1 - Chapter 1

It's always like that. Girls. Always wanna look and feel pretty,cute,beautiful and sexy. Yuck. Yuck yuck yuck. I mean, come on! You see it everyday. Girls today like wearing sexy clothes. Yuck. Girls always wanna have long hair to attract those so called "cute boys". They even wanna make it shiny. Man, this is very sick. I don't mean to offend anyone. And they offen say "OMG", "That is sooo yesterday/ 5 minutes ago", "So not", the word "so" and "totally". What is going on? They sound like...umm...It's indescribable. They always talk about style/fashion and "cute boys." What is the deal with that? I don't understand.
