**Chapter 1 - Lost In Myself**

# 1 - Lost In Myself

I was lost in myself without even knowing  
I looked in the mirror and saw nothing  
But that was before I heard you  
Thank you, for getting me out before I got to deep  
So close to death, but still so alive  
You saved me from myself  
You showed me who I was, and what I could be  
I was so close knife in hand  
But you showed me the other way out  
You promised it would all be ok  
Friends forever, till the very end  
You showed me the way out, before I got to deep  
So close to death, but still so alive  
I never knew what I had, but now I see that  
You're everything to me

Just a little something i wrote  
One of many... but this one is dedicated to someone special ^-^  
Anyways.. tell me what ya think.
