# 1 - Untitled

"Trust..."

Underneath the surface...  
I cannot breath...  
Trying to find the right way...  
To find anything...  
The light burns my eyes...  
And soon I stop to believe...  
There is no hope...  
There is no life...  
So why are we still playing this game...  
It tore me apart...  
It stabbed me in the back...  
It spit in my face...  
Torturing me in anyway possible...  
Is there no help...?  
No friendly face through out the dark clouds...?  
No smile to show me the way...?  
No, never...  
People are just there...  
Just there to please themselves...  
They cannot be trusted...  
And neither can I...
