wrapped in a crane Pyro was doing his best to hold Cinderblock off by flying round and round him, while Raven was looking for any builders left in the area.

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

“Any left? I can't hold him off forever!” Pyro called

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Nope!” Raven Replied

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Good, now I can Kick his butt to Kingdom Come!”

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“I'm coming!” Raven shouted, just before she was knocked to the floor by a fist. Pyro flew up to Cinderblock's face.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“Whoa! Hey, big boy, since you're <i>sooooo</i> big, do you even know the capital of Hong Kong?”

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

Cinderblock cocked his to the side as if saying `Errrr... I dunno!

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

In reply to his `answer', Pyro kicked him in the crown jewels and shouted: "BANCOCK!!"

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

In the shadows, though, the figures were watching.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

In obvious anger Cinderblock knocked Pyro out of the sky. The girl figure's eyes widened and she jumped on the dragon figure and flew down to Cinderblock.

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

The girl jumped off and ran over to Pyro while the dragon Rugby tackled Cinderblock. Pyro was struggling to see. "I see the light!"

</p></div>

<p><div name="Normal" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

The girl looked up and looked back down to Pyro “Yes, a very bright light called the sun *gasp*”

The scene is a park, a picnic is set out and a familiar young boy sits down with a baby girl in his hands, an older girl also sits down and finally two adults sit down. Suddenly, as if for no apparent reason, a really big masked guy jumps on to the picnic basket, crushing it, he grabs two SMGs (Sub-Machine-Gun) out of nowhere and starts shooting everyone, the little baby cries and a purple-tinted force field shields the children, and unfortunately not the parents... that's all I'm saying.

Pyro woke up; he had no memory of what just happened. He was strapped down to a medical bed. That couldn't hold him, but he had calmed down from the anger deep inside him. He struggled to break free from the leather straps. Pyro stopped struggling and looked around and saw Beast Boy and Raven in beds beside his own: scorched, unconscious and near death. Voices from outside seemed to become aware of the fact that was that Pyro was awake and peered in every now and again. Until finally Cyborg walked in, poked Ravens burnt skin did some scribbling and did the same to BB, but paid no attention to Pyro. He walked out.

The next day Pyro was let out, but no one seemed to notice him and left him out. They seemed to hate him for nearly wiping them off the face of the earth. That day Lindsay, Force-a-licious and Flame left. Didn't even say goodbye! Well not to Pyro anyway...

Suddenly a pain shot from his shoulder he looked and saw a tranquilliser dart embedded in his arm! He screamed, ripped it out of his arm and then felt another one but in his back somewhere. He ran downstairs, screaming and yet another one shot into his leg. He finally reached the main room and fell over unconscious with all the darts showing. Then Raven ran into the room (conscious and well) and saw Pyro's body being dragged out of the room. She grabbed his hair and started tugging; finally a chunk of hair came off Pyro's head came out and he was dragged out the building...

There was silence. Then Pyro finally gave in:

<p><div name="Body Text" align="left" style=" padding: 0.00mm 0.00mm 0.00mm 0.00mm; ">

<p style="text-indent: 0.00mm; text-align: left; line-height: 4.166667mm; color: Black; background-color: White; ">

“You know my weakness too well,” the door unlocked. Rock walked inside, but couldn’t see anyone. She turned around and stood on something, hissing and the sound of mad cats filled the room. Rock looked down in shock, but saw a tabby cat attacking her boot (They’re so thick she probably doesn’t feel a thing). Rock picked the poor tabby creature and started stroking it.

Later the rest of the gang came. All Pyro could think of is <u>hide</u>. So he did, behind the lamp... with chewed wires. Robin walked in first, signalled the all clear and everyone else walked in, but Rock. She's scared still.

Pyro poked his head out to see what was going on then quickly pulled it back, thinking no one saw him. Beast boy decided to turn on the lamp seeing a tail on chewed wires. Suddenly an electrical sound came from behind the lamp and a ginger cat shot up from it, shouting and swearing.
