Alright, you're done! Now add up your score (the numbers are next to each answer)!

IF YOU GOT 0-10, YOU ARE ECLIPSE!

You have a deep inner turmoil,
and that demon inside you does NOT help!
On a brighter note, you are very loyal
and protective of your friends and family.
You can get angered pretty easily,
and when that happens, everyone
else had better watch out! Although
you stride in the path of light right now,
you can be easily pulled into darkness.
Try to avoid violent thoughts,
and explosive fits of anger.

IF YOU GOT 11-18, YOU ARE CONDEMNED!

Ahh! You are pure evil, banished to glide
over earth forever! Of course, you can
still force yourself into other people's
lives, and corrupt them to get what you want.
Try to avoid cheerful people, or you may
throw up in disgust. Go for the angry ones,
for their dark thoughts and actions will

feed you and allow you to grow stronger!

IF YOU GOT 19-24, YOU ARE ROSETTE!

You are a bright personality who enjoys seeing happiness in others. Unfortunately for you, you can get very upset when you see someone you care about hurt, or turned against you. Although you are the peaceful sort, a gun here and there is a smart way to go. Try to avoid evil psychotic control freaks like Condemned.

IF YOU GOT 25 OR ABOVE, YOU ARE MR. INDERRETTA!

Scheming, smart, and pretty dang evil, you are "cruel" with a capital "C"! You will not allow ANYTHING to stand in your way when you carry out a plan. You prefer hurting someone emotionally, and watch them bathe in sorrow, then hurt someone physically, and watch them writhe in pain. Instead of trying to fight your enemy, turn him/her against his/her friends, and watch the drama unfold! Try to avoid people who can foil those plans you worked so hard on to create. Actually, no. Control your weakness.
