# 1 - Untitled

Go away+++++++

Emotions... feelings...

I hate them...

Only until now have I started feeling them...

Confusing...

My head spinning from thinking about so much...

They won't go away...

Never...

I can't sleep...

I can't eat...

Half of the time I can't breath...

They won't stop...

Going away...

Never...

They won't no matter how much I try...

I deny to myself that they exist...

But they're there...

It won't stop...

Ever...
